

SEASON TICKET TRANSFER REQUEST FORM

Arizona Cardinals season tickets are a valuable and highly sought-after commodity. To protect the interests of all season ticket members and ensure the integrity of our upgrade and relocation process, as well as the ability for both new and current ticket holders to obtain the best possible seats, seat transfers are prohibited in most cases. The name or company appearing on the top line of the account is recognized by the Cardinals as the season ticket holder of record. Ticket privileges are NOT transferable from one individual to another (except immediate family members), from one company to another, or between an individual and a company. Utilizing Account Manager, season ticket members can already allow access to their account to multiple persons should they desire to do so, eliminating the need for multiple accounts.

The Cardinals are the sole and final decision maker as to whether a requested transfer will be allowed. Transfers are reviewed individually and must meet ALL of the following criteria to be considered:

- The new account must have the same last name as the original account holder (or provide detailed description of the "immediate family member" relationship with explanation for different last name).
- The new account must have a different mailing address.
- The new account must have a different email address which corresponds to the new account.
- The new account must have a different phone number.
- All requests must be notarized.

If a transfer is approved, the seat and account seniority of the transferred seats will be set to the date of the establishment of the new account. All previously accrued seniority will be forfeited.

Current Name on Account _____

Cardinals Season Ticket Account Number _____

Current Phone Number _____

Seat Location(s) to be Transferred _____

New Name _____

New Address _____

New Email _____

New Phone Number _____

Immediate Family Relationship _____
