## ABOUT STATE FARM STADIUM

State Farm Stadium is a prime example of sophisticated engineering, technology, and design. Regarded as one of the finest venues in sports, it features both a retractable roof and retractable natural grass playing field, setting an industry standard for design excellence and providing the ultimate in fan comfort. The field allows flexibility to transform State Farm Stadium from a football-ready field to an unrestricted stadium floor in just over an hour at the push of a button.

Opened in 2006, the stadium was designed to host Super Bowls, blockbuster concerts, NCAA tournaments, and numerous other entertainment events and activities. The world-class venue attracts sellout crowds for the franchise while also serving as the site of two of the most-watched Super Bowls in history - Super Bowl XLII between the New York Giants and the New England Patriots and Super Bowl XLIX between the Patriots and Seattle Seahawks. In 2019, the stadium experienced its largest crowd to date when 77,653 fans attended the Garth Brooks concert. State Farm Stadium also plays host to the annual Fiesta Bowl and has hosted the BCS National Championship game twice.

In May of 2018, the league announced that the biggest event in American sports is returning to State Farm Stadium for the third time, as Arizona was selected to host Super Bowl LVII that will be played on February 12, 2023 to cap the upcoming 2022 season.

In July of 2018, the NCAA announced that the 2024 Men's Final Four will be held at State Farm Stadium.

**RENOVATING THE NEST:** By the time Arizona hosts Super Bowl LVII, over \$150 million in recent renovations will have occurred in and around State Farm Stadium.

"We want to make sure the building constantly feels fresh," team owner Michael Bidwill said of the fan experience. "This is what the game is about. It's about the fans." Among the upgrades at State Farm Stadium:

**STADIUM CLUB AREA RENOVATION (\$28 MILLION):** In 2017, the Cardinals revealed the first part of a two-phase expansion and renovation of the Club areas on the east and west sides of the stadium.

In addition to enhancing and expanding the pre-existing areas, the project included the creation of "Flight Lounge" which provides an intimate bar setting and features different brands of wine each week. Another major addition was the high-end "Bubble Lounge," a full-service bar that specializes in champagne and wine and features a ticketed pregame brunch experience through kickoff and an upscale a la carte menu beginning with the second quarter.

That phase also included the renovation of the bar areas on the Club level, going from six

beer taps to 16. The primary 50-Yard lounges now include large (12' x 60') videoboards to easily permit viewing of eight games at one time.

Completed in 2018, phase two entailed completely renovating the balance of the Club level. A highlight of phase two was "The Tail Feather," a new speakeasy style lounge and full-service bar that offers fans an electric, Art Deco atmosphere. Located on the northeast side of the stadium, "The Tail Feather rivals the "Bubble Lounge" on the west side.

The phase two renovation also included new bars and food service areas in all four corners, new flooring and lighting, additional TVs, a new sound system and all new furniture.

A specialty lounge area, the "Bird's Nest," also has a new bar and food buffet, extensive millwork finishes and new furniture. Finally, all restrooms were completely renovated with new flooring, ceilings, lighting, wall tile, and a stone vanity.

New Parking Lot, Pedestrian Tunnel & Bridge, Security Structures (\$28 million): The "Black Lot" which features 4,015 additional parking spaces, opened prior to the 2018 season. Located between 95th and 91st avenues along Cardinals Way, the lot has access to the stadium grounds via a pedestrian underpass and a pedestrian bridge.

The tailgating areas were also upgraded and permanent shaded structures were built for security checkpoints.

## **STADIUM LOFT RENOVATIONS (\$17 MILLION):**

In 2021, the Cardinals completed a two-year renovation of all 88 private lofts at State Farm Stadium. The improvements include enhanced cabinetry, flooring, furniture, appliances and finishes that complement the recently renovated Club spaces. The Loft level concourse was also improved with new flooring, restroom renovations, redesigned loft entryways and the addition of Arizona themed artwork sourced by local area artists.

