THIS WEEK'S PREVIEW

Arizona returns from a victorious week in Los Angeles to host the Denver Broncos in a special day for Cardinals fans at State Farm Stadium.

At halftime of Sunday's game, WR **Larry Fitzgerald** will be inducted into the Cardinals Ring of Honor and have his jersey #11 retired.

Both Arizona and Denver enter Week 7 coming off wins that were decided by walk-off game-winning FGs against NFC West opponents.

The Cardinals improved to 2-4 on the year after defeating the Rams 18-16 at SoFi Stadium in Week 6. Arizona earned the win thanks to 6 FGs from K **Chad Ryland**, including a game-winning 43-yarder as time expired in regulation.

The Broncos enter Sunday's contest with a 4-2 record and well-rested. Denver is coming off a 17-14 OT win over the visiting Seahawks on Thursday Night Football in a game that was decided by a 53-yard FG from Wil Lutz in the extra period.

Despite the series between the Cardinals and Broncos dating back to 1973, this week's meeting represents just the 13th all-time regular season matchup between the two teams. The Broncos are making just their fourth-ever regular season visit to State Farm Stadium and first since 2018.

Following a solid game vs. the Rams last week in which the offensive line allowed no sacks for the first time in 2026, Arizona will face heavy pressure from a Denver defense that is led by defensive coordinator Vance Joseph and Pro Bowl DL Zach Allen - a pair of former Cardinals. Joseph's defense has piled up 18.0 sacks so far in 2026, tied for 3rd in the NFL. Allen leads Broncos defense with 4.5 sacks.

Arizona counters with a ball-control offense instituted by 1st-year head coach **Mike LaFleur**. The Cardinals lead the NFL in both drives of 10+ plays (17) and scoring drives of 10+ plays (15) this season while ranking 4th in the NFL in average time of possession (32.05).

Defensively, Arizona is coming off its best game of the season last week in Los Angeles, holding the Rams #1 ranked offense to just 286 total yards and 16 points.

After hosting the Broncos this week, the Cardinals are back on the road for consecutive games against the Cowboys (Week 8) and Seahawks (Week 9). Denver returns home to host the Kansas City Chiefs in a Week 8 AFC West matchup.

THIS WEEK'S OTHER HIGHLIGHTS

Both victories came at SoFi Stadium in Los Angeles (26-24 win @ LAC in Week 1) where LaFleur coached the previous three seasons (2023-25) as the Rams offensive coordinator. **The Cardinals have more wins at SoFi Stadium in 2026 (2) than the Rams and Chargers combined (1).**

- Through just 6 games this season, S **Budda Baker** has 42 tackles (24 solo), a career-high 3.5 sacks, a career-high 5 QB hits, 4 tackles for loss, an INT and 4 passes defended. Baker leads the Cardinals in solo tackles (24), sacks (3.5) and tackles for loss (4) and is tied for the team lead in QB hits (5) and passes defended (4).
- K **Chad Ryland** accounted for all 18 points after connecting on all 6 FG attempts in last week's win over the Rams, including a 43-yard game-winner as time expired. Ryland's 6 FGs and 18 total points are both career highs.

FITZGERALD TAKES HIS PLACE IN THE PRO FOOTBALL HALL OF FAME

In August, Fitzgerald joined LB Luke Kuechly, QB Drew Brees, RB Roger Craig and K Adam Vinatieri in entering the Pro Football Hall of Fame at the induction ceremony that took place at Tom Benson Hall of Fame Stadium in Canton, OH.

Fitzgerald and the rest of the 2026 class were celebrated at the Hall of Fame Game between the Cardinals and Panthers, at the Gold Jacket Dinner and during the induction ceremony.

FITZGERALD'S HALL OF FAME INDUCTION SPEECH - CLOSING REMARKS

Fitzgerald's closing remarks in his Hall of Fame induction speech, addressing his sons: Devin, Apollo and Milos.

"If you were paying attention, you heard some fundamental themes in this speech. One, it's not hard to find people who will tell you what you want to hear. Make a conscious effort to surround yourself with people who will tell you what you 'need' to hear. The hard things. The uncomfortable things. Believe me, the people in that second group care about you far more than those in the first."

"Two, life is short. Time is precious. And not one of us knows how much we have. So many of the people I mentioned today are no longer with us. Some gone much too soon. Make your time count. Fill every 24 hours with the passions and pursuits that mean the most to you."

"And lastly, there's not much traffic on the extra mile in life, so be sure to bring others along with you."

Fitzgerald became the 16th individual who spent a significant portion of his NFL career as a member of the Cardinals organization inducted into the Pro Football Hall of Fame. Full list below:

COLORADO'S OWN

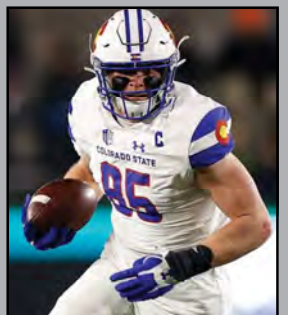

For the fifth time in his first five NFL seasons (*Week 15 of 2022 regular season; Week 1 of 2023 preseason; Week 3 of 2024 preseason; Week 2 of 2025 preseason*), Cardinals TE **Trey McBride** will face the Broncos when Arizona hosts Denver at State Farm Stadium on Sunday. McBride is a native of Fort Morgan, CO - located 80 miles northeast of Denver - and was a multi-sport star at Fort Morgan High School.

A four-time all-conference selection, two-time All-State pick and two-time team MVP in football at Fort Morgan, McBride also set the school record for points in basketball and school records for home runs and RBIs in baseball.

McBride then went on to a record-setting career at Colorado State, where he was a two-time All-American who appeared in 40 games and totaled 164 receptions for 2,100 yards and 10 TDs in four seasons (2018–21).

In 2021, McBride led all FBS TEs in receptions (90), receiving yards (1,121) and receiving yards per game (93.4). *The recipient of the 2021 John Mackey Award as the nation's top TE, he was also a unanimous 1st-team All-American selection, the first Colorado State player ever to earn that honor. He was also named the 2021–22 Mountain West Male Athlete of the Year.*

CARDS FACE FORMER DEFENSIVE COORDINATOR

Vance Joseph is in his fourth season as the Broncos defensive coordinator after previously serving as the team's head coach from 2017–18. In between his stints in Denver, Joseph spent four seasons (2019–22) as the Cardinals defensive coordinator.

In four seasons under Joseph, the Cardinals defense brought heavy pressure, ranking 4th in the NFL in tackles for loss (342) and tied for 8th in sacks (165).

The Cardinals defense had its best season under Joseph in 2021 when the unit ranked top-10 in the NFL in fumble recoveries (1st - 14), forced fumbles (2nd - 20), rushing TDs allowed (3rd - 10), takeaways (7th - 27), pass defense (7th - 214.4 ypg.) and offensive points allowed (8th - 20.5 ppg.).

In 2020, Arizona's defense ranked 4th in the NFL with 48.0 sacks and had an NFL-high 18 players record at least 1.0 sack.

LAFLEUR WINS AGAIN AT SOFI STADIUM

The Cardinals 18-16 win over the Rams last week gave first-year head coach **Mike LaFleur** his second career win. *Both victories have come at SoFi Stadium in Los Angeles (26-24 win @ LAC in Week 1) where LaFleur coached the last three seasons (2023-25) as the Rams offensive coordinator.*

LaFleur became just the second full-time head coach in NFL history to have his first two career wins come on the road at the same stadium joining Brooklyn Dodgers HC Cliff Battles (1946-47 at Soldier Field).

