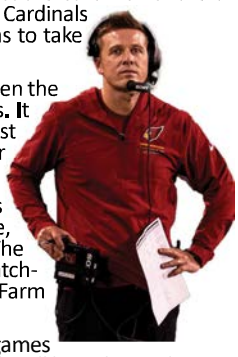
THIS WEEK'S PREVIEW

After kicking off the NFL season with a matchup against the Carolina Panthers in the Hall of Fame Game in Canton, OH last week the Cardinals continue preseason play when they travel to Las Vegas to take on the Raiders.



This will be the 19th all-time preseason matchup between the Cardinals and Raiders, and the second in two seasons. It will be Arizona's first preseason visit to Las Vegas and just the second road game against the Raiders (2022 regular season) since they moved to Las Vegas in 2020.

The preseason series between the Cards and Raiders dates back to 1976, in a game that was played in Tempe, AZ while the Cardinals were still based in St. Louis. The Cardinals have won seven of the last 10 preseason match-ups against the Raiders, including a 20-10 win at State Farm Stadium in 2025.

Thursday's preseason matchup marks the first of two games between Arizona and Las Vegas in 2026, as the Cardinals will host the Raiders at State Farm Stadium in Week 17.

This week's preseason game against the Raiders will see Cardinals head coach **Mike LaFleur** go up against another 1st-year head coach in Vegas' Klint Kubiak. Both LaFleur and Kubiak were hired by their respective teams this offseason after serving as offensive coordinators in the NFC West in 2025: LaFleur with the Rams and Kubiak with the Seahawks. After making his head coaching debut last week in the Hall of Fame Game, LaFleur will face Kubiak in his Raiders debut on Thursday.

Kicking off a weekend that saw former WR **Larry Fitzgerald** enshrined into the Hall of Fame, the Cardinals opened the preseason with an action-filled match-up vs. Carolina in the Hall of Fame Game.

Arizona dropped a 33-30 decision to the Panthers in a back-and-forth contest that featured seven lead changes and was decided on a Carolina TD on the final play of the game. It was the first time in the history of the Hall of Fame Game that both teams scored 30+ points.

Following this week's meeting with the Raiders the Cardinals return home to take on the Dallas Cowboys in Arizona's lone preseason game at State Farm Stadium this season. Like with the Raiders, the Cardinals will also face Dallas again during the regular season (Week 8).

FITZGERALD ENTERS THE HALL AND WILL BE HONORED BY CARDINALS IN 2026

FITZGERALD TAKES HIS PLACE IN THE PRO FOOTBALL HALL OF FAME

Last Saturday (8/8), WR **Larry Fitzgerald** ***joined LB Luke Kuechly, QB Drew Brees, RB Roger Craig and K Adam Vinatieri in entering the Pro Football Hall of Fame at the induction ceremony that took place at Tom Benson Stadium in Canton, OH.***

Fitzgerald and the rest of the 2026 class were celebrated at Thursday's Hall of Fame Game betwen the Cardinals and Panthers, on Friday at the Gold Jacket Dinner and during Saturday's induction ceremony.

FITZGERALD'S HALL OF FAME INDUCTION SPEECH - CLOSING REMARKS

Fitzgerald's closing remarks in his Hall of Fame induction speech, addressing his sons: Devin, Apollo and Milos.

"If you were paying attention, you heard some fundamental themes in this speech. One, it's not hard to find people who will tell you what you want to hear. Make a conscious effort to surround yourself with people who will tell you what you 'need' to hear. The hard things. The uncomfortable things. Believe me, the people in that second group care about you far more than those in the first."

"Two, life is short. Time is precious. And not one of us knows how much we have. So many of the people I mentioned today are no longer with us. Some gone much too soon. Make your time count. Fill every 24 hours with the passions and pursuits that mean the most to you."

"And lastly, there's not much traffic on the extra mile in life, so be sure to bring others along with you."

Fitzgerald became the 16th individual who spent a significant portion of his NFL career as a member of the Cardinals organization inducted into the Pro Football Hall of Fame.

LAFLEUR TAKES OVER IN ARIZONA

On Sunday, February 1, the Cardinals announced **Mike LaFleur** as the team's new head coach.

The 39-year old LaFleur joins the Cardinals after spending the past three seasons (2023-25) as the offensive coordinator for the L.A. Rams.

