## **Ken Whisenhunt Relieved From His Duties as OC**

The Los Angeles Chargers today announced that **Ken Whisenhunt** has been relieved from his duties as offensive coordinator.

“This is not an easy decision and definitely not one that I take lightly,” said Head Coach Anthony Lynn. “You win as a team, and you lose as a team. It’s never about just one person. At the end of the day, however, I simply felt a change was needed at this time. I want to thank Ken for his years of service to the Chargers organization and wish him nothing but the best moving forward.”
