## CARDINALS IN THE COMMUNITY

One common theme for OL Kelvin Beachum throughout his NFL career has been his community impact across the globe.

Beachum is a two-time Walter Payton NFL Man of the Year nominee after he was honored by the Cardinals in 2021 following his first selection with the Jets in 2018. He was the first and only five-time NFLPA Community MVP winner (2016-2019, 2022) and the 2018 United Way Hometown Hero. Beachum also currently serves as a task force member for the Players Coalition where he focuses on education equity.

Closing the “digital divide” is of particular significance to Beachum and was the topic of an NFL.com op-ed that he penned where he expressed concern for minority students in underserved communities lacking access to the Internet and technology resources. During the 2021 season, he donated over 40 laptops and tablets to Arizona schools to address those concerns and help bridge that divide.

In October of 2021, he announced the NFL's Player Coalition's donation of \$50,000 to help install new internet access points for 25 school campuses in the Ector County Independent School District in West Texas, and in 2020, he made a \$15,000 donation through Donors Choose to fund 34 projects across Arizona school districts to support STEAM education resources, diverse books for classroom libraries and clean water access.

Providing access to clean water has long been an important cause to Beachum as well. During his stint with the New York Jets, he donated \$10,000 to the United Way of Newark to provide 100,000 water bottles to residents in need following the Newark Water Crisis in 2019. During a November game at MetLife stadium, he organized a 1-for-1 match challenge. For every water bottle sold, one would be donated to the United Way of Greater Newark. The initiative generated a donation of 26,000 water bottles to families with compromised water. This offseason, Beachum personally donated \$30,000 and fundraised another \$15,000 to build three water wells in Africa through World Vision to provide clean water access. In March, he and his wife traveled to Zambia to see the functioning water wells and their impact in the community.

Beachum is also passionate about ending hunger and addressing food insecurity. A monthly volunteer at the United Food Bank, he hosted an event in May of 2022 with teammates D.J. Humphries, Dennis Gardeck, Antoine Wesley, Justin Murray and Eric Smith where he partnered with Safeway/Albertsons to pack meals and donate 200,000 meals in Mesa. This offseason, he hosted a food distribution for 500 families in his hometown (Mexia, TX) with the Central Texas Food Bank and HEB with each household receiving 75 pounds of food.

Working as Ambassador at Large for the Central Texas Food Bank, Beachum created a monthly mobile food pantry to feed families in his hometown of Mexia, and in 2017, helped raise \$100,000 while matching that contribution. In 2019 he hosted a large scale, drive-thru food distribution in Mexia in partnership with HEB and the Central Texas Food Bank that fed over 3000 families. Beachum has contributed his time and financial resources to the Houston Food Bank, Pittsburgh Food Bank, Feeding Northeast Florida Food Bank and the Food Bank of New York City (Harlem) in addition to his current work with the United Food Bank in Arizona.

Beachum celebrated World Food Day 2018 with a fan match initiative that raised \$75,000 for the above food banks, which helped serve more than 327,000 meals in his home state and every market he's played in. In 2015, he also partnered with the Bread for the World organization with the goal of ending hunger in the U.S. and around the world by lobbying Congress to improve summer food programs for school children and pass the Global Food Security Act in 2016.

In 2016, Beachum created “Kelvin Konnects,” a STEAM initiative and program designed to increase minority access to careers within the Science, Technology, Engineering, Arts and Mathematics disciplines. As part of that program, Beachum adopted the Barack Obama Male Leadership Academy in Dallas. This adoption included hosting a speaker series with industry leaders, local and federal elected officials, providing STEAM programming and curriculum support, funding field trips and college visits, and providing teacher development opportunities.

In 2020, the Beachum family hosted a food and Christmas tree donation for 100 families at Sistine Elementary School in Chandler, AZ through a partnership with Lowe’s and the United Food Bank. In 2021, he partnered with World Vision to provide 500 backpacks filled with school supplies to Sun Valley Academy in Phoenix.

In his capacity as a professional speaker, Beachum has delivered keynote addresses at the IT Senior Management Forum Conference, Walsh Hunger Summit at the Pro Football Hall of Fame in Canton and Texas Project Lead the Way Summit. He has also contributed to numerous speaker series and panels on topics such as leadership, diversity and inclusion, web3 and crypto and technology. He currently sits on the Lyle School of Engineering Executive Board at his alma mater, Southern Methodist University (SMU), where he champions diversity within admissions, pioneers inclusion efforts on campus and supports programming, recruitment and mentorship efforts for students and alumni.