In 2025, the Rams offense led the NFL in points per game (30.5), total net yards per game (394.6), passing yards per game (268.1), first downs per game (23.3), offensive TDs (63), passing TDs (46) and total points (518) on their way to an appearance in the NFC Championship game.

LaFleur's older brother, Matt, is the head coach of the Green Bay Packers making the pair just the fourth set of brothers ever to serve as NFL head coaches joining Jim and John Harbaugh, Jon and Jay Gruden and Al and Ted Nesser.

A Mount Pleasant, MI native, LaFleur joins the Cardinals with 12 years of NFL coaching experience, including five years as an offensive coordinator.

Highlights from LaFleur's tenure with the Rams:

• During LaFleur's three seasons with the Rams, they won 32 games, made three playoff appearances and earned one NFC West title. Last season they advanced to the NFC Championship Game.

• QB Matthew Stafford led the NFL in passing yards (4,707) and passing TDs (46), establishing career-highs in TD passes and passer rating (109.2). RB Kyren Williams ran for 1,252 yards and fellow RB Blake Corum added 746 rushing yards. That total is the fourth-most by a Rams teammate duo in franchise history.

• Stafford excelled under LaFleur the past three seasons, ranking 2nd in passing yards (12,434), 3rd in passing TDs (90) and 4th in completions (1,054) during that span. After leading the league in passing yards (4,707) and TD passes (46) in 2025, Stafford took home NFL MVP honors for the first time in his career.

• In 2025, the Rams offense set a franchise single-season record for TD passes (46), tied for the fewest sacks allowed (23) in the league and ranked 7th in the NFL in rushing (126.6 ypg).

• Under LaFleur's guidance in 2024, the Rams offense finished 10th in passing yards per game (227.5) and 15th in offensive yards per game (331.4) and first downs per game (20.1). The Rams also finished in the top-15 in scrimmage yards (5,861) and tied for the 7th-highest fourth-down conversion percentage (66.7%).

• During his first season in Los Angeles in 2023, the Rams finished the season ranked 7th in yards per game (359.3) and yards per play (5.6), 11th in rushing yards per game (120.3), 12th in rushing average (4.3), 10th in passing yards per game (239.0), and 8th in first downs per game (20.6), third down conversion rate (42%), and points scored per game (23.7). HACKETT LEADS THE OFFENSE

Nathaniel Hackett is in his 1st season as offensive coordinator in Arizona**.** He joined the Cardinals with 17 years of NFL coaching experience, including 10 years as an offensive coordinator with the N.Y. Jets (2023-24), Green Bay Packers (2019-21), Jacksonville Jaguars (2016-18) and Buffalo Bills (2013-14) and one season as the head coach of the Denver Broncos (2022).

• Since 2017, Hackett has been a part of five postseason runs, including three conference championship games (JAX – 2018 & GB 2020-21). During that span, Hackett's teams won 68 of 100 games (.680).

• During his time as an offensive coordinator, has led three top-10 offenses. He helped lead two top five scoring offenses during that time, including Jacksonville in 2017 (5th - 26.1 ppg) and Green Bay in 2020 (1st - 31.8 ppg).

• Had a three-year run (2019-21) in Green Bay when he helped QB Aaron Rodgers earn three consecutive Pro Bowls and back-to-back NFL MVP awards (2020-21). Rodgers had three straight 4,000-yard seasons and twice led the league in passer rating during that span (2020-21).

• Under Hackett, WR Davante Adams ranked second in the NFL in receptions (321), receiving yards (3,924) and receiving TDs (34) while posting two of the top-three single-season reception marks in franchise history (123 in 2021; 115 in 2020).

• Cardinals S Budda Baker was selected to the Pro Bowl as a starter at safety each of the last three seasons (2023-25). It was Baker's 8th Pro Bowl selection following the 2025 season and his 7th consecutive selection as a starter. Baker leads all NFL DBs with 371 tackles over the last three seasons and has posted 100+ tackles each of the last two years (2024-25).

• Under Rallis in 2025, free agent LB Josh Sweat was named a Pro Bowl alternate after starting all 17 games and finishing with 30 tackles, 12.0 sacks, 17 QB hits, 13 tackles for loss, four forced fumbles, a fumble recovery and three passes defensed. His 12.0 sacks and four forced fumbles are both career highs and his four forced fumbles also tied for the most in the NFL.

