Chargers Week 13 Media Availability

Friday, December 1, 2023 ⚡ Hoag Performance Center ⚡ Costa Mesa, Calif.

HEAD COACH BRANDON STALEY

On WR Keenan Allen:

"Yeah, it was good to have him back out there. He was sore from the game, so we wanted to give him so rest. He was able to get out there and do some work today. We'll take the time between now and the game to see if he's ready to go."

On the red zone offense:

"It's been an emphasis — it's always a point of emphasis, I think for us. It's such an important field zone. We've been really good there this season. The past couple weeks with the two red zone turnovers, that's been the emphasis for us. Making sure we're strong with the ball down there. Otherwise, I think we've been productive down there as an offense."

On Allen's availability for Sunday:

"I think we should have an idea before we leave. It's good to at least see him out there today."

On Allen's injury:

"Yeah, it's like a thigh bruise."

On if Allen's injury 'happened during the game':

"It did, yeah."

On T Trey Pipkins III:

"He's been here at practice all week, pretty much. Just sore from the game. I think he'll be able to go, but just making sure between now and then that he's good."