Beachum and his wife, Jessica, are also avid art collectors. Their “Beachum Family Collection” has loaned pieces to museums across the country. In February 2022 and May 2023, they opened two exhibitions featuring selections from their collection at SMU and Baylor, respectively. The two campuses are the alma maters of Kelvin and Jessica Beachum. In May 2023, he was awarded the ⓧIn the Arena award from the McCain Institute at the Sedona Forum for his humanitarian work worldwide.

CARDINALS PART OF EFFORT TO SEND STUDENTS TO WASHINGTON D.C.

Visit Part of 2nd Annual "Civics Matters Arizona" Trip

Following a highly-successful debut in 2022, the Arizona Cardinals partnered with the Close Up Foundation and Arizona Governor **Katie Hobbs** to send 260 high school students from across the state on a trip to Washington D.C. as part of the 2nd annual Civics Matters Arizona program.

The Cardinals once again supported the life-changing opportunity for the students by providing their team plane to fly the group to and from Washington D.C. The travel party flew to the nation's capital for a four-day, three-night trip from June 14-17.

The interactive and educational experience included meetings with elected officials, issue deliberations, and instructor-led visits to monuments, memorials, museums, and government institutions.

The Civics Matters Arizona program is a civic engagement initiative for high school students across the state. Built upon a successful pilot in 2022, the program targets a diverse group of high schools and organizations serving Title I communities. The program engages students with their peers as well as their government and gives educators the tools and training to build positive dialogue in the classroom.

In 2023, Civics Matters Arizona impacted more than 1,500 high school students across the state, including the 260 selected by their teachers to travel to Washington, D.C. These students represented 30 schools, 20 school districts, 14 cities, and six counties across Arizona.

Ahead of the D.C. program, teachers worked with 10th and 11th grade students in a series of nonpartisan lessons designed by Close Up. The lessons culminated in an essay contest, in which students could write about (1) how young people can be involved in their community or government, (2) the political values that are most important to the health of our democracy, or (3) how we can build a "more perfect union."

## ARIZONA AND DAYLIGHT SAVING TIME

Every year people across the country turn their clocks ahead in the spring and back in the fall, except in Arizona.

Although Arizona stays on standard time throughout the year, never changing its clock forward or back, the time change, or lack thereof, does affect the Cardinals local kickoff times during the season.

In 2023, daylight saving time was observed on the second Sunday in March (March 12) and ends on the first Sunday in November (November 5). When daylight saving time is in effect, Arizona is three hours behind the east coast, making a 4:00 p.m. kickoff in New York a 1:00 p.m. kickoff in Arizona. However, when daylight saving time ends, Arizona is only two hours behind the east coast, making a 4:00 p.m. kickoff in New York a 2:00 p.m. kickoff in Arizona.

In 1967, the Uniform Time Act was instituted, putting the entire country on daylight saving time. After one year, states could opt out, and Arizona went back to standard time and stayed there. Residents and lawmakers of Arizona knew there was an abundance of sunshine and did not see the need to move their clocks ahead in order to save any. The only other state that does not observe Daylight Saving Time is Hawaii.

## CARDINALS IN THE COMMUNITY

Running back **James Conner** began his journey in Arizona in 2021 after spending eight years in the city of Pittsburgh as a Pittsburgh Panther and Pittsburgh Steeler. A published author, Conner's moving story as a cancer survivor has inspired many and created a significant impact in the community.

Last season, he represented the Cardinals and participated in "Giving Tuesday" at Phoenix Children's Hospital. On the Tuesday following Thanksgiving every year, people can bring positive changes to their communities through charitable donations to their favorite nonprofit organizations. Conner helped raise money for Phoenix Children's as the Cardinals triple matched all donations that day.

In 2021 during training camp, Conner participated in a zoom meeting with members of the Cardinals and NFL Flag Football Girls program and shared his advice and experience as a professional athlete. In January of 2021, he teamed up with USAA and the Air Force Sergeants Association to award Command Chief Master Sergeant Louis Boykin with a trip to Miami to watch Super Bowl LIV. Conner then met Boykin and other military members in the USAA Salute to Service Lounge during Super Bowl Weekend.