• The two CBs drafted by AZ in 2025 - Will Johnson and Denzel Burke - were among the standouts for the defense last season. The duo combined for 29 games played (18 starts) with 84 tackles, 4 tackles for loss, 3 INTs, 21 passes defensed and a forced fumble. Johnson joined Tampa Bay's Jacob Parrish as the two CBs selected for the PFWA's All-Rookie Team. Burke and Johnson both finished among the five rookie defenders with 10+ passes defensed in 2025.

Prior to joining the Giants, Ghobrial spent three seasons (2021-23) with the N.Y. Jets as assistant special teams coordinator.

ROOKIE FREE AGENTS HAVE A HISTORY IN ARIZONA

If history is any guide, there is a good chance at least one of the seven rookie free agents on the current roster will make the Cardinals Week 1 roster.

Former Ohio State OL **Josh Fryar** made the Cardinals roster last season as a rookie free agent. ***It marked the 11th time in the last 14 years (2012-25), the Cardinals had at least one undrafted free agent make the Week 1 roster.***

A ROSTER RECHARGE AS THE INJURED RETURN

Arizona's roster was decimated by injuries in 2025. Those setbacks also provide a major reason for optimism heading into the 2026 season, as the team will see numerous key contributors return.

Among the players who missed all or a significant portion of last season that are expected to return for 2026 are:

- RBs **James Conner** and **Trey Benson**
- WR **Marvin Harrison Jr.**
- OL **Paris Johnson Jr.**
- TE **Tip Reiman**
- DL **Walter Nolen**
- LB **Mack Wilson Sr.**
- CBs **Garrett Williams**, **Sean Murphy-Bunting** and **Starling Thomas V**

ARIZONA's INJURY-PLAGUED 2025 CAMPAIGN

In all, Arizona had 42 different players miss a combined 336 games due to injury in 2025. The Cardinals ended last season with an NFL-high 26 players on injured lists (IR/PUP/NFI). Arizona also had 81 different players appear in at least one game in 2025, tied for the most in the NFL.

- Arizona had just five players start all 17 games: 2 on offense (OL **Hjalte Froholdt** and TE **Trey McBride**) and 3 on defense (DLs **Calais Campbell** and **Dalvin Tomlinson** and LB **Josh Sweat**).
- ***The Cardinals had an NFL-high 38 players see action on offense last season. No other team had more than 35.***

He finished his high school career as a four-star prospect and was named the #1 game-changing CB and athlete in the state by the Arizona Republic. In 2024, he became the first Arizona native drafted by the Cardinals since CB Byron Murphy Jr. in 2019.

QB **Kedon Slovis** was born and raised in the state and attended Desert Mountain (Scottsdale) High School where he started his final two seasons (2017-18) and passed for more than 5,500 yards and 50 TDs with former Cardinals and Hall of Fame QB **Kurt Warner** serving as his offensive coordinator/QBs coach.

BILLINGS IS BUILT DIFFERENT

DL **Andrew Billings** is in his first season with the Cardinals after spending the past three years in Chicago (2023-25). He was originally drafted in the 4th round (122nd overall) of the 2016 NFL Draft by Cincinnati.

Billings grew up in Texas where he was not only a football phenom in the Lone Star state, but also one of the strongest men on the planet.

As an 18-year old, Billings competed in a powerlifting competition where he ultimately lifted 2,010 total pounds -- breaking former WWE Superstar and Olympian Mark Henry's state record. During the meet, he squatted 805 pounds, deadlifted 705 pounds, and bench pressed 500 pounds.

During his high school career, he took home two state powerlifting championships. ***Billings went on to attend Baylor University, where he earned the unofficial title of "Strongest Player in College Football."***

Since joining the professional ranks, Billings has been heavily involved with each community he has been a part of. For the past four years, he has hosted and sponsored an annual Powerlifting meet (Andrew Billings Invitational) in Waco, TX for both boys and girls powerlifting teams. The 2024 powerlifting meet hosted 21 schools and 250 powerlifters. Billings has hosted the event annually and donated $2,000 each year to fund the meet in addition to attending as a speaker to encourage and motivate the young powerlifters.

