* NOTE: It is not possible to accurately list all-time postseason possession averages because time of possession was not recorded until 1977. Postseason possession averages after 1977 are listed in the year-by-year breakdowns on the following pages.

** NOTE: The Bengals' and their opponents' two-point conversion totals listed here were recorded in 2005 and thereafter. Prior to that season, all of the Bengals' playoff appearances had occurred in years in which the two-point conversion did not exist. The two-point conversion, which existed in the AFL when the Bengals were members in 1968 and '69, was not instituted in the NFL until '94.

*** NOTE: It is not possible to accurately list all-time postseason defensive statistics because the three types of defensive statistics — defense, special teams and miscellaneous — were combined through 1987, but separated in '88 and thereafter. Defensive statistics are, however, listed in each of the year-by-year breakdowns on the following pages. All defensive statistics on the following pages are press box statistics produced at the games.