In November of 2020, he donated 200 turkeys to the Second Harvest Food Bank of Northwestern Pennsylvania in his hometown of Erie, PA. He also partnered with Steelers teammates Cameron Heyward, Maurkice Pouncey and JuJu Smith-Schuster to provide local agencies with turkeys and Thanksgiving meals, serving more than 950 families in Pittsburgh, Erie and Long Beach, CA.

In honor of World Cancer Day, Conner visited patients at UMPC Hillman Cancer Center in February of 2020. His goal was a simple one, to encourage and bring hope to patients battling cancer.

In October of 2019, as a frequent participant in the Make-A-Wish Foundation, Conner surprised Andre Jenkins, a 19-year-old undergoing treatment for leukemia with tickets to the Steelers Monday Night Football game.

That same month, Conner was a recipient of the 2019 Ed Block Courage Award, an award voted on by teammates and given to a player who has shown courage either coming back from an injury or a life-altering situation.

## CARDINALS IN THE COMMUNITY

Tight end **Zach Ertz** is in his third season with the Cardinals after spending the first nine years of his career with Philadelphia. Since entering the league in 2013, Ertz has made it his mission to give back to the communities in which he has lived and nothing has made that more clear than the creation of the Ertz Family Foundation, established in 2018.

Since Ertz and his wife, Julie, began dating while in college together at Stanford, the pair dreamed of one day creating a foundation that could help people in need. In the spring of 2018, Ertz took a trip to Haiti with his Eagles teammates and it opened his eyes to the plight of the less fortunate and served as a catalyst to launch the family foundation. The mission of the Ertz Family Foundation is to empower others by sharing faith, learning through sports, and advancing education to build supportive communities.

In May of 2023, the Ertz Foundation celebrated its cornerstone project when it held a ribbon cutting ceremony for the official opening of their House of Hope project after three years of renovations. In partnership with Grace Peace Community Fellowship in Philadelphia, the House of Hope was the renovation of a building adjacent to the church with the goal to provide youth a safe place to receive career support, Wi-Fi access, healthy food options, employment support, and financial literacy. The Ertz Family foundation launched a \$900,000 campaign fundraiser to support the required renovations, general operating costs and future programming expenses. Zach and Julie Ertz pledged \$100,000 to fund the Youth Leadership Development Center located in the House of Hope.

Although his community initiatives began in Philadelphia, Ertz has also made a big impact during his short time in Arizona. In December of 2022, he was named the Arizona Cardinals/Walter Payton Man of the Year in recognition of his outstanding community service activities off the field as well as excellence on the field. He received a \$40,000 donation to the Ertz Family Foundation for the award.

During the 2022 season, Ertz, along with his foundation and The Athletes' Corner, teamed up for the second straight year to fight hunger through the on-field performance of the team. The two foundations brought back their "Score More n' Feed More" initiative which provided meals to Arizona food banks for every touchdown the Cardinals scored. Last year, the "Score More n' Feed More" initiative helped provide a total of 150,000 meals to food banks in Arizona earning him Week 9 NFLPA MVP honors for the successful campaign.

Ertz quickly made his presence felt in Arizona after being acquired by the Cardinals during the 2021 season. Just months after joining the team, he partnered with the Boys and Girls Club of the Valley and took 15 kids on a shopping spree at Dick's Sporting Goods to help celebrate the holiday season.

During the height of the COVID-19 pandemic, the Ertz Foundation created the Beyond the Team program to support youth displaced by canceled football seasons during the pandemic and provided aid to families in need. The program offered activities two days per week giving student athletes with canceled seasons a workout, drills, skills training, mentorship, coaching and friendship. With a goal of providing a safe space for athletes to get the support they needed, the Philly Bridge Project was formed through collaboration with small non-profits to create substantive changes in the most needed areas. The program provided aid for food insecurity, clothing and shelter, college preparation, career development and health and wellness. The final phase launched a Holiday Touchdowns for Meals program with The Athlete Corner and Feed America to provide 100,000 meals in Philadelphia over the holidays. Ertz also donated \$100,000 to the Philadelphia food bank to help those in need. Eagles teammate Jason Kelce also contributed \$25,000 to the cause.

Earlier that offseason, the foundation hosted the Paint with the Pros event, a virtual painting session led by former Eagles All-Pro Tra Thomas. Participants took part virtually, using pre-purchased painting canvases and supplies provided by the foundation.