• *Under LaFleur, the Cardinals have more wins at SoFi Stadium in 2026 (2) than the Rams and Chargers combined (1).*

MORE ABOUT THE WINS IN LOS ANGELES

• With wins over the Rams and Chargers at SoFi Stadium in 2026, Arizona has two road wins in the same venue in a single season for the first time since 2020 (MetLife Stadium).

• Arizona (2026) now joins Seattle (2022) as the only NFL teams to defeat both the Rams and Chargers at SoFi Stadium in the same season since the venue opened in 2020.

THE LONG SUNDAY DRIVES CONTINUE

The Cardinals had four 10-play scoring drives in last week's win vs. the Rams.

10 plays, 68 yards, 4:18 TOP

12 plays, 64 yards, 4:34 TOP

15 plays, 56 yards, 8:35 TOP

14 plays, 64 yards, 8:11 TOP

Through six games, Arizona leads the NFL in 10-play drives (17) and 10-play scoring drives (15).

In 405 games between 2001-25, the Cardinals had a total of 24 scoring drives that consisted of 14+ plays and 8:00+ minutes in time of possession. Arizona already has 4 such drives through six games this season.

Between 2001-25, Arizona didn't have a single game with multiple drives of 14+ plays and 8:00+ minutes. The Cardinals have accomplished that feat twice this season (2 in Week 3 @ SF; 2 in Week 6 @ LAR).

MORE HIGHLIGHTS FROM THE WIN OVER THE RAMS

O-LINE PAVES THE WAY IN L.A.:

Arizona's offense line, featuring a pair of backups in rookie LT **Jayden Williams** and RG **Jon Gaines II** – along with regular starters LG **Isaac Seumalo**, C **Hjalte Froholdt** and RT **Elijah Wilkinson** – also played a big part in the Cardinals win last week in Los Angeles.

The group led the way as the Arizona put up a season-high 120 rushing yards while QB Jacoby Brissett was not sacked despite 35 pass attempts. It was the first game this season the Cardinals did not allow a sack.

It was also just the second game featuring the starting O-Line combination of Williams (LT), Seumalo (LG), Froholdt (C), Gaines (RG) and Wilkinson (RT).

ANOTHER SPECIAL PERFORMANCES FROM THE SPECIAL TEAMS:

The Cardinals entered last Sunday's game against the Rams having already gotten big plays from their special teams, including a blocked punt, 2 forced fumbles and a fumble recovery.

ON Sunday in Los Angeles, K **Chad Ryland** connected on 6-of-6 on FG attempts and WR **Devin Duvernay** tied a season-long with a 40-yard kickoff return that helped set up the Cardinals first score of the game.

CARDS DEFENSE SHINES IN LOS ANGELES

The Cardinals defense keyed the team's victory over the Rams last week, *allowing just 286 yards to an L.A. team that entered the contest as with the #1 ranked offense in the NFL (424.4 ypg).* The 286 total yards marked the Rams lowest output of the season was nearly 140 yards fewer than their season average heading into the game. *Los Angeles entered Week 6 having put up 400+ yards in four straight games.*

The Rams also entered last Sunday's game with the NFL's #1 ranked passing attack, averaging 307.6 net yards per game. *Prior to facing the Cardinals, Los Angeles had posted 300+ net passing yards in four straight games.* The Rams averaged a season-low 5.4 yards per pass played against the Cardinals, their lowest output since Week 11 of 2025 vs. the Seahawks last season (4.6).

Against the NFL's #1 ranked offense last week, Arizona's defense:

- *Allowed just 92 yards rushing*
- *Allowed just 194 net yards passing*
- *Allowed 1 first-down or fewer on 5-of-10 drives*
- *Posted 3 sacks & 7 QB hits*
- *Forced 2 fumbles (1 recovered)*
- *Had 2 stops on 4th down*

Last week's game marked the first time this season - and just the third time in the last two years (2025-26) - the Rams were held to fewer than 200 net yards passing and fewer than 100 yards rushing in a game. It had been nearly a year (10/19/25 at Jacksonville) since a team accomplished that feat vs. the Rams.

ANOTHER RALLIS SHUTDOWN OF THE RAMS OFFENSE: *Over the last three seasons (2024-26), the Rams have been held to fewer than 200 net passing yards and 100 rushing yards in a game just seven times. Three of those instances have now come against a Nick Rallis-led Cardinals defense: 12/28/24 at L.A. Rams; 9/15/24 vs. L.A. Rams.*

DEFENSE GETTING STOPS ON 4TH DOWN

Last week in Los Angeles, the Rams had four offensive possessions in the 2nd half. *The Cardinals defense stopped the Rams on 4th down twice and also forced (and recovered) a fumble during that stretch.*

Arizona's opponents have now had 7 drives end on downs this season. That is the most in the NFL.

START #18 BRINGS A COMEBACK WIN

QB **Jacoby Brissett** finished last Sunday's game vs. the Rams having completed 24-of-35 pass attempts (68.6%) for 218 yards. The final 21 yards were the most crucial, coming on a connection with WR Jalen Brooks to set up the game-winning FG.

After the Rams took a 16-15 lead with 47 seconds remaining in regulation, the Cardinals began their final possession at their own 35-yard line. On the first play, Brissett connected with Brooks over the middle of the field for a 21-yard gain. Four plays later K Chad Ryland kicked the 43-yard game-winning FG.

It was the 6th fourth quarter comeback and game-winning drive of Brissett's career and the first since 10/27/24 vs. the NY Jets while playing for the Patriots, when he led a 12-play, 70-yard TD drive to give New England a 25-22 win.

18 STARTS AND 32 TD PASSES FOR BRISSETT

Brissett has 32 TD passes in 18 starts with the Cardinals. That is the most in franchise history in a player's first 18 starts with the team. Prior to Brissett, the franchise record for TD passes in a player's first 17 starts was 29 by Charley Johnson (1962-63).

Five defenders from the Cardinals 2025 NFL Draft class - LB **Cody Simon**, CB **Denzel Burke**, DL **Walter Nolen III**, LB **Jordan Burch** and S **Kitan Crawford** - combined to fill up the stat sheet against the Rams last week.

The group finished the contest with 6 tackles, a forced fumble and a fumble recovery on defense along with 4 tackles on special teams.

The forced fumble and fumble recovery came courtesy of former Ohio State teammates Simon and Burke at a crucial point of the game. With Arizona holding a 15-9 lead midway through the fourth quarter, Simon forced a fumble by Rams TE Tyler Higbee at the AZ 22-yard line. The fumble was recovered by Burke, ending a Rams scoring threat just outside the Cardinals red zone.

Burke's INT of Giants QB Jameis Winston in Week 4 at New York was the 4th of his career. **Dating back to the Cardinals first season in Arizona in 1988, Burke is one of just five players with 4+ INTs in their first 23 career games.**

NEW DIGNITY HEALTH ARIZONA CARDINALS PERFORMANCE CENTER COMING IN 2028

In February of 2026, the Cardinals broke ground at the organization's new Dignity Health Arizona Cardinals Performance Center located in North Phoenix at Scottsdale Road and Loop 101.

The targeted opening for the world-class facility is 2028.

"For us, this project is a generational, Arizona-first investment anchored by a world-class performance center and team headquarters," Cardinals Owner **Michael Bidwill** said at the ground-breaking. "At its core is a focus on helping our players reach their full potential and maximizing team performance. But it will also undoubtedly strengthen the state's economy and create an iconic new landmark in Phoenix."

The 217-acre property positioned west of Scottsdale Road and north of the Loop 101 was purchased at auction from the Arizona State Land Department for \$136 million in September by an affiliate of the team. The new performance center and business operations will anchor the mixed-use development site, occupying 30 acres and over 250,000 square feet. The footprint of the team's current facility is 14 acres and 156,000 square feet.

