The parking area opens promptly at 8 a.m. MT for morning public practices. Please avoid parking on streets across from Broncos Park Powered by CommonSpirit. Guests are encouraged to utilize ride-sharing options, such as Uber or Lyft. The Broncos' stadium bag policy will be in effect for all training camp practices. Fans will be able to view the practices from bleachers situated on the south side of the fields. Proper footwear, clothing and sunscreen are encouraged. Due to the use of bleacher seating, lawn chairs will not be allowed at training camp. Umbrellas of any size will not be permitted inside the Broncos' training facility. Please bring sufficient wet-weather attire if necessary. Strollers will be allowed on the premises but must be left at the gate prior to accessing seating area. Fans are welcome to use still cameras during training camp practices, but video cameras (and other recording devices such as cell phones and tablets) will not be permitted. Only members of the media will be allowed to bring cameras with professional lenses and tripods to training camp. Any detachable lenses longer than the length of a credit card will not be permitted on camp premises. Players will be available to sign autographs and take photos with fans aged 5-15 after each practice open to the public. Young fans who wish to participate must check-in at the Kid Zone tent to receive a wristband. All children with a designated Kid Zone wristband will be escorted onto the practice field at the conclusion of practice. Parents/guardians will pick up their children at the Kid Zone tent following the experience. Public restrooms will be available for fans inside the secure perimeter. Each guest will receive a complimentary bottle of Dasani water, courtesy of Coca-Cola. Outside food is not permitted on the premises. In case of lightning or other inclement weather, fans will be cleared out of the general seating area, allowing for sufficient time to reach their vehicles. In some cases, the Broncos may announce a practice cancellation before a scheduled session if inclement weather is in the forecast. In such instances, Broncos Park Powered by CommonSpirit grounds will be closed to the public.