The foundation's Par-Tee Golf Tournament and Reception was held in July of 2019. The event raised more than \$400,000 for sports, education, and family enrichment programs. As a part of the "Fund-a-need" campaign, the Ertz's matched every donation made to help total over \$400,000 in proceeds that supported their charity partner, College Is Real. The mission of College is Real is to help students become the first in their families to attend and graduate from college and provides grants to select Philadelphia-area charities offering educational services.

In 2018, the foundation hosted the City of Love Event and Auction Fundraiser. The fundraiser launched the Ertz Family Foundation's City of Love Fund, a grant-making program intended to support local Philadelphia and surrounding area charities that serve youth sports, education and family.

The Ertz Family Foundation officially launched in Pleasanton, CA in July of 2018. The inaugural event was a dinner and silent auction with nearly 200 guests which included family, teammates, and friends from around the sports world.

## CARDINALS IN THE COMMUNITY

Cardinals linebacker **Dennis Gardeck** is a special teams standout, earning Pro Bowl alternate honors in 2019 and serving as a team captain each of the last two seasons. However, his success on the field with the Cardinals is matched – if not exceeded – by his impact in the local community.

Signed by the Cardinals as a rookie free agent in 2018, Gardeck’s improbable path to the NFL landed him in Arizona and he has supported the community with the same passion he brings to the field. He has rarely missed an opportunity to participate in school trips, kids camps and hospital visits.

This past April, Gardeck participated in the team’s third annual Girls Football Camp held at State Farm Stadium. The camp presented the opportunity for 125 girls aged 6-12 to learn the basics of flag football in a fun and exciting environment. Gardeck, alongside Big Red, Cardinals Cheerleaders and alumni players, led the camp and oversaw football drills.

In March, Gardeck participated in the Gila River Indian Community Mul Chu Tha Tribal Fair and Rodeo, a fair founded in 1962 to have a shared conversation about the community’s youth. Gardeck walked the parade and tossed candy and gifts to fans. The same month, he spent time at the Tempe Adaptive Adventure Day, a program offered to youth and adults with Intellectual and Developmental Disabilities. Twice in 2023, Gardeck joined teammates and alumni on visits to Luke Air Force Base to greet and serve dinner to base personnel as they came off the flight lines.

Last November, Gardeck participated in a Cardinals Youth Training Camp for children with disabilities. He taught football skills in a non-contact environment while reinforcing the importance of education and physical activity. As part of his longstanding support of military personnel, last season Gardeck traveled to Luke Air Force Base in support of the 56th Fighter Wing. During the visit, he flew in a high-performance fighter jet, took a tour of base operations and met with members of the military serving on-base. For the second season, he participated in the NFL’s My Cause My Cleats campaign representing Homeward Bound, an organization fighting against youth homelessness.

In November of 2022, Gardeck joined teammate Kelvin Beachum in a Thanksgiving event to donate and distribute food to the United Food Banks of Arizona. That same month, Gardeck participated in Zoom celebrations with Phoenix Children’s Hospital patients who had November birthdays, the third straight year he took part in that program. During training camp, Gardeck also participated in a zoom meeting with NFL Flag Football participants to share his advice and experience as a professional athlete.

In October of 2022, Gardeck joined Cardinals Cheerleaders at Schnepf Elementary School to discuss leadership traits with elementary students in the “Leader in Me” event, a program derived from Stephen Covey’s “The 7 Habits of Highly Effective People” book. He spoke with the students about his journey to the NFL, the challenges he has overcome and discussed how to set goals and put in the work to achieve them.

In the 2022 offseason, Gardeck ran the Cardinals station at the Guardian Games, an event held in conjunction with Special Olympics of Arizona. The concept of the games is to develop a closer relationship between the Special Olympics, law enforcement and Arizona business in a fun format. In recognition of Women’s History Month in March in 2022, Gardeck and the Cardinals highlighted local women-owned business through their community spotlight program and provided lunch to each business.

During the 2021 offseason, Gardeck hosted a book club in Arizona with students from the Fowler and Madison school districts. As part of the book club, Gardeck conducted Zoom events to discuss the various books with the students. In March of 2021, Gardeck participated in the virtual “Read Across America Campaign” with Arizona schools. The presentation involved nearly 750,000 students between the ages of 4-11 in more than 1,800 Arizona elementary schools. Gardeck joined teammates to read books by beloved children’s author Dr. Seuss. The annual nationwide campaign, aimed at promoting literacy among children, coincided with what would have been Dr. Seuss’ 117th birthday.