The new facility will feature three natural-grass outdoor practice fields and a fieldhouse with a full-size turf field indoors. Additional elements of the new, world-class performance center will include a greatly expanded and modern locker room and state-of-the-art team spaces for athletic training, sports medicine and strength and conditioning in addition to updated dining areas, meeting rooms, a player lounge and more.

Work is ongoing at the site. The foundation build up for the Dignity Health Arizona Cardinals Performance Center and the three outdoor playing fields is complete. On August 26, workers began the first concrete pour for the new facility. As part of the process, workers temporarily removed 275 native species trees and cacti that will be preserved and replanted when construction is completed. Some of those are over 300 years old.

In May of 2026, Dignity Health announced that it will open a first-of-its-kind, state-of-the-art medical campus at the site of the Cardinals new performance and business headquarters. Dignity Health became the first to join the project, unveiling plans for a premier medical campus. The multi-phase project will ultimately feature two buildings totaling up to 300,000 square feet across eight acres. Upon completion, the project is expected to create 700 medical and support positions and will be Dignity Health's largest outpatient campus. Phase one of construction for Dignity Health's medical campus is expected to begin in 2027, with an anticipated opening in 2028.

LAFLEUR WINS IN HEAD COACHING DEBUT

Led by first-year head coach **Mike LaFleur**, the Cardinals defeated the Chargers 26-14 in their regular season opener at Los Angeles in Week 1.

LaFleur was one of six coaches who made their NFL head coaching debut in Week 1. That group had a combined 4-2 record. LaFleur (AZ) joined Klint Kubiak (LV), Jesse Minter (BAL) and Joe Brady (BUF) as the coaches who earned wins in their debut.

LAFLEUR TAKES OVER IN ARIZONA

On Sunday, February 1, the Cardinals announced **Mike LaFleur** as the team's new head coach.

The 39-year old LaFleur joined the Cardinals after spending the past three seasons (2023-25) as the offensive coordinator for the L.A. Rams.

ROOKIE FREE AGENTS HAVE A HISTORY IN ARIZONA

Mississippi S **Wydettt Williams Jr.** made the Cardinals Week 1 roster as a rookie free agent. **It marked the 12th time in the last 15 years (2012-26), the Cardinals had at least one undrafted free agent make the Week 1 roster.**

CARDINALS HAVE THEIR CAPTAINS

Prior to the start of the regular season, the Cardinals named five players who will serve as team captains for the 2026 season, based on a vote of their teammates.

OFFENSE: QB Jacoby Brissett / OL Hjalte Froholdt
DEFENSE: S Budda Baker / LB Mack Wilson Sr.
SPECIAL TEAMS: LS Casey Kreiter

Baker is serving as a team captain for the seventh consecutive season. Froholdt and Wilson were both named captains for the second straight year.

Brissett was named a team captain for the third time in his career - and with his third different team (Colts - 2019; Patriots - 2024).

Kreiter was named a team captain for the third time in his career (Giants - 2022, 2024).

A SPECIAL PLAYMAKER ON SPECIAL TEAMS

Through 6 games this season, WR Simi Fehoko has 5 tackles, a blocked punt, a fumble recovery and a forced fumble on special teams.

He is the only player since at least 2000 with 4+ special teams tackles, a blocked punt, a fumble recovery and a forced fumble through a team's first 6 games.

Fehoko's impact on special teams was immediate this season. Named the NFC Special Teams Player of the Week following a pivotal blocked punt in Week 1 against the Chargers, Fehoko made another big play on special teams in Week 3 at San Francisco.

Trailing 23-13 late in the 3rd quarter, the Cardinals were forced to punt on 4th-n-10 from their own 24-yard line. Niners DB Siran Neal muffed the return and Fehoko recovered at the SF-28 yard line. Five plays later, the Cardinals scored on a Jacoby Brissett to Jeremiah Love TD pass to cut the 49ers lead to 23-20.

FEHOKO NAMED PLAYER OF THE WEEK

WR Simi Fehoko was named the "NFC Special Teams Player of the Week" for his performance in the Cardinals 26-14 vs. the L.A. Chargers in Week 1.

It was Fehoko's first career selection as Special Teams Player of the Week and the first "Special Teams Player of the Week" for the Cardinals since Blake Gillikin in 2024 (Week 9).

Fehoko made his mark on special teams, becoming the first - and only - NFL player to block a punt in Week 1.

It was Fehoko's first career blocked kick, the first blocked punt for the Cardinals since 12/20/20 vs. Philadelphia and the first time the Chargers had a punt blocked since 11/21/21 vs. Pittsburgh.

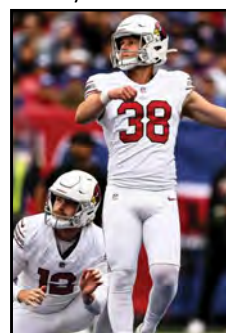

RYLAND HITS ANOTHER ONE FROM WAY OUT

K **Chad Ryland's** lone FG in the Cardinals Week 4 game at New York earlier this season was a career-best 60-yarder. **In addition to being the longest FG of his career, it also tied for the 4th-longest FG in franchise history.**

Ryland now owns 4 of the 13 longest FGs in franchise history.

WINGARD DOES IT ALL

S **Andrew Wingard** - signed by the Cardinals as a free agent this offseason - filled up the stat sheet in his first three games with Arizona before missing the majority of the last three games due to injury.

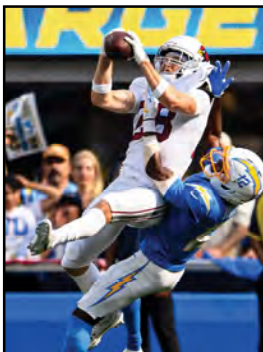

So far this season, Wingard has 23 tackles, three tackles for loss, an INT, a pass defended and a forced fumble.

In Week 3 at San Francisco, Wingard finished with a team-high 10 tackles. It was his 4th career outing with double-digit tackles.

WINGARD SHINES IN CARDS DEBUT

Wingard made plays all over the field in the Cardinals Week 1 win over the Chargers in Los Angeles. He finished the contest with 4 tackles, 2 tackles for loss, a forced fumble and an INT.

Wingard became the first Cardinals player to accomplish the feat in a game since Budda Baker did so on 10/19/20 at Dallas.

HIGHLIGHTING SOME OF THE 2026 ADDITIONS

BIG NUMBERS FOR UNDRAFTED BOURNE

One of the Cardinals first free agent additions this offseason was WR **Kendrick Bourne**, who signed a two-year contract with Arizona after spending his first nine NFL seasons with San Francisco (2017-20, '25) and New England (2021-24).

Since entering the NFL as a rookie free agent with the 49ers in 2017, **Bourne has appeared in 133 games (44 starts) during the regular season with 351 receptions for 4,490 yards and 22 TDs** to go along with 20 carries for 174 yards. He has also appeared in six postseason contests, adding 13 receptions for 165 yards and three TDs with one carry for 14 yards.

A MAJOR ADDITION IN THE TRENCHES

Signed to a three-year contract on the opening day of free agency this offseason, OL **Isaac Seumalo** looks to solidify the left side of the Cardinals offensive line. **The 11th year veteran - who has played for the Eagles (2016-22) and Steelers (2023-25) and Cardinals (2026) in his NFL career - has started 110-of-131 career games played with starts coming at LG (90), RG (19) and TE (one).** He has started all 95 games played over the last eight seasons (2019-26).

