■ HOME ■ AWAY

This season, "flexible scheduling" for Sunday Night Football may be used up to twice between Weeks 13-17, and in the NFL's discretion during Weeks 11-17; for Monday Night Football at the NFL's discretion in Weeks 12-17; and for Thursday Night Football it may be used up to twice between Weeks 13-17. During these Flex Scheduling Windows, the games initially scheduled for Sunday Night Football (on NBC), Monday Night Football (on ESPN or ABC), and Thursday Night Football (on Amazon Prime Video) are tentatively scheduled and subject to change. Only Sunday afternoon games (or those listed as TBD) are eligible to be moved to Sunday night, Monday night, or Thursday night, in which case the initially scheduled Thursday/Sunday/Monday night game would be moved to Sunday afternoon. Sunday afternoon games may also be moved between 1:00 p.m. and 4:05 p.m. ET and 4:25 p.m. ET. As in prior seasons, for Week 18, the final weekend of the season, the scheduling of the Saturday, Sunday afternoon, and the Sunday night games is not assigned. In Week 18, two games will be played on Saturday (4:30 p.m. ET and 8 p.m. ET) with the remainder to be played on Sunday afternoon (1 p.m. ET and 4:25 p.m. ET) and one matchup to be played on Sunday night (8:20 p.m. ET). Specific dates, start times, and networks for Week 18 matchups will be determined and announced following the conclusion of Week 17.