In January of 2021, Gardeck participated in a drive-by birthday party held for patients at Phoenix Children’s Hospital. That November, he hosted a virtual birthday party for patients at PCH and provided Cardinals gear for the participants.

In December of 2018 and 2019, Gardeck delivered stuffed toy dogs to children in the pediatric units throughout Phoenix Children’s Hospital as part of the team’s annual “Paw Express” event to help spread holiday cheer. He has also participated in team’s “Feed the Hungry” program at the Phoenix Rescue Mission, joining team owner Michael Bidwill and Cardinals teammates to serve Thanksgiving dinner to the less fortunate.

During the 2019 offseason, he took part in “Operation Sleep,” a military appreciation event hosted by Cardinals Charities and Brooklyn Bedding at MANA (Marines, Army, Navy and Air Force) House in Phoenix. He and team representatives delivered 76 beds to the residents of MANA House, a peer-support organization that helps rebuild the lives of military veterans affected by homelessness.

He joined teammates and Cardinals Cheerleaders to host and honor eight active servicewomen with a day of relaxation and dinner provided by Ocean 44 as part of the USO Salute to Service Dinner in December of 2019. Later that month, Gardeck and teammates joined Cardinals Cheerleaders and team mascot Big Red for the Pro vs. GI Joe program at the team’s facility. In conjunction with the Joint Forces Initiative, the program had players and military personnel, home and abroad, playing video games and communicating through a webcam on Xbox Live.

Gardeck joined Nicole Bidwill, Big Red, Cardinals Cheerleaders and teammates in December of 2018 for the team’s annual “Light the

House” party hosted by the Cardinals Women’s Club to help spread holiday cheer at the Ronald McDonald House. In November of 2019, he returned to the Ronald McDonald House with Big Red and Cardinals Cheerleaders for a “Feed the Families” event hosted by the Cardinals Women’s Club.

He joined several teammates to show off their culinary skills during “A Night Out with the Arizona Cardinals” at Sakana Sushi & Grill in Phoenix, an event to honor cancer survivors. As part of the NFL’s “My Cause, My Cleats” campaign, Gardeck’s customized cleats supported the American Cancer Society for two seasons (2018-19) and Phoenix Children’s Hospital in 2020. ADD 2021 and 2022.

He has been a regular participant in the team’s “Milk and Cookies” program, visiting elementary schools throughout the Valley to promote literacy by reading to children. He also takes part in team kids camps, helping to promote the NFL’s “Play 60” campaign to encourage kids get at least 60 minutes of exercise every day.

## CARDINALS IN THE COMMUNITY

Cornerback **Antonio Hamilton** is in his third season with the Cardinals in 2023. An active participant in community activities throughout his career, a fateful event in August of 2022 spurred his efforts into a new direction.

On track to start last season, Hamilton was severely injured in a freak accident while cooking at home with his family, sustaining second-degree burns on both of his legs and feet. While recovering from his injuries, Hamilton missed the first five games of the '22 season. Upon his return to the field, he made it a point to bring attention to burn victims and their stories.

In October of 2022, after being activated from the non-football injury list, Hamilton along with four Cardinals teammates visited the place where he was treated, Arizona Burn Center - Valleywise Health, to interact and offer encouragement to children in recovery from severe burn injuries. During the 2022 *My Cause, My Cleats* initiative, Hamilton chose to support Valleywise Health with his customized cleats.

Hamilton has also been active in numerous other community events during his time in Arizona. As part of the Good Neighbor Field program, the Cardinals and State Farm partnered in November of 2022 to provide new weight rooms for Marco de Niza High School

# PLAYERS

and Mountain Pointe High School through a \$100,000 grant. Hamilton joined team mascot Big Red, players from the Marcos De Niza football team and State Farm volunteers to host 150 elementary students for a kids camp at the school.

During last year's Christmas holiday season, Hamilton was a part of the team's annual "Shop with a Jock" event. Alongside teammates Kelvin Beachum, Dennis Gardeck, Colt McCoy, and Will Hernandez, the group shopped with underprivileged youth from the South Phoenix area.