**ARCHITECTURE:** World-renowned architect Peter Eisenman, in partnership with HOK Sport and Hunt Construction Group, created a state-of-the-art design that has already become a distinctive Arizona landmark. The stadium's exterior skin takes its design cue from the barrel cactus and features alternating sections of shimmering metal panels intended to reflect the shifting desert light alongside 21 magnificent vertical glass slots allowing fans a spectacular view of the horizon from any level of the interior.

**RETRACTABLE FIELD:** State Farm Stadium also features a unique rollout natural grass playing field, contained in a single tray weighing 18.9 million pounds (234 feet wide, 403 feet long). The first completely retractable field in the United States, it is positioned inside the stadium on game days to offer the preferred natural-grass playing surface for football and outside the stadium for the remaining days of the year to receive sunlight and watering. The field tray is powered by electric motors mounted on steel wheels riding on tracks embedded in the concrete floor and takes approximately 70 minutes to move completely. The flexibility of this unique design allows State Farm Stadium to serve as a true multipurpose venue featuring a 164,000 square-foot event floor for other events.

**RETRACTABLE ROOF:** Atop the stadium roof are two large retractable panels that open and close on an arc. The panels and much of the roof are made of a translucent fabric called Birdair that enables light to penetrate and gives the venue an open, airy feel. When closed it also allows for an air-conditioned environment during the hot months, but the roof can be opened during cooler times of the year to take advantage of Arizona's patented sunshine. The roof takes about 12 minutes to open or close.

**INFORMATION TECHNOLOGY:** All telecommunications services at State Farm Stadium for Internet, WiFi, voice, data, and video

broadcast distribution are provided by COX Business Services and are provided via redundant services to the Stadium. In addition, the Stadium WiFi System is 'Powered by COX'. State Farm Stadium has an IP infrastructure that supports telecommunications throughout the Stadium. All voice and data communication network infrastructure is built entirely on Cisco equipment.

In 2022 the Stadium Wi-Fi System Powered by COX was completely upgraded. The equipment running the network and the WiFi equipment on it was upgraded with 1,500 new Cisco APs and antennas were installed in existing and new locations throughout the stadium.

In 2022 the Stadium DAS system was upgraded with Crown Castle as the neutral host of the system. The upgrade added Verizon 5G service

both inside and in the parking lots, as well as T-Mobile 5G and AT&T 5G. These upgrades provide better coverage and capacity for fans in all areas of the stadium using Verizon, AT&T, T-Mobile/Sprint, including coverage for the event floor and events taking place there.

The Stadium provides up to 100Gb of Internet bandwidth, which can be adjusted as needed to support any technology requests that come to the stadium, and additional bandwidth can be requested in advance to increase the capacity as needed. The stadium supports a redundant telephone system supported on a SIP backbone.

**MULTI-PURPOSE:** Because of the truly unique multi-purpose nature of the facility, State Farm Stadium is able to host far more than just Cardinals home games. Since opening in August of 2006, the building has hosted a pair

In December of 2016, State Farm Stadium hosted its 11th Fiesta Bowl and for the first time ever the game served as one of two College Football Playoff Semi-Final contests. Ohio State and Clemson met on New Year's Eve for a chance to play in the BCS National Championship Game. In December of 2019, State Farm Stadium again served as the site of a BCS semi-final as the Buckeyes and Tigers held a Fiesta Bowl rematch.

State Farm Stadium hosted Arizona's largest international soccer match in history as Haiti and Mexico took the pitch for the 2019 Concacaf Gold Cup Semifinal.

During the COVID-19 outbreak, State Farm Stadium has served a number of important function as the site of numerous blood drives, PPE (Personal Protective Equipment) drives, testing drives and as one of the nation's first, and most successful, vaccination sites. Early in the pandemic, one area hit particularly hard by the COVID-19 crisis was the local blood donation community, where the supply reached critically low levels. The stadium's size and the event's operational set-up ensured adherence to the necessary physical and social distancing guidelines while still accommodating the greatest possible number of donors. In April of 2020, the Cardinals and Project C.U.R.E hosted a PPE drive at State Farm Stadium to help meet the pressing need within the local healthcare community. On two separate occasions in May, the Cardinals and Dignity Health participated in the state's drive-through COVID-19 testing blitz in Orange Lot at State Farm Stadium.