1. Isaac Seumalo
3.7% pressure rate

2. Tyler Smith
3.8% pressure rate

BIDWILL COACHING FELLOWSHIP

In February, the Cardinals announced the addition of **Wendy Laurent** to the coaching staff as the newest participant in the **Bill Bidwill Coaching Fellowship** program.

BILL BIDWILL COACHING FELLOWSHIP: The Cardinals established the Bill Bidwill Coaching Fellowship prior to the 2015 season. Laurent is the seventh individual to participate in the program, which is designed to increase diversity and create additional opportunities for coaching experience at the highest level.

Four recent participants advanced from the fellowship to full-time assistant coach positions - three on the Cardinals coaching staff and one at the NCAA level - including **Connor Senger**, who currently serves as the Cardinals pass game specialist.

Laurent returned to Arizona as the Bidwill Fellow after participating in the Bill Walsh Coaching Fellowship as a member of the coaching staff during Cardinals training camp last year. Prior to joining the Cardinals, Laurent spent last season as the assistant TE's coach at Ohio State where he helped guide the Buckeyes to a 12-1 record and berth in the College Football Playoff Semifinals.

Long-time Cardinals owner **Bill Bidwill**, who passed away in 2019, was at the forefront of providing opportunities to individuals regardless of race or gender. In 2010, he was honored with the Fritz Pollard Alliance's Paul "Tank" Younger Award for promoting diversity in the NFL. In 1978, Adele Harris became the first African American female executive in the NFL when she was hired as the Cardinals director of community relations. In 1981, Bidwill hired attorney Bob Wallace, making him the first African American to handle contract negotiations for an NFL club. In 2004, the Cardinals became the first NFL team to have an African American general manager/head coach duo in Graves and Dennis Green.

Cardinals owner **Michael Bidwill** was honored by the Fritz Pollard Alliance with the organization's 2019 "Paul J. Tagliabue Award," given to a league or team executive who demonstrates the integrity and leadership Tagliabue exhibited in career development opportunities for minority candidates and advocacy for diversity on the league and club level.

ELEVATING A FRANCHISE

Owner **Michael Bidwill** has been steering the Cardinals organization for nearly two decades. His leadership during that time has been instrumental in transforming the franchise both on and off the field.

Over the past few years, Bidwill has led a significant restructuring of both the football and business sides of the organization.

In the last three years alone, that transformation has seen the team open new business offices, break ground on the new Dignity Health Arizona Cardinals Performance Center and launch the Arizona Cardinals Foundation in addition to hiring more than 100 new staff members, many in senior leadership positions.

Highlights of Bidwill's tenure:

- On the whole, Bidwill's most substantial accomplishment in his time leading the Cardinals is the creation of State Farm Stadium. The world-class venue has not only been critical for the franchise but has also resulted in over \$6 billion in economic impact for the state of Arizona.
- On February 12, 2023 State Farm Stadium hosted its third Super Bowl when 115.1 million viewers watched Super Bowl LVII. State Farm Stadium also hosted Super Bowls XLII (following 2007 season) and XLIX (following 2014 season).
- In addition to his role in helping Arizona land three Super Bowls, Michael was also instrumental in getting the 2015 Pro Bowl moved to State Farm Stadium; played a week before Super Bowl XLIX, the two events combined to deliver a record economic impact of \$720 million to the region.
- In 2025, Bidwill oversaw the launch of the Arizona Cardinals Foundation, which replaced what was previously known as Cardinals Charities. The foundation is specifically focused on supporting Arizona's special needs community. In February of 2026, the foundation hosted the first-ever Cardinals Climb: Hike for Special Needs, a community fundraising event dedicated to supporting the special needs community. The event was a resounding success, raising over \$2 million dollars for Arizona's special needs community and making it one of the top fundraisers in the NFL.
- Bidwill created a highly-successful community initiative in the Civics Matters Arizona trips, which send hundreds of high school kids from across the state aboard the Cardinals team plane on an educational trip to Washington D.C. The fifth-annual Civics Matters Arizona trip, in partnership with the Close Up Foundation and Arizona Governor Katie Hobbs, took place in June of 2026 and saw 280 students visit the nation's capital.
- Bidwill has also spearheaded the Cardinals efforts surrounding youth football. In 2026, the team launched the Junior Cardinals Flag Football League in Calgary, Alberta which made the Cardinals the first team to launch a junior flag football league in Canada. In 2024, Arizona became the first NFL team to produce and broadcast weekly girls flag football through the Arizona Cardinals Girls Flag Football Game of the Week, an initiative that is in its third season in 2026. In December of 2025, the team hosted the inaugural Arizona Cardinals High School Honors event at State Farm Stadium to recognize the 2025 season of Arizona high school football.
- Under Michael's direction in 2025, the organization launched Cardinals Premier Travel, a first-of-its-kind, elevated travel experience to give all fans the opportunity to see the team play on the road in unmatched comfort and convenience. In its debut last November, nearly 290 fans attended the inaugural trip to Dallas where they saw the team's Monday Night victory over the Cowboys. This preseason, Cardinals Premier Travel provided an unprecedented experience as it took fans on a three-day trip to watch the team play in the Hall of Fame game and to be in attendance for WR Larry Fitzgerald's enshrinement in the Pro Football Hall of Fame in Canton, OH.
- In January of 2018 Michael was one of five owners named to the NFL's Player-Owner Committee focused on social and racial justice initiatives. In December of 2014, Commissioner Roger Goodell tapped Bidwill to chair the league's Conduct Committee, which reviews the league's Personal Conduct Policy at least annually and recommends appropriate changes with advice from outside experts.
- Of the franchise's seven all-time postseason wins, five have come during Michael's tenure leading the organization. Arizona has played in 10 postseason contests over the last 17 seasons (2007-23), after having appeared in just seven total playoff games prior.
- Arizona has appeared in the NFC Championship Game twice since 2008 including a victory in the 2008 conference title game that led to the franchise's first-ever Super Bowl appearance (Super Bowl XLIII).

A BUSY OFFSEASON FOR OSSENFORT

Monti Ossenfort is in his fourth season with the Cardinals in 2026 after being hired as the team's General Manager in January of 2023.

A look at some of Ossenfort's career highlights:

- Arizona's 2026 free agency period was Ossenfort's busiest one yet with 15 new players signed. The group included Pro Bowl OL **Isaac Seumalo**, WR **Kendrick Bourne**, All-Pro KR **Devin Duvernay**, QB **Gardner Minshew**, S **Andrew Wingard** and LB **Jack Gibbens** among others.
- In his first four drafts (2023-26) as the Cardinals GM, Ossenfort made 35 total selections and executed seven trades. Of the 35 players drafted – which includes 19 on defense and 16 on offense – 26 remain with the team.
- Arizona's 2025 free agent class was highlighted by the signing of LB **Josh Sweat** and QB **Jacoby Brissett**. Sweat established a career high with 12.0 sacks, also tying for the NFL lead with four "strip-sacks." Brissett started 12 games and threw for 3,366 yards and 23 TDs, both the highest totals in franchise history in a player's first 12 starts with the team.
- Ossenfort's 2025 NFL Draft class featured six defensive players who combined for 83 games played, 2,650 defensive snaps, 841 special teams snaps, 197 tackles, 12 tackles for loss, 3 INTs, 29 passes defended, 7 QB hits, 2 forced fumbles, 1 fumble recovery (returned for a TD), 3.5 sacks, 20 special teams tackles and a blocked PAT last season.
- The 2025 draft class was highlighted by CBs **Will Johnson** and **Denzel Burke**. The duo combined for 29 games played (18 starts) with 84 tackles, 4 tackles for loss, 3 INTs, 21 passes defended and a forced fumble last season. Both finished among the five rookie defenders with 10+ passes defended in 2025. Johnson joined Tampa Bay's Jacob Parrish as the two CBs selected for the PFWA's 2025 All-Rookie Team.
- Ossenfort's tenure in Arizona follows a highly successful three-year run in Tennessee. During that stretch, the Titans tied for fifth in the NFL in total wins (30), won a pair of AFC South titles and had two seasons of 11+ wins.
- Prior to Tennessee, Ossenfort had a 14-year run with the Patriots (2006-19) and worked his way up from Area Scout to Director of College Scouting. During those 14 seasons, New England won an NFL-high 199 games in the regular season, made 13 playoff appearances, played in 10 AFC Championship games and won three Super Bowls (XLIX, LI, LIII).

