

# STEP-BY-STEP GUIDE: ACCESSING YOUR SECURE DIGITAL TICKETS & PARKING

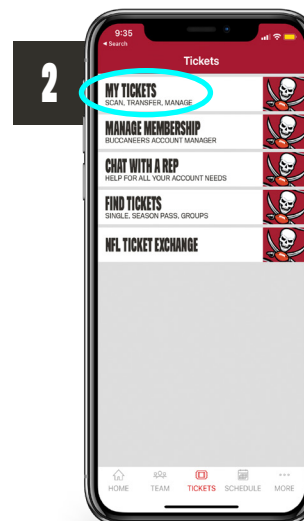

## 1 DOWNLOAD THE APP

Open the official Buccaneers App on your mobile device.

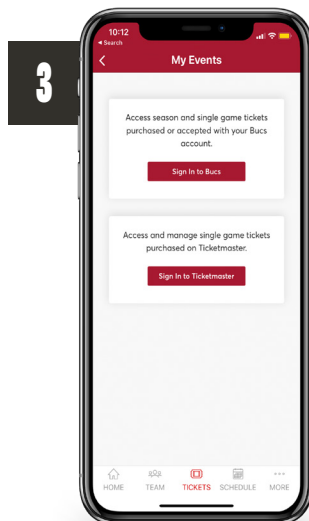

iPhone users, select TICKETS on the bottom navigation bar.

Android users, select the menu icon in the top left and then select TICKETS from the menu.

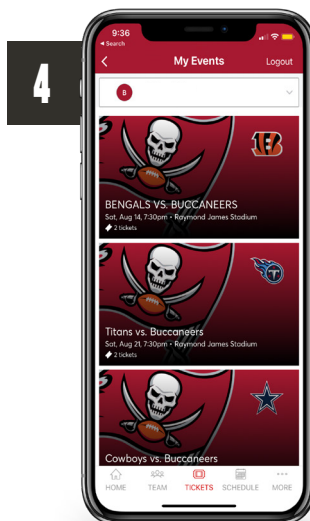

## 2 ACCESS TICKETS

Select the MY TICKETS button.

## 3 LOG IN

Select SIGN IN TO BUCS and Log in using the email address and password associated with your Buccaneers Account Manager.

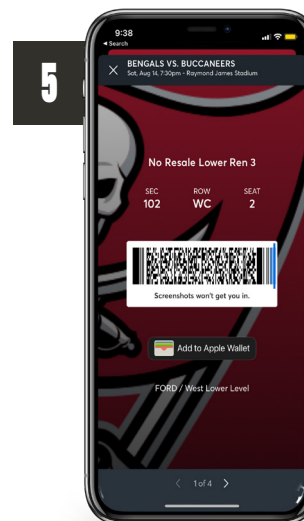

## 4 MANAGE TICKETS

You will see a listing for each of your tickets.

iPhone users: You can ADD TO WALLET to store on your device. Once the ticket is in your wallet, you simply need to hold it near the ticket reader upon entry.

To have your ticket scanned at the gate select View Barcode.

Have your phone out at the parking lot to be scanned.

## 5 YOUR TICKET

You will see a red line moving back and forth on the barcode. This indicates you have a "live" ticket. Screenshots will not be valid for entry. Swipe to have each ticket on your account scanned.

Parking will display a QR code to be scanned at entry to your lot.

# YOU'RE ALL SET!

We encourage you to retrieve your SECURE DIGITAL TICKET before arriving to the stadium for ease of access.