Hamilton's focus on helping in the community dates back to his rookie season in 2016 when he founded the A.L.I.T.E. (At Least I Try Everyday) Foundation. The primary focus of the non-profit is to serve the youth in small, underprivileged communities. Alongside his wife, Tiara, they host an annual free youth football and cheer camp called Camp Hamilton in his hometown of Johnson, S.C. The foundation also funds scholarships annually to kids from his alma mater, Strom Thurmond High School, who are applying to a college, university or trade school.

## CARDINALS IN THE COMMUNITY

Following a year in 2020 in which he signed a contract extension and had a career-best season, Cardinals Pro Bowl tackle **D.J. Humphries** decided to honor his grandmother, Elizabeth Ann Means, by creating a foundation in her name in January of 2021. Known fondly as “Pee Wee,” Humphries established “Pee Wee’s House Foundation” in her name to help honor the woman who raised him.

The mission of the foundation is to invest and revive the next generation of youth living in Humphries hometown of Union, SC. The foundation focuses on the importance of holistic nutrition, helping kids choose the best possible career path and teaching financial literacy and money management. The key words to describe the purpose of the foundation are Educate, Empower and Evolve.

Humphries and the foundation have held multiple events in Union to help promote their fresh food initiative by delivering boxes of fresh produce to families throughout the community in need. In July of 2022, “Pee Wee’s House” held an event to provide meals for families during the Fourth of July Holiday weekend.

This past July, the foundation hosted a Back to School Carnival that featured a backpack and supply distribution to local students in Union. The free event also included activities like bounce houses, face painting, balloon animals and a rock climbing wall.

His community outreach also includes being active in Arizona where Humphries continued his fight against hunger in May of 2022 and partnered with teammate Kelvin Beachum to donate 200,000 meals to the United Food Bank in Mesa. Along with Safeway/Albertsons and Cardinals teammates, the group packed meals for families in need.

## CARDINALS IN THE COMMUNITY

Tackle **Paris Johnson Jr.** was the Cardinals first-round pick (6th overall) in the 2023 NFL Draft. Despite being a rookie, Johnson has been active in serving his community for many years.

As a sophomore in high school in 2017, Johnson along with his mother, Monica, created his foundation - The Paris Johnson Jr. Foundation - with a focus on empowering and serving disabled veterans and disadvantaged student athletes with dignity and respect. The foundation works to ensure that disabled veterans, student athlete and their families can obtain helpful resources to benefit them.

Johnson has wasted no time in giving back since being drafted by the Cardinals in April. In June he teamed with Wilson and the NFL to donate footballs, bags and apparel to two Cincinnati area high schools, including his alma mater Princeton High. In July Johnson partnered with Swire Coca-Cola for a Summer Water Drive to benefit UMOM, a provider of shelter, housing and services for people experiencing homelessness.

Johnson's foundation was selected as the recipient of the 2022 Armed Forces Merit Award presented by the Football Writers Association of America for the assistance it provided to veterans. The award is presented annual to an individual or group within the realm of college football that has a military background or makes an impact on the military community. Johnson and his foundation helped raise money for the Cincinnati VA Hospital and also spent time touring and visiting with vets.

In addition to assisting veterans, Johnson's foundation also focuses on helping underserved youth in his hometown of Cincinnati, OH. The foundation's initiatives include:

- Annual Holiday Toy Drive
- Feed the Need Town Hall
- Providing Thanksgiving Meals
- Winter Coat Drive
- Football Camps

## CARDINALS IN THE COMMUNITY

Cardinals defensive tackle **Rashard Lawrence** is in his fourth season with the Cardinals in 2023. An active member of the community since coming to Arizona, the main focus of Lawrence's charitable efforts is his fight against childhood cancer. Lawrence's nephew, Zach, battled cancer during his time at LSU and inspired him to use his platform to raise money and bring awareness to the disease.

To kick off Childhood Cancer Awareness Month in September of 2022, Lawrence and his wife, Courtney, treated a family from the Arizona Cancer Foundation for Children to a night at Top Golf. Joined by team mascot Big Red and Cardinals Cheerleaders, they hosted six-year old Nathan and his family to a night of fun activities.