MONTI EXTENDS THE CORE

Over the span of just five months in 2024, GM **Monti Ossenfort** signed four of the Cardinals core players to contract extensions: S **Budda Baker** (12/28), RB **James Conner** (11/30), OL **Hjalte Froholdt** (8/21) and LB **Zaven Collins** (8/3). In April of 2025, he signed Pro Bowl TE **Trey McBride** to a four-year contract extension.

Then, in the span of 10 days prior to the start of the 2026 regular season, Ossenfort signed Froholdt (8/25) to his second two-year extension and WR **Michael Wilson** (9/3) to a three-year extension.

On August 25, the Cardinals signed **Froholdt** to a two-year contract extension that keeps him under contract through the 2028 season.

Froholdt is in his fourth season with the Cardinals and this is the second extension he has signed with the team. He previously signed a two-year extension with the Cardinals in August of 2024 after originally joining the team as an unrestricted free agent in 2023.

The 30-year old Froholdt started all 51 regular season games at center in his first three seasons (2023-25) in Arizona and was a team captain in 2025. **He was the only player on the Cardinals roster to have started all 17 games each of the last three seasons.** Froholdt joined Ted Karras (Cincinnati), Creed Humphrey (Kansas City) and Coleman Shelton (LA Rams) as the only players in the NFL to start all 51 regular season games at center between 2023-25.

On September 3, the Cardinals signed **Wilson** to a three-year extension that keeps him with the team through the 2029 season.

Wilson is in his fourth year with the Cardinals after being selected in the third-round (84th overall) of the 2023 NFL Draft from Stanford. **He appeared in 46 games (38 starts) in his first three seasons (2023-25) and had 163 receptions for 2,119 yards and 14 TDs.**

Last season, Wilson played all 17 games (13 starts) and set career-highs in receptions (78), receiving yards (1,006) and TD receptions (7). INAUGURAL "CARDINALS CLIMB" RAISES OVER \$2 MILLION FOR ARIZONA SPECIAL NEEDS COMMUNITY

In February of 2026, the Arizona Cardinals Foundation hosted the first-ever **Cardinals Climb: Hike for Special Needs**, a community fundraising event dedicated to supporting the special needs community. **The event was a resounding success, raising over \$2 millions dollars for Arizona's special needs community and over 3,500 individuals participating across nearly 200 teams.**

In May of 2026, it was announced that the 100 percent of the over \$2 million raised will be distributed to 60 organizations across Arizona. Highlighting the list of recipients are the Foundation's four cornerstone beneficiaries: **Barrow Neurological Foundation, SARRC (Southwest Autism Research & Resource Center), Special Olympics Arizona and Treasure House.**

Also receiving funds are other organizations advancing new and innovative programs that support individuals of all ages living with Intellectual or Developmental Disabilities. The aim is to expand services, promote inclusion, and create equal opportunities, helping drive a lasting impact for individuals and families navigating life with special needs.

The second-annual Cardinals Climb: Hike for Special Needs will take place on Saturday, February 20, 2027.

"The inaugural year of Cardinals Climb was a tremendous success and we know it will continue growing in the years ahead," said Cardinals Owner **Michael Bidwill**. "The energy and joy at State Farm Stadium were truly palpable, but the most rewarding aspect is the opportunity to support so many organizations making a meaningful difference in the special needs community."

ABOUT CARDINALS CLIMB: At Cardinals Climb, State Farm Stadium was transformed into an immersive climbing and hiking experience, bringing together fans, families, corporate teams, and community groups to "climb" for a cause. Cardinals players that attended the inaugural climb included TE **Trey McBride**, WR **Michael Wilson**, TE **Elijah Higgins**, DL **Darius Robinson**, LB **Owen Pappoe**, QB **Kedon Slovis** and OL **Hayden Conner**. Cardinals Legends and Pro Football Hall of Fame Inductees QB **Kurt Warner** and WR **Larry Fitzgerald** also made appearances as did General Manager **Monti Ossenfort**.

For Cardinals Climb, State Farm Stadium was re-imagined as a trail-inspired adventure for participants of all ages and abilities. A variety of routes, ranging from accessible paths to more challenging climbs, allowed participants to experience the stadium in a completely new way. All trails finished at the 50-yard line of State Farm Stadium and there was a special Cardinals Climb After Party presented by Seatgeek that took place on the Great Lawn featured performances from platinum-selling singer and songwriter **Gavin DeGraw** and the Grammy-award winning band **Switchfoot**.

THE ARIZONA CARDINALS FOUNDATION

In July of 2025, the Cardinals announced the launch of the **Arizona Cardinals Foundation**, marking a powerful new chapter in the team's legacy of charitable giving.

Replacing what fans and partners had previously known as Cardinals Charities, the Foundation is specifically focused on supporting Arizona's special needs community and serves as the central hub for all of the organization's charitable giving efforts.

"For decades, Cardinals Charities has made a meaningful difference across Arizona," said Cardinals Owner **Michael Bidwill**. "With the creation of the Arizona Cardinals Foundation, we're building on that legacy and taking our commitment to the next level. This focused approach allows us to deepen our impact and build relationships with organizations serving the special needs community, ensuring that our support can aid in their development of transformational programs that elevate the care and support available for individuals with special needs."

"An estimated 1 in 20 people in the U.S. lives with an IDD," said **Bob Hamer**, Executive Director of Arizona Cardinals Foundation. "As this community grows and ages, more support will be needed – and we aim to lead that effort. This mission is personal for so many people across our football operations, business front office, and fanbase and we're committed to making a lasting, sustainable impact for the IDD community throughout Arizona."

A centerpiece of the Foundation's launch was the announcement of four Cornerstone Beneficiaries, each of which received a three-year commitment from the Foundation to fund new and innovative programs that expand services, promote inclusion and create equal opportunities for those living with an IDD.

Those four partners are:

- **SARRC (Southwest Autism Research & Resource Center)**
- **Barrow Neurological Foundation**
- **Special Olympics Arizona**
- **Treasure House**

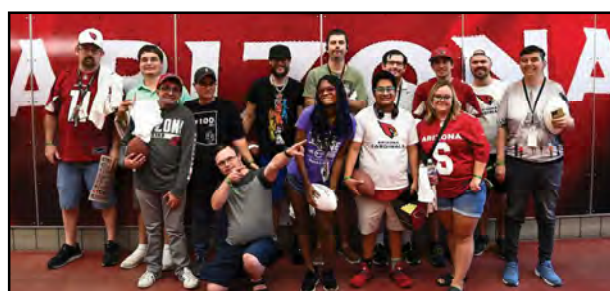

These partners were selected for their proven track records in the space and visionary ideas. Funding supports bold, innovative programs that bring long-term impact to individuals and families navigating life with special needs.

