RACIAL DIVERSITY

DISCUSSION QUESTIONS FOR HOME:

- ➔ What kind of family are we, are we blended? Do we have any family friends that have a blended household?
- ➔ Do you ever feel different than your classmates or siblings? Explain how differences are okay and we are all differently unique.
- ➔ A deeper dive into the civil rights movement, discuss realities of what black people faced during this time and how brave they were to keep fighting. Have you ever spoken up for something when everyone told you, you shouldn't?