In 2021, State Farm Stadium was also host to one of the first, and most successful, vaccination sites in the nation. Between January and April, more than 800,000 COVID-19 vaccines were administered at State Farm Stadium, which accounted for nearly 20% of the total doses

administered in Arizona during that period. The site was so successful that President Joe Biden and Vice President Kamala Harris participated in a virtual tour on February 8 and the administration called the operation "an incredible model." Biden told Arizona Department of Health Services Director Dr. Cara Christ during the tour; "I got a call during the Super Bowl from the commissioner of football (Roger Goodell) offering us, the federal government, the 30 major stadiums. They're going to be coming to you to look at how you did it because you're doing such a great job."

In a given year, ASM Global (the building's operator) successfully books 225+ event days for gatherings large, small and in between. Among those events have been concerts featuring some of the world's most popular artists, including The Rolling Stones, U2, Garth Brooks, Guns N' Roses and Metallica.

**OTHER FEATURES:** In addition to its high-design architecture and innovative design, the stadium also sets new standards for stadium comfort. Its layout provides for excellent site lines, comfortable seats, abundant restrooms and concession stands, spacious end-zone viewing decks, and wide concourses with an open design allowing for an unobstructed view of the field from both the lower and upper concourses. It is also aligned along a slight northwest to southeast axis to offer the maximum sun exposure for the grass field and maximum shade for stadium patrons. State Farm Stadium includes 88 luxury lofts - know elsewhere as "suites" - that are unlike any others in the sports industry. Featuring a bold, modern interior design, loft amenities include preferred parking, an exclusive entrance, private restrooms, multiple televisions, and in-loft catering. In addition to the lofts, a luxurious Club Level features wider seats, preferred parking, private entrances, and a climate-controlled Club Lounge with multiple two-story spaces, comfortable lounge seating, plentiful TV monitors, upgraded food and beverage offerings and dedicated restrooms. State Farm Stadium is owned by the Arizona Sports and Tourism Authority.

## HERITAGE AT SPORTSMAN'S PARK

"Heritage at Sportsman's Park" opened during the 2021 football season and was a \$12M project as part of the \$150M in renovations that will have taken place between SB49 and SB57 and part of continued investment to make State Farm Stadium the most fan-friendly environment in the nation.

On game days, fans can purchase tickets for the "Cardinals Tailgate Party at Heritage Pavilion" and the venue is able to host additional events at Great Lawn on non-gamedays.

## SPORTSMAN'S PARK

The area that surrounds and encompasses State Farm Stadium is known as Sportsman's Park. The 160-acre footprint includes car-parks, grass areas and an abundance of trees and other landscape native to the area.

On-site parking accommodates 14,000 cars as part of an innovative site plan designed to create a truly unique tailgating experience for fans.

A tree-lined expanse of grass covering eight

acres, the Great Lawn extends west from 95th Avenue to the Loop 101. The lawn stretches over 1,000 feet and 4.61 acres total, which is designed for use by fans while tailgating at games or to use during other activities outside the stadium. Surrounding the Great Lawn is a 50-foot wide promenade. In addition to the uninterrupted expanse of grass, the Great Lawn includes areas for vendors and musicians.

## PAT TILLMAN MEMORIAL

The plaza surrounding State Farm Stadium is known as the Pat Tillman Freedom Plaza, in honor of the former Cardinals safety who was killed in action on April 22, 2004 while serving his country as a member of the elite Army Ranger unit.

Fans attending home games can visit the Pat Tillman Memorial located at the northwest side of the plaza. The memorial includes a large bronze sculpture of Tillman on the eastern side and a circular reflection pond on its western side.

