WEEK 2 — PODIUM AVAILABILITY Friday, September 13, 2019 | Hoag Performance Center | Costa Mesa, Calif.

LOS ANGELES CHARGERS HEAD COACH ANTHONY LYNN

On WR Mike Williams:

“He’s better today, but he is still game time decision — but he was better.

“I just need to see that he can go out and play and not hurt himself. He has a couple more days, it’ll be day by day.”

On K Michael Badgley:

“Same with him. The last thing I want is for our kicker to have an injury that is lingering throughout the season. I want to get him healthy before I put him back out there.”

On if Williams will be on the snap count if he plays:

“Yeah, I think that would be smart to do but you never know. You get into a game and a guy feels good, you just let them go and play football — but if he’s ready, he’ll be out there.”

On WR/PR Travis Benjamin:

“Yeah, Travis will definitely step up. Absolutely.”

On bringing up a wide receiver:

“We’ve talked about it. We could but we will wait and see what the depth is like.”

On WR Jeremy Davis:

“We were just doing some extra work with him. He’s in the same boat, he’s kind of day-by-day as well. He has a critical role on special teams and as a backup receiver.”

On having two injured receivers:

“It does [make it difficult] because you don’t want two receivers going in this on one leg. You want those guys healthy. Like I said, they’ve gotten better every single day so we will see what happens.”

On LB Denzel Perryman:

“The knee is fine. He’s fine. He’s absolutely fine.”
