Practices are free and require a ticket for entry. Practices are open for public viewing beginning on Friday, July 26. Gates for morning public practices will open at 9AM. Parking at the Broncos' facility is located adjacent to the Pat Bowlen Fieldhouse (13403 Broncos Pkwy.) on a first-come, first-served basis. Because space is limited, please arrive early. The parking area is open beginning at 8AM. Please avoid parking on streets across from Broncos Park Powered By CommonSpirit. The Broncos' [stadium bag policy](#) will be in effect for all training camp practices. Lawn chairs will not be allowed at training camp. Umbrellas of any size will not be permitted inside Broncos Park Powered By CommonSpirit. Please bring sufficient wet weather attire if necessary. Strollers: Will be allowed on the premises but must be left at the gate prior to accessing seating area. Fans are welcome to use still cameras during training camp practices, but video cameras (and other recording devices such as cell phones and tablets) will not be permitted. Only members of the media will be allowed to bring cameras with professional lenses and tripods to training camp. Any detachable lenses longer than the length of a credit card will not be permitted on camp premises. Select players will be available for autographs at the end of each public practice. All autographs will take place by the guest seating area located on the west end of the practice fields. Public restrooms will be available for fans near the entrance to the practice fields. Food & Beverage: There will be food trucks on the west side of the Pat Bowlen Fieldhouse. A variety of food options from around the Denver metro area will be available to fans throughout training camp (please note that meals brought from food trucks will not be permitted inside the practice field gates; food and non-alcoholic beverages are allowed inside the practice field gates in small individual quantities only). In case of lightning or other inclement weather, fans will be cleared out of the general seating area, allowing for sufficient time to reach their vehicles. In some cases, the Broncos may announce a practice cancellation before a scheduled session if inclement weather is in the forecast. In such instances, Broncos Park Powered By CommonSpirit grounds will be closed to the public.
