## WHAT THEY'RE SAYING

### Baltimore Ravens Head Coach John Harbaugh on the 49ers...

"We're going to go out to San Francisco. It's going to be something that's going to be tough and challenging. It's a good football team. They have a lot of good players. We know a lot of those guys personally. We practiced against them last year. We know the team well. We have to go find a way to play our best and win the game, and that's all we need to be thinking about right now, and that's all we'll be focusing on."

### Baltimore Ravens Head Coach

#### John Harbaugh on the 49ers Offense...

"Obviously, they have a great back in Carlos Hyde, three really good tight ends and the receivers that you talked about, guys that we know well. It's a dangerous group. It's going to be a big challenge."

### Baltimore Ravens QB Joe Flacco on the 49ers defense...

"I think they have a good front. I think NaVorro Bowman can kind of lead the group in terms of those front seven guys. I think he's still playing well. As far as the secondary goes, I think Bethea can be the leader in there and he can come up and hit people in the run game and can be confident back there in the passing game."

### Baltimore Ravens CB

#### Jimmy Smith on WR Torrey Smith...

"I know Torrey so well. We're like brothers. I know his moves, he knows my moves. So, it's going to be fun out there. I'm pretty sure we're going to get out there and have some plays where we're actually just laughing at each other at the end. But, I think it's going to be a great matchup."