In April of 2026, the Waco Independent School District unveiled the Andrew Billings Weight Room at Waco High School, named in his honor. "It means a lot to me," Billings said of the honor. "Most importantly though for me in my pictures being up here, I just want somebody to look at it and say, 'I want that. I want to be on that wall. I want the next weight room to be named after me.' I think that means a lot to me when that happens -- a young kid comes here and sees what I've done and do even better."

ANOTHER MEMORABLE TRIP TO D.C. IN 2026

In June of 2026, the Cardinals joined forces with Desert Financial Credit Union and Gallagher as well as Arizona Governor **Katie Hobbs** and the Close Up Foundation for the fifth annual "Civics Matters Arizona" trip to our nation's capital.

Through this highly-successful year-round program, approximately 280 high school students from across the state participated in an all-expenses paid visit to Washington D.C. on the Cardinals team plane. The four-day, three-night trip took place from June 3-6.

The once-in-a-lifetime experience featured a red coat tour of the United States Capitol and private tour of the Supreme Court. The itinerary also included meetings with elected officials including Arizona Congressman **Juan Ciscomani** and United States Senator from Arizona **Mark Kelly** as well as issue deliberations and instructor-led visits to monuments, memorials, museums, and government institutions, providing students an opportunity to learn about civics in a way that is both educational and fun.

The "Civics Matters Arizona" program cultivates year-round civic education and responsible citizenship to empower young students to lead, serve, and shape the future of our state and our nation. By connecting learning to real experiences both locally and nationally, the initiative equips 6th-12th grade students with the tools, confidence, and sense of responsibility needed to be informed, active participants in their communities and contribute to a stronger democracy. Civics Matters Arizona engages students with their peers as well as their government and gives educators the tools and training to build positive dialogue in the classroom.

The students participating this year in Civics Matters Arizona represent 55 schools, 28 school districts, 19 cities, and 9 of the 15 counties across Arizona. The program engages a diverse group of high schools and organizations serving Title I communities, with 41 of the 55 participating schools classified as Title I institutions.

Ahead of the D.C. program, 9th-11th grade students were required to complete supplemental civic learning modules designed to help students connect civic knowledge to real-world decision-making, leadership, and community engagement. The lessons culminated in a contest in which students submitted a Leadership Challenge project demonstrating civic understanding, critical thinking, and leadership.

BREAKING GROUND ON NEW PERFORMANCE CENTER

In February of 2026, the Cardinals broke ground at the organization's new performance center and team headquarters located in North Phoenix at Paradise Ridge.

The targeted opening for the world-class facility is 2028.

"For us, this project is a generational, Arizona-first investment anchored by a world-class performance center and team headquarters," Cardinals Owner **Michael Bidwill** said at the groundbreaking. "At its core is a focus on helping our players reach their full potential and maximizing team performance. But it will also undoubtedly strengthen the state's economy and create an iconic new landmark in Phoenix."

The 217-acre property positioned west of Scottsdale Road and north of the Loop 101 was purchased at auction from the Arizona State Land Department for $136 million in September by an affiliate of the team. The new performance center and business operations will anchor the mixed-use development site, occupying 30 acres and over 250,000 square feet. The footprint of the team's current facility is 14 acres and 156,000 square feet.

The new facility will feature three natural-grass outdoor practice fields and a fieldhouse with a full-size turf field indoors. Additional elements of the new, world-class performance center will include a greatly expanded and modern locker room and state-of-the-art team spaces for athletic training, sports medicine and strength and conditioning in addition to updated dining areas, meeting rooms, a player lounge and more.

Work is ongoing at the site. The foundation build up for the Cardinals performance center and headquarters is complete and work has now moved towards building up the foundation for the three outdoor playing fields. In order to make room for the new facility, workers temporary removed 275 native species trees and cacti that will be preserved and replanted when construction is completed. Some trees that were temporarily moved are over 300 years old.

"It's incredibly exciting for Phoenix to welcome the Arizona Cardinals new headquarters and performance center," Mayor of Phoenix **Kate Gallego** said at the groundbreaking ceremony. "This is an important new chapter for both the Cardinals and the City of Phoenix as this campus will catalyze new economic opportunity, development and jobs for our city. I'm grateful for Michael Bidwill's vision and leadership, and his commitment to making this property one of the jewels of north Phoenix."