In addition to these Cornerstone Charitable partners, the Foundation will open its grant application process this fall for other nonprofits in the special needs community. In order to be considered for funding, interested organizations are encouraged to complete the form at www.AZCardinals.com/foundation.

The Cardinals have two founding partners - **Dignity Health** and **Desert Financial Credit Union** - supporting the Arizona Cardinals Foundation and its mission. Their longstanding dedication to the Arizona community and shared commitment to improving lives make them invaluable partners in the launch of the Foundation. Dignity Health's leadership in providing world-class healthcare, combined with Desert Financial Credit Union's deep-rooted focus on community empowerment and financial well-being, helps amplify the Foundation's ability to deliver meaningful, lasting impact within the special needs community.

Funds raised from the 50/50 raffle at all Cardinals home games in 2025 benefitted the Arizona Cardinals Foundation, giving fans a direct way to contribute and participate in these efforts.

COMPLETING A RARE FEAT VS. THE 49ERS

With their performance vs. San Francisco in Week 11, Wilson and McBride became just the second duo in franchise history to have 10+ receptions and 100+ receiving yards in a single game. They did so exactly 17 years to the day of the only other instance: WRs Anquan Boldin (13-186) and Larry Fitzgerald (10-151) vs. Seattle on 11/16/08.

PERFORMANCE FOR THE AGES VS. THE NINERS

Heading into the Week 11 matchup vs. San Francisco last season, Wilson never had more than 8 receptions or 95 receiving yards in a single game.

He finished the Week 11 matchup with 15 receptions for 185 yards - nearly doubling his previous career high in both receptions and yards.

WEEK 1

Arizona Cardinals 26, Los Angeles Chargers 14

70,540 ■ SoFi Stadium ■ Sep 13, 2026

Arizona Cardinals	7	6	3	10	—	26
Los Angeles Chargers	7	0	7	0	—	14

In the regular season debut of Cardinals head coach Mike LaFleur, the Cardinals opened the campaign at SoFi Stadium against the Chargers in a game few gave them a chance to win. But thanks to a strong performance in all three phases, Arizona came away with a decisive 12-point victory and LaFleur became the first Cardinals head coach to win his debut since Don Coryell in 1973. QB Jacoby Brissett was 27-37 passing for 277 yards and a TD with no turnovers. His top target again was all-pro TE Try McBride who caught 9 passes for 95 yards and a TD while new WR Kendrick Bourne had 8 catches for 75 yards. The defense held LA to 14 points and 268 total net yards while forcing two takeaways, 3.0 sacks and delivering a key goal-line stand. And special teams provided one of the game's key plays with a 4th quarter blocked punt by WR Simi Fehoko that led directly to an AZ touchdown.

On the game's first play, Brissett hit McBride downfield for 27-yard completion. Ten plays later, rookie RB Jeremiyah Love bounced it outside on 2nd-n-goal from the 5 and his TD run capped the 11-play, 70-yard opening drive. The Chargers answered with their own lengthy drive (8 plays, 77 yards) and RB Omarion Hampton's 9-yard scoring run tied the game at 7. The Cards again moved into scoring position on the ensuing possession but Chad Ryland's 54-yard FG try hit the right upright and they came away scoreless. However, the defense soon got it back when S Andrew Wingard's forced fumble by Hampton gave the AZ's offense the ball back at its own 34. The Cards would reach the LA9 before Ryland's 27-yard FG made it 10-7. The Chargers seemed poised to tie the game or go ahead on the next drive when they advanced to the AZ3 at the 2:00 warning and faced 4th-n-goal from there. LA went for it but DT Dante Stills came up the middle to sack Justin Herbert for a loss of 10 that turned it over on downs. Taking over at their own 13 with 1:55 to go and no timeouts, Brissett moved the Cardinals offense 61 yards in 8 plays and Ryland's 42-yard FG as the half expired made it 13-7 at intermission.

Herbert and the Chargers got the ball to start the 3rd quarter but AZ's defense forced the game's first punt. Soon thereafter, Brissett connected with WR Marvin Harrison, Jr. on a beautiful pass deep down the left sideline that covered 33 yards to the AZ45. That drive would end with another Ryland FG – this one from 34 yards – and Arizona led 16-7 midway through the 3rd. The ensuing LA drive was aided greatly by a 48-yard defensive pass interference penalty that took it to the AZ12 and Herbert's 8-yard TD pass to WR Ladd McConkey cut the Cardinals lead to 2 at 16-14 with 6:03 to play in the 3rd. Early in the 4th, the Chargers lined up at their own 19 to punt it back to the Cardinals when Fehoko knifed through the middle and blocked it. Arizona's offense took over at the LA3 and a play later, Brissett found McBride with a 3-yard TD pass in the near left corner of the end zone to put the Cards up 23-14 with 11:44 to play. On the next series, Herbert aired it out deep down the middle but Wingard came over from his safety position to pick it off at the AZ5. Up 9 with 9:39 remaining, the AZ defense did not allow the Chargers to threaten again and Ryland's 49-yard FG with 2:33 remaining provided the final points in the Cardinals victory.

WEEK 2

Seattle Seahawks 31, Arizona Cardinals 7

63,191 State Farm Stadium Sep 20, 2026

Seattle Seahawks		7	0	10	14	—	31
Arizona Cardinals		0	7	0	0	—	7

After a season-opening win over the Chargers in Los Angeles, the Cardinals returned home in week 2 to take on the defending Super Bowl Champion Seahawks. The divisional battle was tight in the first half and the teams were tied at 7 going into halftime. But after, that it was all Seattle as the visitors produced points on all 4 of their 2nd half possessions and scored 24 unanswered points en route to a 31-7 victory. Seahawks receiver Jaxon Smith-Njigba led the way with 9 catches for 155 yards and 3 TDs from QB Drew Lock, who was starting in place of an injured Sam Darnold. Meanwhile, the Seattle D limited Arizona to 151 total yards and 7 points. TE Trey McBride was again the focal point for the AZ offense, finishing with 8 receptions for 41 yards and a TD.

Seattle opened the scoring on its 2nd offensive snap of the game when Lock went deep to Smith-Njigba, connecting on an 82-yard TD pass. The Seahawks held that lead into the 2nd quarter but on the first play of it, Arizona faced a 4th-n-goal from the SEA2 and elected to go for it. The decision was validated when McBride caught a Jacoby Brissett pass in the near left corner of the end zone to tie the game. The next Seattle drive reached the AZ47 but LB Zaven Collins forced a turnover when he ripped the ball from RB Jadarian Price and recovered it himself. The Cards could not capitalize on the takeaway and the Seahawks looked like they would reclaim the lead when their next possession reached AZ's 1-yard line with 1:16 to go in the half; however, on 4th-n-goal from there, the AZ defense stuffed an Emanuel Wilson run for a 1-yard loss forcing a turnover on downs. That goal-line stand resulted in a 7-7 game at intermission.

The 2nd half began with an unlucky break for the Cardinals. On the opening kickoff, Arizona's special teams forced a fumble by Seahawks returner Rashid Shaheed; however, the ball bounced fortuitously to Seahawks LB Chazz Surratt who took it 35 yards to the AZ37. Four plays later, Lock's 3rd-n-goal pass found Smith-Njigba in the end zone for a 7-yard TD that put Seattle up 14-7. A minute later, Seahawks S Julian Love made a diving INT to set the offense up at the AZ42 and that led to a 33-yard Jason Myers FG that made it 17-7 with 6:47 to go in the 3rd. Seattle's next drive covered 80 yards in 10 plays and again ended with a Smith-Njigba TD catch, this one from 12 yards out on 3rd-n-6. With 11:25 to go and up 24-7, Seattle embarked on a 16-play, 70-yard drive that chewed 10:14 from the clock and TE AJ Barner's 1-yard sneak on 4th-n-goal from the 1 provided the final margin.

