

ARIZONA CARDINALS STADIUM WIFI

Free Stadium WiFi - Powered by Cox is available throughout State Farm Stadium for fans to use during Cardinals game days.

The Stadium WiFi - Powered by Cox has over 800 access points with the latest Cox Technology. The Stadium WiFi - Powered by Cox lets fans connect to the Internet for web surfing, social networking, checking e-mail, and thousands of their favorite apps, including the Arizona Cardinals App and the NFL mobile app.

HERE ARE SOME OF THE KEY POINTS OF THE SYSTEM:

- **The Stadium WiFi - Powered by Cox is designed to be shared by all fans and adjustments will be made as needed to ensure all fans have a great experience.**
- **The Stadium WiFi - Powered by Cox is designed to be family friendly, so certain web sites may not be available for access.**
- **The Stadium WiFi - Powered by Cox is designed to be safe for devices. However, no one can ensure that all web sites and apps are safe from malware and viruses. Use the system at your own discretion.**

FOLLOW THESE INSTRUCTIONS ON GAMEDAYS AT THE STADIUM TO CONNECT: (FIRST TIME USERS WILL BE REQUIRED TO REGISTER TO CONNECT)

- 1. TURN ON THE WI-FI ON YOUR WIRELESS DEVICE**
- 2. CONNECT TO **STADIUM WIFI - POWERED BY COX** (NO PASSWORD REQUIRED)**
- 3. ENJOY THE EXPERIENCE**

To enhance your gameday experience download the Cardinals Mobile App (azcardinals.com/app) and connect to Stadium WiFi - Powered by Cox for exclusive features like: Live Video Game Feeds and NFL Redzone.