The sculpture is approximately eight-feet tall, weighs over 500 pounds, and took nearly nine months to complete. After an extensive search, the Cardinals selected artists Omri Amrany and Gary Tillery to create the sculpture. The sculptors con-

sulted with the team and Pat's wife, Marie, who worked to select the image of Tillman that would best convey his character and spirit. Serving as a backdrop to the sculpture is a nine-foot tall curved wall made of concrete that measures 42 feet across, symbolic of Tillman's jersey number at Arizona State.

The brimming pool of water on the western side consists of a large 60-foot circular pond made of black concrete and stainless steel. Intended to create a pool of tranquility, it has a surface area of 2,300 square feet.

To the west of the memorial is a grove of 40 Oak trees that symbolizes the jersey number Tillman wore as an Arizona Cardinal and the entire area is surrounded by a grove of Ash and Oak trees.

## CARDINALS PRESERVE PAT TILLMAN'S LOCKER AT TEMPE FACILITY

On September 11, 2015, the 14th anniversary of the 9/11 terrorist attacks, the Cardinals unveiled the locker of former safety Pat Tillman at the team's Tempe Training Facility.

A new locker room was built as part of a two-year, \$15 million renovation of the facility, but Tillman's locker was preserved to display in a glass enclosure between the weight room and cafeteria. Included in the locker are Tillman's jersey, helmet, shoulder pads and draft card, along with a description of his life and career.

"We've decided to preserve Pat Tillman's locker, and tell his story," team owner Michael Bidwill said at the unveiling ceremony. "Many of our future players, and even current players, may not know the stories of the Cardinals. But we wanted to tell the stories and talk about the history, the history of our organization and the history of Pat Tillman."

After a decorated career at Arizona State University, Tillman was selected in the seventh round (226th overall) of the 1998 NFL Draft by the Cardinals and he played for Arizona from 1998-2001 before enlisting in the U.S. Army in 2002. He was killed in action in Afghanistan on April 22, 2004.

Tillman's No. 40 is retired by the Cardinals and he is a member of the team's Ring of Honor.

## STATE FARM SECURES STADIUM NAMING RIGHTS

In September of 2018, the Cardinals and State Farm announced an 18-year naming rights commitment that resulted in the team's home venue becoming State Farm Stadium.

"We were intent on finding a relationship that was an ideal fit with our organization and this community in terms of values, priorities and culture," said Cardinals Owner Michael Bidwill. With State Farm, we absolutely did that.

While this is a comprehensive marketing agreement, there will be a major focus on community programs that will have a positive impact across our state. State Farm is one of the most-respected and recognizable brands in the world and Phoenix is fortunate

to be one of its three hub markets."

"State Farm is committed to making a difference and so are the Arizona Cardinals," said State Farm Chairman and Chief Executive Officer Michael Tip-sord. "Working with them gives us the chance to build even stronger communities in Arizona and helps us build our brand nationally."

Arizona is home to one of three of State Farm regional hubs. State Farm is an active member of the local community employing approximately 7,000 individuals. State Farm prides itself on activating its workforce in the communities they reside. Over the past four years, State Farm staff has volunteered over 2 million hours in their respective communities.

## CARDINALS COMPLETE ANOTHER SUCCESSFUL YEAR IN THE COMMUNITY

The 2021 season marked another successful year for the Arizona Cardinals Football Club and its various community-based activities.

Cardinals players, coaches, cheerleaders, mascot Big Red, alumni and front office staff continued the organization's ongoing efforts of being a champion in the community. Throughout the 2021 season, 56 different Players, Alumni, Cardinals Cheerleaders and members of the Cardinals Women's Club took part in over 115 different community events and

appearances that impacted over 75,000 adults and children. The Cardinals also donated more than 600 pieces of merchandise and memorabilia throughout the past year.

The Cardinals four signature community programs during the 2021 season - the SRP and Albertsons/Safeway Milk and Cookies Program, Gatorade Jr. Training Camps, USA Football's League Excellence program and the NFL Flag Football program - continued last year and will all be back in 2022.

