LOS ANGELES CHARGERS HEAD COACH ANTHONY LYNN

On Friday's practice:

"Well today, it was a bit of a review of Wednesday and Thursday. We call it, 'No Repeat Friday,' because we want to go out and execute today. There are some things we need to make corrections on and will do so tomorrow."

On the bye week:

"I don't think anyone [on the team] wanted the bye [week] last week — we just wanted to keep playing. We feel good about the way we were playing, but we got a chance to refresh, regroup and get our bodies right and minds right. I think they were excited about that and to be back [out in practice]."

On status of LB Kyzir White and DE Joey Bosa:

"I think they're getting better, but they're not there yet [in terms of being fully healthy]."

On RB Melvin Gordon III:

"He participated more today. It was good to see him running around today."

On preparation for the anticipated crowd noise in Seattle:

"We had a lot of crowd noise every day. We brought out smaller speakers [on to the field] and tried to generate as much crowd noise as possible."

On whether RB Melvin Gordon III will be active on Sunday:

"We'll see. I don't want to speak for Melvin, but if he's feeling alright — I know he wants to play."

On the impact of Gordon's absence on the field:

"We missed him last game. I like his presence back there [in the backfield]. He's a big back — strong and physical. He makes plays. He also makes plays and is a really good receiver for us out of the backfield."
