

December 15, 2020

Dear Leslie,

Thank you for providing your generous donation of 1250 meals to the MISSION UNITED Operation Turkey Dinner event on November 25, 2020. I wanted to thank you for being onsite during the event as well. Your support during the event was instrumental. You and your team are exceptional and we greatly appreciate your support and partnership.

We had an unexpectedly high turnout this year but it shows how much food distribution events are needed in our community during this time. This was truly a community effort and this event wouldn't have been successful without our sponsors and volunteers.

The Veterans have expressed their gratitude for this event and thank you for your support. We hope that you will join us again next year for this event.

We thank you for joining us in *"Serving Those Who Have Served."*

Sincerely,

Sybil Allison, M.A.
U.S. Army Veteran
Director, MISSION UNITED
United Way of Broward County

The United Way of Broward County, through its MISSION UNITED initiative is administering a program to assist Veterans and their families with Housing Support, Employment Services, Education, Legal Assistance, Health and Financial Stability.
