IF YOU HAVEN'T HERD

TWO RINGS ONE NIGHT

After winning a Super Bowl ring, Taylor Rapp pulled out a ring of his own, proposing to his girlfriend Dani Johnson in front of the cheering fans of SoFi.

The proposal came after an emotional win for the Rams, who beat the Cincinnati Bengals 23-20. She nodded "Yes" and tried to hold back the tears as Rapp slipped the engagement ring on her finger.

"So we were actually going to go to Hawaii after the season was over and that's where I had planned on proposing. The thought of doing crossed my mind but only if we had won. And we did win so I was like I have to do it now, it made our vacation better, less stress on my end."

Rapp and Johnson have been dating since high school. She's been his biggest fan since he played football for Sehome High School in Bellingham, WA. He went on to star at the University of Washington before heading to the NFL in 2019. Johnson played volleyball at Southern Oregon University.

In March of 2021, Rapp marked Johnson's birthday with his intentions. Rapp posted a selfie to Instagram of himself and Johnson smiling for the camera, writing in the caption, "Happy birthday to the love of my life, the one person who holds me accountable and makes sure I stay true to myself no matter what." And on July 16, 2022 they became the Rapp's.