In December of 2022, during the NFL's *My Cause My Cleats* initiative, Lawrence chose to support an organization that has directly impacted the lives of his family, St. Jude's Children's Research Hospital. Lawrence's nephew was treated at St. Jude's during his battle and ultimate recovery from cancer and has committed to support St. Jude's mission to lead the charge to change the way the world understands, treats and defeats childhood cancer and other life-threatening diseases.

## CARDINALS UNVEIL NEW UNIFORMS FOR 2023

In April, the Cardinals unveiled new uniforms that the team will wear starting with this week’s preseason opener vs. the Denver Broncos.

The new uniforms were designed in collaboration with Nike in a process that spanned over three years. It began in late 2019 before being interrupted by COVID-19 a short time later and then re-starting. The end result is a product that is world-class in terms of both performance and aesthetics.

The Nike Vapor Field Utility Special Edition (F.U.S.E.) uniforms combine leading edge fabric technology with a precision fit. The stretch woven body fabric of Nike Vapor F.U.S.E. is made with at least 85% recycled nylon. Lightweight with superior breathability and mobility, it is also the first football uniform to meet Nike Dri-FIT standards for thermal regulation and airflow.

In terms of appearance, the sleek, new Cardinals uniforms feature three different styles:

**HOME:** The team’s home uniform consists of red jerseys with matching red pants. The jersey features white, perforated twill numbers accented by silver, kiss cut framis material. Sewn-in twill lettering spells out the “Arizona” wordmark that spans the front and a white thermoplastic polyurethane (TPU) Cardinals birdhead adorns the upper back. Embroidered in white lettering on the inside back of the red jersey’s neckline is the phrase “Protect the Nest.”

**AWAY:** When on the road, the Cardinals will sport a super-clean, all-white look from head to toe. Red perforated twill numerals outlined in black kiss cut twill pop from the white jersey. In an homage to past Cardinals uniforms, its sleeves feature a pair of red framis stripes surrounding a single silver one with the Cardinals wordmark printed on it. The upper back of the jersey features a three-color TPU Cardinals birdhead while the inner back neckline is embroidered with “Bird Gang” in red. The uniform’s all-white pants are interrupted only by red and silver framis stripes down each side that mimic the stripes on the jersey’s sleeves.

**ALTERNATE BLACK:** Also unveiled were the team’s alternate uniforms that closely resemble the design of the road ones except that they are black from head to toe rather than white. Like the white road uniform, the alternate black one also features red perforated twill numerals - though outlined in silver kiss cut framis material – and its sleeves are also adorned with the same red and silver stripes and Cardinals wordmark. Similarly the black pants feature red and silver framis stripes down each side, identical to the white ones.

**HELMET:** Capping off the new look for the Cardinals is a re-designed helmet. Its white shell gets a subtle silver sparkle from Large Texas Flakes. This complements a new silver facemask that replaces the previous gray one. The helmets front and rear “bumpers” feature rubberized, 3-D Cardinals wordmarks in red. The Cardinals logo on each side of the helmet is now larger and updated with digital shading and a metallic sheen. The white helmet accompanies the home and road uniforms while a black helmet is paired with the alternate black uniform.

**CARDINALS IN THE COMMUNITY**

The Cardinals most active player in the community as a rookie in 2022, linebacker **Jesse Luketa** is in his second season with Arizona in 2023. Luketa participated in nearly every event the Cardinals hosted during the 2022 season and the 2023 offseason.

One of the first community events Luketa participated in last year was a Paint N' Sip night to celebrate the Cardinals 14th annual Crucial Catch initiative in October of 2022. He joined teammates that included J.J. Watt and Zaven Collins to host a group of 20 cancer survivors in partnership with the American Cancer Society. Throughout the season, Luketa was a regular participant in team kids camps, teach kids football skills while reinforcing the importance of education and physical safety.

During the NFL's *My Cause My Cleats* initiative, Luketa chose to represent a cause close to his heart, the SEBAS Foundation. Their mission is to assist with the challenges refugees/displaced persons may face after having to leave their home countries due to various reasons. Luketa's mother immigrated to Ontario, Canada from the Democratic Republic of Congo in 1980, and his support of the SEBAS Foundation is a result of his firsthand experience with the difficulties his family, and many others, face when moving to another country.