ELEVATING A FRANCHISE

Owner **Michael Bidwill** has been steering the Cardinals organization for nearly two decades. His leadership during that time has been instrumental in transforming the franchise both on and off the field.

Over the past few years, Bidwill has led a significant restructuring of both the football and business sides of the organization.

In the last three years alone, that transformation has seen the team open new business offices, break ground on the organization's new performance center and team headquarters and launch the Arizona Cardinals Foundation in addition to hiring more than 100 new staff members, many in senior leadership positions.

Highlights of Bidwill's tenure:

• On the whole, Bidwill's most substantial accomplishment in his time leading the Cardinals is the creation of State Farm Stadium. The world-class venue has not only been critical for the franchise but has also resulted in over $6 billion in economic impact for the state of Arizona.

• On February 12, 2023 State Farm Stadium hosted its third Super Bowl when 115.1 million viewers watched Super Bowl LVII. State Farm Stadium also hosted Super Bowls XLII (following 2007 season) and XLIX (following 2014 season).

• In addition to his role in helping Arizona land three Super Bowls, Michael was also instrumental in getting the 2015 Pro Bowl moved to State Farm Stadium; played a week before Super Bowl XLIX, the two events combined to deliver a record economic impact of $720 million to the region.

• In 2025, Bidwill oversaw the launch of the Arizona Cardinals Foundation, which replaced what was previously known as Cardinals Charities. The foundation is specifically focused on supporting Arizona's special needs community. In February of 2026, the foundation hosted the first-ever Cardinals Climb: Hike for Special Needs, a community fundraising event dedicated to supporting the special needs community. The event was a resounding success, raising over $2 million dollars for Arizona's special needs community and making it one of the top fundraisers in the NFL.

• Bidwill created a highly-successful community initiative in the Civics Matters Arizona trips, which send hundreds of high school kids from across the state aboard the Cardinals team plane on an educational trip to Washington D.C. The fifth-annual Civics Matters Arizona trip, in partnership with the Close Up Foundation and Arizona Governor Katie Hobbs, took place in June of 2026 and saw 280 students visit the nation's capital.

• Bidwill has also spearheaded the Cardinals efforts surrounding youth football. In 2026, the team launched the Junior Cardinals Flag Football League in Calgary, Alberta which made the Cardinals the first team to launch a junior flag football league in Canada. In 2024, Arizona became the first NFL team to produce and broadcast weekly girls flag football through the Arizona Cardinals Girls Flag Football Game of the Week, an initiative that enters its third season in 2026. In December of 2025, the team hosted the inaugural Arizona Cardinals High School Honors event at State Farm Stadium to recognize the 2025 season of Arizona high school football.

• Under Michael's direction in 2025, the organization launched Cardinals Premier Travel, a first-of-its-kind, elevated travel experience to give all fans the opportunity to see the team play on the road in unmatched comfort and convenience. In its debut last November, nearly 290 fans attended the inaugural trip to Dallas where they saw the team's Monday Night victory over the Cowboys. This preseason, Cardinals Premier Travel is providing an unprecedented experience as it takes fans on a three-day trip to watch the team play in the Hall of Fame game and to be in attendance for WR Larry Fitzgerald's enshrinement in the Pro Football Hall of Fame in Canton, OH.

• In January of 2018 Michael was one of five owners named to the NFL's Player-Owner Committee focused on social and racial justice initiatives. In December of 2014, Commissioner Roger Goodell tapped Bidwill to chair the league's Conduct Committee, which reviews the league's Personal Conduct Policy at least annually and recommends appropriate changes with advice from outside experts.

• Of the franchise's seven all-time postseason wins, five have come during Michael's tenure leading the organization. Arizona has played in 10 postseason contests over the last 17 seasons (2007-23), after having appeared in just seven total playoff games prior.

• Arizona has appeared in the NFC Championship Game twice since 2008 including a victory in the 2008 conference title game that led to the franchise's first-ever Super Bowl appearance (Super Bowl XLIII).

A BUSY OFFSEASON FOR OSSENFORT

Monti Ossenfort enters his fourth season with the Cardinals in 2026 after being hired as the team's General Manager in January of 2023.

