LOS ANGELES CHARGERS HEAD COACH ANTHONY LYNN

On TE Antonio Gates:

"It was good to see him back on the field. He caught some balls and did a little bit, but not much. He's still under the weather. We will see where he is tomorrow."

On the importance of the next two days to see if Gates feels better for Sunday:

"Absolutely."

On Gates' illness:

"I don't like to be really specific about player's injuries and illnesses during the season. He's just under the weather and he's feeling better, but we will see where he is on Sunday."

On if he has seen the LA Stadium and Entertainment District at Hollywood Park:

"Yeah, we went out there, I think, in April. I'm sure now that it's probably much further along. We were very impressed. It looks like an iconic stadium."

On his impressions of the stadium:

"I was just impressed. Then, you go see the model and it's like nothing I've ever seen in a stadium. I'm looking forward to playing there one day."

On WR Travis Benjamin:

"He was limited today. He will do more tomorrow. He could be a game-time decision as well."