To help celebrate Black History Month, Luketa and members of the Cardinals Cheerleaders hosted students from BASE Arizona (Black Alliance & Social Empowerment) at Harkins Theatre for Black History Month Movie Night. BASE is an organization that strives to close opportunity gaps in the black community by building alliances and promoting education through the creation of sustainable solutions. Luketa and the Cardinals representatives led a presentation emphasizing the importance of Black representation and highlighted the Black history within the Cardinals organization. The students were then treated to a viewing of *Ant Man and the Wasp: Quantumania*.

In May of 2023, Luketa took part in a special Equine Therapy event at Hunkapi Horse Farms for 27 families affected by ALS (amyotrophic lateral sclerosis) and was joined by Nicole Bidwill and various teammates. Assisted by riding instructors and the horses, players and participants learned about the art of horseback riding to help with overall health and well-being goals, and with sensory motors skills for coordination, posture and balance.

## CARDINALS IN THE COMMUNITY

Not one to seek recognition for his work in the community, Cardinals Pro Bowl quarterback **Kyler Murray** has given back and supported those in need both in Arizona and in his home state of Texas during his career in the NFL.

In the final days before starting training camp in 2023, Murray surprised a group of four kids from A Permanent Voice with a back-to-school shopping spree at Dick's Sporting Goods. Founded in 2018, the organization is dedicated to giving underserved youth an opportunity to find their voice. The children Murray surprised were all being raised by their grandparents.

Particularly important to Murray is making special connections with some of his younger fans. During the 2020 season, he developed a friendship with 12-year old Hector Nahle. Nahle, a youth quarterback from Mexico, was in the middle of being treated for cancer when the pair connected over Instagram. Murray sent him a special message over social media which started their relationship. The two stayed in touch over the past three years and when the Cardinals traveled to Mexico City to play the 49ers in 2022, Murray flew Hector as well as his father, mother and sister to the game and got them tickets and field passes.

Although he has lived in Arizona since being drafted by the Cardinals in 2019, Murray remains close to his hometown of Allen, TX. That was evident this past offseason after the tragic mass shooting in Allen. He donated \$15,000 to one of the young survivors who lost his family in the shooting while also giving \$10,000 to the general fund of the victims.

In February of 2021, Murray donated 60,000 meals to the North Texas Food Bank after that region's devastating winter storm that caused widespread power outages that resulted in residents not having heat or running water.

In the 2022 offseason, Murray took part in a community event and a \$10,000 check presentation to the Arizona Educational Foundation on behalf of Kretschmar, Albertsons and Safeway while also visiting the Boys & Girls Clubs of the Valley for a kids skill camp and another \$10,000 check presentation. The money for the Boys & Girls Clubs of the Valley is helping that organization provide a safe, positive, and fun environment for kids during their time away from school.

# PLAYERS

Murray also served as an active participant during the COVID-19 pandemic of 2020. With schools closing due to the outbreak, he pledged \$25,000 to GENYOUth's COVID-19 Emergency School Nutrition Fund in April of 2020. He also participated in the NFL's Draft-a-Thon along with country music star Blake Shelton and NFL Network host Rich Eisen to raise money for the fund. His generous contributions helped combat hunger by feeding children who depend on school meals, which were able to continue for thousands of students during the pandemic.

In January of 2020, Murray participated in the Twitch Rivals Streamer Bowl along with other NFL players. He finished second in the event and was awarded \$80,000 for the charity of his choice – the Colon Cancer Coalition. Murray also joined Chase Edmonds and Christian Kirk for Twitch Stream Aid 2020 to raise money for charity and support COVID-19 relief efforts in March of 2021.

## CARDINALS HOST ADAPTIVE KIDS CAMP FOR GROUP FROM MIKEY'S LEAGUE

In June, a group of Cardinals players and Cheerleaders hosted an adaptive camp for 40 kids and young adults from Mikey's League in the team's practice bubble at the Dignity Health Arizona Cardinals Training Center.

Cardinals linebackers Dennis Gardeck and Jesse Luketa, safety JuJu Hughes, cornerback Christian Matthew and offensive lineman Hayden Howerton along with the entire rookie class (draft picks and free agents) will teach the group fundamentals of flag football.

The athletes will learn how to create their own trick plays to participate in a scrimmage and tug-of-war before concluding the camp with a player recognition period.

Mikey's League was founded with a powerful objective: to challenge the limits placed on children with disabilities and allow them to inspire and teach us. Mikey's League believes in the power of sport, and its moments of triumph, to unify, heal, and provide the confidence needed to be successful in life, regardless of challenges.