A look at some of Ossenfort's career highlights:

• Arizona's 2026 free agency period was Ossenfort's busiest one yet with 15 new players signed. The group included Pro Bowl OL **Isaac Seumalo**, WR **Kendrick Bourne**, All-Pro KR **Devin Duvernay**, QB **Gardner Minshew** and S **Andrew Wingard** among others.

• In his first four drafts (2023-26) as the Cardinals GM, Ossenfort made 35 total selections and executed seven trades. Of the 35 players drafted – which includes 19 on defense and 16 on offense – 32 remain on the current roster.

• Over the span of just five months in 2024, Ossenfort signed four of the Cardinals core players to contract extensions: S **Budda Baker** (12/28), RB **James Conner** (11/30), OL **Hjalte Froholdt** (8/21) and LB **Zaven Collins** (8/3). In April of 2025, Ossenfort signed Pro Bowl TE **Trey McBride** to a four-year contract extension.

• Arizona's 2025 free agent class was highlighted by the signing of LB **Josh Sweat** and QB **Jacoby Brissett**. Sweat established a career high with 12.0 sacks, also tying for the NFL lead with four "strip-sacks." Brissett started 12 games and threw for 3,366 yards and 23 TDs, both the highest totals in franchise history in a player's first 12 starts with the team.

• Ossenfort's 2025 NFL Draft class featured six defensive players who combined for 83 games played, 2,650 defensive snaps, 841 special teams snaps, 197 tackles, 12 tackles for loss, 3 INTs, 29 passes defensed, 7 QB hits, 2 forced fumbles, 1 fumble recovery (returned for a TD), 3.5 sacks, 20 special teams tackles and a blocked PAT last season.

• The 2025 draft class was highlighted by CBs **Will Johnson** and **Denzel Burke**. The duo combined for 29 games played (18 starts) with 84 tackles, 4 tackles for loss, 3 INTs, 21 passes defensed and a forced fumble last season. Both finished among the five rookie defenders with 10+ passes defensed in 2025. Johnson joined Tampa Bay's Jacob Parrish as the two CBs selected for the PFWA's 2025 All-Rookie Team.

• Ossenfort's tenure in Arizona follows a highly successful three-year run in Tennessee. During that stretch, the Titans tied for fifth in the NFL in total wins (30), won a pair of AFC South titles and had two seasons of 11+ wins.

INAUGURAL "CARDINALS CLIMB" RAISES OVER $2 MILLION FOR ARIZONA SPECIAL NEEDS COMMUNITY

In February of 2026, the Arizona Cardinals Foundation hosted the first-ever ***Cardinals Climb: Hike for Special Needs***, a community fundraising event dedicated to supporting the special needs community. ***The event was a resounding success, raising over $2 millions dollars for Arizona's special needs community and over 3,500 individuals participating across nearly 200 teams.***

In May of 2026, it was announced that the 100 percent of the over $2 million raised will be distributed to 60 organizations across Arizona. Highlighting the list of recipients are the Foundation's four cornerstone beneficiaries: ***Barrow Neurological Foundation***, ***SARRC (Southwest Autism Research & Resource Center)***, ***Special Olympics Arizona*** and ***Treasure House***.

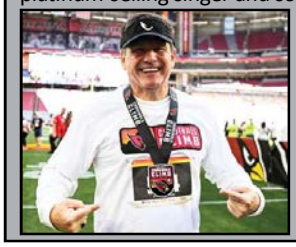
Also receiving funds are other organizations advancing new and innovative programs that support individuals of all ages living with Intellectual or Developmental Disabilities. The aim is to expand services, promote inclusion, and create equal opportunities, helping drive a lasting impact for individuals and families navigating life with special needs.

The second-annual Cardinals Climb: Hike for Special Needs will take place on Saturday, February 20, 2027.

"The inaugural year of Cardinals Climb was a tremendous success and we know it will continue growing in the years ahead," said Cardinals Owner **Michael Bidwill**. "The energy and joy at State Farm Stadium were truly palpable, but the most rewarding aspect is the opportunity to support so many organizations making a meaningful difference in the special needs community."

