WEEK 15 — PODIUM AVAILABILITY

Friday, December 13, 2019 | Hoag Performance Center | Costa Mesa, Calif.

LOS ANGELES CHARGERS HEAD COACH ANTHONY LYNN

On having one person on the injury report:

"I feel really good about that. [LB] Uchenna [Nwosu], he's questionable. Sprained his ankle a little bit in practice yesterday. We'll see how he looks on Sunday."

On if DT Jerry Tillery will play on Sunday:

"We'll finalize those decisions probably tomorrow evening — but I like Jerry — this is the type of game that you want Jerry on the field, so we'll see."

On what Tillery brings:

"Speed. He's athletic versus an athletic offensive line, so that's kind of what you're looking for with this scheme. It's a wide-zone running scheme. It's really not a downhill power scheme, so you like guys that can run and move a little bit."

On CB Brandon Facyson getting reps at the second corner spot:

"Absolutely. We'll see — [CB Michael] Mike [Davis] has been gone for a couple weeks. We'll see how Mike's playing, but we'll definitely get Facyson in the game. I like what he did the last couple weeks and I definitely want to keep him going."

On how CB Michael Davis did this week in practice:

"I think he looked good. He looked fine."

On T Trey Pipkins III:

"Like I said, we'll finalize those decisions tomorrow. A lot of it depends on how healthy we are up front."

On LB Denzel Perryman:

"He came back and he looks sharp. He looked sharp in practice. He's one of our best run stoppers. Glad to have him back."

On if he had a conversation with Perryman to resolve the issues from last week:

"Oh absolutely, yeah. We're on the same page."