### SRP/SAFEBAY MILK AND COOKIES PROGRAM

- Entering its 21st consecutive season.
- Each Tuesday during the season, a Cardinals player, Cardinals Cheerleaders and team mascot Big Red read to students at various elementary schools throughout the Valley and distributed backpacks, milk, and cookies provided by Albertsons and Safeway.

Over the course of the 2021 season, 45 Cardinals Cheerleaders and Alumni visited 15 schools, 12 cities and read to approx. 750 students.

### GATORADE JR. TRAINING CAMPS

The players and Big Red also help promote the NFL's Play 60 message to encourage kids to receive 60 minutes of daily exercise.

### NFL FLAG FOOTBALL PROGRAM

- Entering its 20th consecutive season and presented by Albertsons and Safeway.
- 5-on-5 non-contact flag football league for boys and girls to provide basic fundamentals of football throughout the southwest with teams in Arizona and New Mexico. The Cardinals NFL Flag Football Program has developed into one of the league's largest.
- In 2021 the tournament hosted over 500 athletes from 8 states participating throughout the weekend. Since its inception, 31 teams from the Cardinals NFL Flag program have been crowned as national champions.

The Cardinals also continued their involvement with Arizona high school football with the weekly "High School Coach-of-the-Week" and "High School Player-of-the-Week" awards during the 2021 season. Both programs are back for the 2022 season.

### "HIGH SCHOOL COACH-OF-THE-WEEK"

- Starting its 28th consecutive season.
- Every week during the high school football season, a local panel selects a High School Coach of the Week and awards him a certificate signed by team President Michael Bidwill and Head Coach Kliff Kingsbury in addition to a \$2,000 check to the coach's school on behalf of Cardinals Charities.
- In 2021, 10 coaches were selected and a total of \$10,000 was awarded to Arizona high school football programs.
- A "Coach-of-the-Year" was selected following the 2021 high school season and Jake Barro from Casa Grande H.S. was awarded an additional \$2,000 for his school.

### "HIGH SCHOOL PLAYER-OF-THE-WEEK"

- Starting its 20th consecutive season.
- Every week during the high school football season, a local panel selects a High School Player of the Week who receives a football trophy acknowledging the award at the players' school during an awards ceremony.
- In 2021, 10 players were selected and each was awarded at their school in front of their peers with team mascot Big Red and an alumni player.
- A "Player-of-the-Year" was selected following the high school season and quarterback Angel Flores from Casa Grande H.S. was given a customized Cardinals jersey and a football trophy engraved with his season stats. Flores will be attending Northern Arizona University.

The Cardinals also remained busy during the holidays giving back to those less fortunate. They hosted game day toy drives with Desert Financial to benefit Arizona Helping Hands and other local food banks. Along with game day activations, two marquee programs that the Cardinals participate in during the holiday season are "Help Feed the Hungry" and "Shop With a Jock".

### HELP FEED THE HUNGRY

- Last year, Cardinals players and their families along with owner Michael Bidwill, front office personnel, cheerleaders and Big Red helped serve Thanksgiving dinner at the Phoenix Rescue Mission for more than 500 people.
- The 2021 season marked the 19th consecutive year of working with the Phoenix Rescue Mission during Thanksgiving.

### SHOP WITH A JOCK

- To celebrate the holiday season, the Arizona Cardinals hosted their annual Shop With A Jock event (twice) with Desert Financial and Verizon. Arizona Cardinals Alumni, Cheerleaders and Big Red took 75 underprivileged children on a shopping spree with pre-paid gift cards that totaled \$32,500.

In addition to being active throughout the community with various player appearances and events, the Cardinals also gave back to the people of Arizona with donations of merchandise and memorabilia.

### CARDINALS DONATIONS

- The Cardinals donated over 50,000 items of signed merchandise (signed footballs, jerseys, pants, shoes and hats) to non-profit organizations in 2021 raising over \$200,000 for local charities.
- Finally, during a sold out season at State Farm Stadium last year, over 10,000 game tickets were distributed to worthwhile organizations throughout the Valley.
