EARLY DIVIDENDS

- Last week at TB (9/8/19), DL **Dee Ford** stripped Buccaneers QB Jameis Winston on a 6-yd. sack, marking his first FF and sack as a member of the 49ers.
- Over the past 2 seasons (2018-19), Ford has registered 6 games with at least 1.0 sack and 1 FF, tied for the most in the NFL over that span (Khalil Mack, Chi. - 6 games).

- Making his NFL debut against the Buccaneers, rookie DL **Nick Bosa** registered a 9-yd. sack on Winston, the first of his career. Bosa was 1 of 3 rookies in the NFL to register at least 1.0 sack in their NFL debut in Week 1 (Clelin Ferrell, Oak. - 1.0; Jahlani Tavai, Det. - 1.0).
- With at least 1.0 sack this week at Cin. (9/15/19), Bosa would become the first rookie in franchise history to have 1.0-or-more sacks in each of their first 2 career games since Dana Stubblefield in 1993 (2.0 - Week 1; 1.0 - Week 2).

GOLDEN NUGGETS

- **San Francisco** and Cincinnati met in Super Bowls XVI and XXIII, with the 49ers winning both matchups. The 49ers and Bengals are 1 of 8 pairs of teams to meet multiple times in the Super Bowl.
- Last week at TB (9/8/19), the **49ers defense** allowed 1 pass play of 20-or-more yds., the fewest in the NFL.
- With 1 INT this week at Cin. (9/15/19), CB **Richard Sherman** would register back-to-back regular season games with at least 1 INT for the 3rd time in his career. Sherman has registered 1 career INT of Bengals QB Andy Dalton [vs. Cin. (10/30/11)] in his rookie season as a member of the Seattle Seahawks.
- The **49ers** registered 15 pts. off of turnovers in Week 1, the 4th-most in the NFL (Bal. - 21; Min. - 21; Ten. - 21).

ROAD WARRIORS

- **San Francisco** looks to start the season 2-0 for the first time since the 2012 season. The 49ers also aim for back-to-back road wins to start a season for the first time since the 1989 season.

COMMUNITY CORNER

- The 49ers will host the Mentorship Academy for **Community Tuesday** on September 17th at Levi's Stadium.
- The 49ers PREP Mentorship program is a three step program that is designed to provide high school football players with the chance to develop the skills necessary to succeed and be leaders on and off the field.
- The program operates on the "train the trainer" model with three tiers of teaching, designed to give young people an opportunity to learn from their mentors as well as become mentors. 49ers rookies will lead an hour long program, mentoring the high school varsity captains. The captains are then provided the platform to take what they learned from the 49ers, and become mentors to the local youth football players in their community.
- Having positive mentors is critical in a young person's development. Through guided leadership from like-minded athletes in their community, the 49ers Mentorship Academy will help build character through accountability.