WEEK 3

Arizona Cardinals 30, San Francisco 49ers 36

70,687 ■ Levi's Stadium ■ Sep 27, 2026

Arizona Cardinals	0	6	7	17	—	30
San Francisco 49ers	7	10	6	13	—	36

In week 3 at Levi's Stadium, the Cardinals (1-1) faced the 49ers (2-0). San Francisco jumped out to an early lead with TDs on its first two offensive possessions and led 23-6 one drive into the 3rd quarter. But Arizona would come back, closing to within 3 early in the 4th quarter on Jacoby Brissett scoring passes to WR Michael Wilson and rookie RB Jeremiyah Love, respectively. It was Love's best game to date as he finished with 90 rushing yards on 21 carries and Wilson led all receivers with 11 catches for 89 yards. While the Niners would proceed to score two fourth-quarter TDs, the Cards continued to battle and the game was not decided until San Francisco recovered an on-side kick attempt in the closing seconds to preserve its 36-30 victory.

The 49ers opened the scoring on their third offensive snap of the game; they faced a 3rd-n-12 at their own 18 when Brock Purdy tossed a short pass to WR Mike Evans who immediately pitched it to WR Deebo Samuel and Samuel took it 80 yards down the left sideline for a TD. That lead grew to 14 with a long, 10-play, 93-yard scoring drive on the next SF possession that Purdy ended with his 23-yard touchdown pass to Evans on the first play of the second quarter. Arizona got on the scoreboard with 3:03 to go before halftime when Chad Ryland's 26-yard FG capped a 14-play, 54-yard drive. The Cards offense got the ball back 90 seconds later following a 49ers punt, taking over at its own 17. Brissett moved the team 59 yards in 8 plays and Ryland's 41-yard FG made it 14-6 with 0:23 to go in the second quarter. Unfortunately, that was enough time for Purdy to move into position for a long FG try and Eddy Pineiro's 57-yarder as the half expired made it 17-6 at intermission.

The 49ers got the ball to open the third quarter and made it count. They moved 56 yards in 7 plays and Christian McCaffrey's 1-yard TD plunge made the score 23-6 after the PAT kick failed. Arizona needed an answer on the ensuing drive and found it as Brissett completed 5 of 5 passes for 36 yards and Love rushed 6 times for another 31; it ended with Wilson's 5-yard TD pass from Brissett that made it 23-13 with 3:02 left in the third. A couple minutes later, the Cards caught a break on special teams when their punt hit the leg of 49er Siran Neal and Simi Fehoko pounced on it at the SF28. Five plays later, Brissett found Love out of the backfield and the rookie's 1-yard TD catch made it a 3-point game with 13:06 to play. While the Niners then moved to the AZ11 in 6 plays, Arizona appeared to come up with a key 3rd down stop when Purdy's 3rd down pass was incomplete; however, officials threw a roughing the passer flag and two plays later, TE George Kittle caught a 10-yard TD pass. Down 29-20 with 8:42, the Cardinals would not go away. Brissett moved them 68 yards in 14 plays and called his own number on a QB sneak from the 1-yard line. That TD made it 29-27 with 2:51 remaining and AZ holding two timeouts. With 1:36 to go, SF had advanced to the AZ20 and the Cards were out of timeouts. With everyone expecting a run on 2nd-n-10 from there, Purdy found Kittle with a downfield and he took it into the end zone to make it a 9-point game with 91 seconds left. The Cards quickly moved to the SF31 with 0:39 remaining. Because they needed at two scores and a successful on-side kick recovery, they opted for a 49-yard FG try at that point. Ryland nailed it to make it 36-30 but AZ could not come up with the on-side kick attempt and the game ended one snap later.

WEEK 4

Arizona Cardinals 24, New York Giants 36
80,893 MetLife Stadium Oct 4, 2026

Arizona Cardinals	14	3	7	0	—	24
New York Giants	3	16	8	9	—	36

In Week 4 at MetLife Stadium, the Cardinals faced the Giants in a game that featured 4 lead changes and even more momentum swings. Arizona scored touchdowns on each of its first two possessions and led 14-3 after one quarter. But the Giants led by 2 at intermission thanks to outscoring the Cardinals 16-3 in the second quarter. It continued to go back and forth in the second half and with the Giants up by 6, Arizona had the ball for 4 plays from the NYG 4 in the game's final 22 seconds. But after incompletions on the first 3 plays, the fourth down attempt was picked off and returned for a TD to seal the game. New York improved to 3-1 with the victory while the Cardinals dropped to 1-3.

Arizona's Devin Duvernay returned the game's opening kickoff 39 yards to the AZ42. On the subsequent 8-play, 58-yard drive, rookie RB Jeremiyah Love ran 4 times for 27 yards and Jacoby Brissett completed 3 of 4 passes for 31, the last of which was a pass he dropped perfectly into the arms of WR Marvin Harrison, Jr. for a 12-yard TD. The Giants answered with a 39-yard Dominic Zvada FG that made it 7-3. On the ensuing AZ drive, Brissett started it with a 20-yard completion to Wilson, Love ripped off two runs of 8 and fellow RB Tyler Allegeier ran for 7, 9 and then 22 yards into the end zone to give the Cards a 14-7 lead. Zvada's 50-yard FG on the first snap of the 2nd quarter then made it 14-6. On the second play of the next drive, a tipped Brissett pass was INT'd by CB Greg Newsome II turning it over to the NYG offense at its own 32 but AZ's defense forced a 3-n-out. After a series of traded punts and no first downs, QB Jameis Winston completed a 12-yard TD pass to WR Malachi Fields with 4:30 left in the first half and it was 14-12 AZ after the 2-point try failed. The 3rd play of the next AZ drive was a pass deflected at the line and it caromed straight to rookie LB Arvell Reese. The INT set the Giants up at the AZ26 and 2 snaps later, Winston went down the middle to WR Malike Nabers for a 25-yard TD. That score gave NYG its first lead of the game at 19-14 with 2:24 before halftime. Following an Arizona 3-n-out, NYG had it at the AZ48 but Winston's 3rd-n-4 pass was picked off by CB Denzel Burke. The takeaway gave AZ possession at its own 25 with just 24 ticks on the clock. But three Brissett completions quickly took it to the NYG42 and Chad Ryland's career-long 60-yard FG as the half expired made cut the Giants lead to 19-17.

The 2nd half began with a sack by LB Josh Sweat followed quickly by a Budda Baker INT that set AZ's offense up at the NYG37. That led to a 2-yard Brissett TD pass to TE Elijah Higgins that put the Cardinals back up, 24-19. The next series by the NYG offense again started with a Cardinals sack, this one by DL Darius Robinson, and the Giants soon faced 3rd-n-20 at their own 42. They converted it on a 40-yard completion but AZ ultimately forced them to settle for a 34-yard Zvada FG that appeared to cut the Cardinals lead to 2; however, a rare defensive holding call gave the Giants a fresh set of downs and took the FG off the board. Two plays later Winston's 11-yard TD pass to TE Theo Johnson and a 2-point conversion put the Giants up 27-24 late in the 3rd quarter. The next NYG drive saw the Giants reach the AZ43 but LB Mack Wilson punched the ball from RB Najee Harris and LB Zaven Collins recovered. With 6:00 to go, AZ took over at its own 3 and down 3. The Cards went 3-n-out when defensive pass interference was not called on a 3rd down pass to TE Trey McBride. However, the Cards did allow just a FG on the ensuing possession, this one from 52 yards out. Down 6 with 2:06 to play and one timeout, AZ took over at its own 33. Brissett moved the offense to the NYG22 with :27 left and on 3rd-n-6, a pass interference foul on a pass to Harrison gave AZ a 1st-n-goal the 1. Three incompletions led to a 4th-n-goal with :11 left but Brissett's pass to Wilson at the goal line was INT'd by CB Deonte Banks who took it for a 98-yard TD as time expired.