ABOUT CARDINALS CLIMB: At Cardinals Climb, State Farm Stadium was transformed into an immersive climbing and hiking experience, bringing together fans, families, corporate teams, and community groups to "climb" for a cause. Cardinals players that attended the inaugural climb included TE **Trey McBride**, WR **Michael Wilson**, TE **Elijah Higgins**, DL **Darius Robinson**, LB **Owen Pappoe**, QB **Kedon Slovis** and OL **Hayden Conner**. Cardinals Legends and Pro Football Hall of Fame Inductees QB **Kurt Warner** and WR **Larry Fitzgerald** also made appearances as did General Manager **Monti Ossenfort**.

For Cardinals Climb, State Farm Stadium was re-imagined as a trail-inspired adventure for participants of all ages and abilities. A variety of routes, ranging from accessible paths to more challenging climbs, allowed participants to experience the stadium in a completely new way. All trails finished at the 50-yard line of State Farm Stadium and there was a special Cardinals Climb After Party presented by Seatgeek that took place on the Great Lawn featured performances from platinum-selling singer and songwriter **Gavin DeGraw** and the Grammy-award winning band **Switchfoot**.



THE ARIZONA CARDINALS FOUNDATION

In July of 2025, the Cardinals announced the launch of the ***Arizona Cardinals Foundation***, marking a powerful new chapter in the team's legacy of charitable giving.

Replacing what fans and partners had previously known as Cardinals Charities, the Foundation is specifically focused on supporting Arizona's special needs community and serves as the central hub for all of the organization's charitable giving efforts.

"For decades, Cardinals Charities has made a meaningful difference across Arizona," said Cardinals Owner **Michael Bidwill**. "With the creation of the Arizona Cardinals Foundation, we're building on that legacy and taking our commitment to the next level. This focused approach allows us to deepen our impact and build relationships with organizations serving the special needs community, ensuring that our support can aid in their development of transformational programs that elevate the care and support available for individuals with special needs."

"An estimated 1 in 20 people in the U.S. lives with an IDD," said **Bob Hamer**, Executive Director of Arizona Cardinals Foundation. "As this community grows and ages, more support will be needed – and we aim to lead that effort. This mission is personal for so many people across our football operations, business front office, and fanbase and we're committed to making a lasting, sustainable impact for the IDD community throughout Arizona."

A centerpiece of the Foundation's launch was the announcement of four Cornerstone Beneficiaries, each of which received a three-year commitment from the Foundation to fund new and innovative programs that expand services, promote inclusion and create equal opportunities for those living with an IDD.

Those four partners are:

- ***SARRC (Southwest Autism Research & Resource Center)***
- ***Barrow Neurological Foundation***
- ***Special Olympics Arizona***
- ***Treasure House***

These partners were selected for their proven track records in the space and visionary ideas. Funding supports bold, innovative programs that bring long-term impact to individuals and families navigating life with special needs.

ARIZONA CARDINALS FOUNDATION
BENEFITING THOSE WITH SPECIAL NEEDS

In addition to these Cornerstone Charitable partners, the Foundation will open its grant application process this fall for other nonprofits in the special needs community. In order to be considered for funding, interested organizations are encouraged to complete the form at *www.AZCardinals.com/foundation*.

The Cardinals have two founding partners - ***Dignity Health*** and ***Desert Financial Credit Union*** - supporting the Arizona Cardinals Foundation and its mission. Their longstanding dedication to the Arizona community and shared commitment to improving lives make them invaluable partners in the launch of the Foundation. Dignity Health's leadership in providing world-class healthcare, combined with Desert Financial Credit Union's deep-rooted focus on community empowerment and financial well-being, helps amplify the Foundation's ability to deliver meaningful, lasting impact within the special needs community.

Funds raised from the 50/50 raffle at all Cardinals home games in 2025 benefitted the Arizona Cardinals Foundation, giving fans a direct way to contribute and participate in these efforts.

COMPLETING A RARE FEAT VS. THE 49ERS

With their performance vs. San Francisco in Week 11, Wilson and McBride became just the second duo in franchise history to have 10+ receptions and 100+ receiving yards in a single game. They did so exactly 17 years to the day of the only other instance: WRs Anquan Boldin (13-186) and Larry Fitzgerald (10-151) vs. Seattle on 11/16/08.

PERFORMANCE FOR THE AGES VS. THE NINERS

He finished the Week 11 matchup with 15 receptions for 185 yards - nearly doubling his previous career high in both receptions and yards.