WEEK 5

Detroit Lions 45, Arizona Cardinals 21

60,968 ■ State Farm Stadium ■ Oct 11, 2026

Detroit Lions	0	24	14	7	—	45
Arizona Cardinals	7	0	7	7	—	21

In Week 5, the Cardinals (1-3) hosted the Lions (2-2) at State Farm Stadium. Arizona was up 7-0 after one quarter possessing momentum on both sides of the ball but Detroit scored then 31 unanswered points enroute to a 45-21 victory.

Early on, the Cardinals defense was dominant and limited the Lions to minus-9 yards on 9 offensive plays in the 1st quarter. Each of Detroit's first 3 drives was a 3-n-out and each featured a sack from a different Cardinals defender. Meanwhile, the Arizona offense was also impressive early, moving 73 yards in 14 plays on an opening drive that QB Jacoby Brissett ended it with a 2-yard TD pass to back-up TE Teagan Quitoriano. That initial momentum would soon slip away. Early in the 2nd quarter, the Lions picked up their first 1st down of the game by converting on 4th-n-3 at the AZ38 and three plays later a 1-yard TD run by RB Jahmyr Gibbs tied the game at 7. On their next drive, the Lions advanced to the AZ38 and went for it on 4th-n-1; after faking a handoff, QB Jared Goff found TE Sam LaPorta open downfield for a 38-yard touchdown. Following a Cards 3-n-out, Goff & Gibbs led the Lions 75 yards in 9 plays and ended the drive with another 4th down conversion, this one on a TD pass to WR Jameson Williams on 4th-n-goal from the 8. Jake Bates' 46-yard FG with 0:53 left in the 2nd quarter gave Detroit a 24-7 lead at intermission.

Arizona threatened on the opening drive of the 3rd quarter but came away with no points after Chad Ryland's 53-yard FG try was just wide to the right. Detroit took advantage of the short field as Goff found Williams for a 39-yard TD on 3rd-n-10 to put the Lions up 31-7 with 9:42 to go in the 3rd. Arizona cut into the lead on its next possession when Brissett again found Quitoriano for a TD, this one a 13-yarder that capped a 10-play, 72-yard drive. The Lions answered with a 74-yard drive and Goff's 1-yard sneak on 4th-n-goal put them up 38-14 with 1:05 to go in the 3rd. After a Gibbs 3-yard TD run made it 45-14 with 5 minutes to play, Arizona TE Trey McBride made an athletic and acrobatic grab at the side of the end zone for a 9-yard TD grab that provided the game's final points.

CARDINALS GAME SUMMARIES

WEEK 6

Arizona Cardinals 18, Los Angeles Rams 16
72,573 ■ SoFi Stadium ■ Oct 18, 2026

Arizona Cardinals	3	6	3	6	—	18
Los Angeles Rams	3	6	0	7	—	16

After opening the regular season at SoFi Stadium in a win over the Chargers, the Cardinals were back in Week 6 to take on the Rams. And the visitors from the desert would again leave Tinseltown with a thrilling upset victory. Arizona's defense held LA's #1-ranked unit to just 16 points and 140 offensive yards below their season average; the effort included 3 sacks, 2 takeaways and a pair of 4th down stops. Part of that defensive success was due to Arizona keeping the Rams offense off the field with lengthy, ball-controlled possessions. Four Cardinals offensive drives were 10+ plays including two that consumed well over 8 minutes each. The game's biggest star was kicker Chad Ryland who accounted for all 18 points by going 6 for 6 on FGs, including a 43-yard game-winner as time expired. All-pro TE Trey McBride hauled in 7 passes and became the first TE in NFL history with 7+ receptions in each of the first 6 games of a season. Each team moved to 2-4 on the season with the game's outcome.

The game started with defense. After Arizona sent the Rams 3-n-out on the game's opening possession, LA safety Quentin Lake got the ball back when he picked off Jacoby Brissett on the drive's third play. That set the Rams up at the AZ 32 but they were limited to 6 yards in 6 plays including a 3rd down sack by LB Josh Sweat. It forced a 44-yard FG by new Rams kicker Blake Grupe — who was signed just days earlier — and LA led 3-0. Arizona's Devin Duvernay returned the ensuing kickoff 40 yards to the AZ47; significantly, Grupe injured his knee attempting the tackle and the Rams were forced to go the rest of the game without a placekicker. The Cards offense then moved 37 yards — 26 on a McBride catch and run — to set up Ryland's 34-yard game-tying FG. After another Rams 3-n-out, AZ's offense would move 68 yards in 10 plays. The biggest play was a 31-yard run to the 10 by back-up RB Bam Knight, who saw extended duty in the absence of injured rookie Jeremiyah Love; it set up Ryland's 30-yarder that put Arizona up 6-3 early in the 2nd quarter. The Rams then went 73 yards in 12 plays and Stafford put them back on top with a 15-yard TD pass to RB Blake Corum; without a kicker LA went for 2 after the TD but it was Arizona that nearly scored when Sweat sacked Stafford on the try forcing a fumble that DL L.J. Collier scooped and returned deep into LA territory before being chased own. Down 9-6, AZ would embark upon a 12-play, 64-yard drive just before the half and Ryland's 22-yard FG made it 9-9 at intermission.

The Cardinals got the ball to open the 2nd half and kept it for quite a while; they ran 15 plays and chewed 8:35 off the clock before Ryland's 4th field goal — this one a 38-yarder — made it 12-9. The subsequent Rams drive advanced in 8 plays to the AZ27 where they faced a 4th-n-1; they went for it but came away empty when AZ stuffed back-up TE Davis Allen for no gain on an inside hand-off. From there, the Cards put together a drive very similar to their previous one, going 64 yards in 14 plays and consuming 8:11; this one also ended in a Ryland FG and his 27-yarder made it 15-9 with 9:28 left to play. The Rams next possession reached the AZ19 before an errant snap lost 11 yards; on the next play, LB Cody Simon stripped TE Tyler Higbee forcing a fumble that was recovered by CB Denzel Burke. LA got the ball back a short time later and with 3:17 remaining went for it on 4th-n-8 at the AZ44; the Cards sniffed out a screen pass in the backfield and the Rams turned it over on downs with an incomplection. AZ took over at its own 45 with 3:17 left but could not pick up a first down. With 2:45 remaining and two timeouts, the Rams got the ball back at their own 14. Stafford would soon connect with WR Puka Nacua on a 43-yard catch-n-run to the AZ13 and with 0:47 left he tossed a 6-yard TD pass to TE Colby Parkinson. The game was knotted at 15 pending the PAT but the Rams broke the tie when punter Ethan Evans, pressed into service as the placekicker, put the try through the uprights. Following a touchback, the Cardinals took over at their own 35 with 0:47 remaining and no timeouts. On the drive's first play, WR Jalen Brooks made a diving catch of a Jacoby Brissett pass across the middle; the reception itself gained 21 yards and an unnecessary roughness penalty tacked on 15, taking the ball to the LA29. RB Tyler Allgeier ran twice as the Rams exhausted their two remaining timeouts after which Brissett ran to the left hash to set up the game-winning attempt. With a running clock, the AZ field goal unit calmly came onto the field and Ryland booted it through from 43 yards out as time expired.
