DOLPHINS HOST JETS AT HARD ROCK STADIUM

The Dolphins are back in Miami Gardens after a two-week road stretch to host the New York Jets for their second meeting of the year. Kickoff is set for **Sunday, Nov. 29, at 1 p.m. at Hard Rock Stadium.**

Sunday's game marks the 122nd all-time regular season meeting between the Dolphins and the Jets, with Miami holding a **63-57-1 record advantage.**

Miami has won 11 of the last 13 games against the Jets and the last 10 meetings at Hard Rock Stadium.

This marks the second meeting between the teams this season, with the Dolphins defeating the Jets, 28-25, in Week 7 at MetLife Stadium.

The Dolphins are capping off four divisional matchups over a six-week span: Week 7 at the Jets, Week 8 vs. New England, Week 11 at Buffalo and this week's meeting with New York at Hard Rock Stadium.

Miami will close its divisional slate by hosting Buffalo in Week 17 and traveling to New England in Week 18.

SULLY HIT THE GROUND RUNNING

Jon-Eric Sullivan was named Miami's general manager on Jan. 9, 2026, and has wasted no time in retooling the roster since his arrival in South Florida.

In his first nine months on the job, Sullivan has:

- Signed Pro Bowl **RB De'Von Achane**, second-team All-Pro **C Aaron Brewer** and first-team All-Pro **ILB Jordyn Brooks** to contract extensions, securing the team's pillars for the long term.
- Added 16 veterans who are currently on the 53-man roster via free agency, trade and the waiver wire, in addition to free agent **QB Malik Willis**.
- Increased Miami's draft capital from eight to **13 picks** in the 2026 NFL Draft, including **two first-round selections**.
- Drafted a **league-leading 13 players**, including **six in the top 100**.
- Added eight players on the waiver wire, traded for **QB Kyle McCord** and signed **EDGE Malik Herring** at roster cut downs.
- Added **15 players off waivers** since the start of training camp, **with a league-high nine currently on the 53-man roster.**

"Our young guys, our rookies, I think that they have a bright future. I think Sully did a great job bringing these guys in. He brought the right guys in and not just because they're out there making plays, but just the right guys, the right people that you want in a locker room..." said Dolphins All-Pro ILB and team captain **Jordyn Brooks** in Week 9.

HAFLEY IN FIRST SEASON AS NFL HEAD COACH

Jeff Hafley is the 12th head coach in franchise history. The 2026 season is his 26th year of coaching and his 10th season in the NFL.

Hafley's vision for the Dolphins is to build a team founded on these core values: **trust, belief, accountability** and **toughness.**

"That's physically, that's mentally, that's everything that we do. It's a toughness that thrives on competition. It's a toughness that reflects the people and the spirit of the city of Miami," Hafley said in his introductory press conference.

Signs of that culture have become increasingly apparent.

"Coach Hafley is doing a hell of a job. That team plays hard. The tape said so. We knew it would be that way," said Lions Head Coach Dan Campbell postgame in Week 9.

"They fought us tooth and nail till the very end. I thought Jeff Hafley is doing a great job with these guys, man. He's got them believing," said Bengals Head Coach Zac Taylor postgame in Week 5.

"His guys play hard and they play hard every snap. That means they're listening and trusting him...," said Chiefs Head Coach Andy Reid postgame in Week 3.

His 49 rushing yards are the **third most in the NFL** among wide receivers this year, while his 11 carries are **tied for second:**

In addition to his touchdown pass, Washington added three receptions for 50 yards (16.7 avg.) and four punt returns for 36 yards (9.0 avg.) against Indianapolis.

Washington is the **third player in NFL history** to record more than 30 passing yards, 30 receiving yards and 30 punt return yards in a game, and **the first since Ray Mathews for the Pittsburgh Steelers in 1952.**

He joined Tony Nathan as the **only players in Dolphins history** to record passing, rushing, receiving and return touchdowns in their careers. He became the **18th NFL player to accomplish the feat since the 1970 merger**.

Washington has recorded four games this year of 100-plus all-purpose yards.

He recorded **126 all-purpose yards in Week 1 at Las Vegas,** followed by **123 in Week 2** at San Francisco, **116 in Week 3** vs. Kansas City **and a season-high 134 all-purpose yards** in Week 5 vs. Cincinnati, including 43 receiving, 18 rushing, 45 on kickoff returns and 28 on punt return, while **surpassing 3,000 career all-purpose yards.**

His Week 5 performance made him the **10th NFL player in the last decade to record at least 15 yards in each metric in a single game and the only player to do so this year.**

Since being drafted by Miami in 2024, **Washington has recorded a total of 15 games of 100-plus all-purpose yards, the most among 2024 draftees:**

He became the **seventh rookie in Dolphins history** to record multiple touchdown receptions in a game and the first since RB De'Von Achane in 2023.

ROOKIE RECEIVERS MAKING THEIR MARK

Douglas's 94 receiving yards in Week 1 at Las Vegas tied the Dolphins record for the **most receiving yards by a player in his team debut** and **set the franchise mark for the most by a rookie** in his NFL debut:

In Week 7 at the New York Jets, the Dolphins delivered a key fourth-quarter goal-line stand to help secure their first win of the season.

After the Jets reached first-and-goal at the 1-yard line, Miami pushed them back on three straight plays, ultimately forcing a field goal from the 15-yard line, maintaining the team's lead.

In Week 9, Miami kept the Lions out of the end zone in both of Detroit's goal-to-go possessions.

DOLPHINS STIFLE LEAGUE'S TOP OFFENSE IN WEEK 9

The Dolphins posted one of their best defensive performances of the season in Week 9, **limiting the Detroit Lions' top-ranked offense to 270 total yards and 19 points**.

The 270 yards were Detroit's fewest in a game this year, while the 19 points tied its season low.

The Dolphins limited Detroit to **3-of-12 (25.0%) on third down**, the Lions' lowest conversion rate in a game this season. Miami also held Detroit to **4.7 yards per play** and **16 first downs**, both season lows.

The Dolphins held quarterback Jared Goff without a touchdown pass for the first time in 30 games, **snapping the NFL's longest active streak and the 11th longest in league history.**

Miami set the tone early, totaling **3.0 sacks, an interception and five tackles for loss while holding Detroit to 1-of-6 (16.7 percent) on third down in the first half alone.**

The Dolphins backed up that performance in Week 10 at Indianapolis, **holding the Colts to just 267 yards, including only 104 passing**. Miami also **forced seven three-and-outs, tied for the most across the league** in Week 10.

YOUTH FUELING TAKEAWAYS

The Dolphins have recorded **nine interceptions** and **six forced fumbles** this year, with much of that production coming from first-year players.

S Michael Taaffe leads the team with three interceptions, recording picks in Week 1 at Las Vegas, in Week 7 at the New York Jets and in Week 10 at Indianapolis.

Fellow rookie **ILB Jacob Rodriguez** recorded his first career interception in Week 3 vs. Kansas City and added a pick in Week 11, while rookie **CB Chris Johnson** recorded his first in Week 9 and followed with a pick-six in Week 10.

It is the **first time in team history that three rookies have each recorded multiple interceptions in the same season, and the first time by any team since Green Bay in 1999** (Antuan Edwards, Mike McKenzie and Fred Vinson).

With his three picks, **Taaffe** is the **12th player in Dolphins history to record three or more interceptions as a rookie** and the first since Vontae Davis tallied four in 2009. **He is the only rookie safety in the NFL** with three interceptions this season.

Johnson became the **ninth rookie in team history** to record a pick six and the first since Minkah Fitzpatrick in 2018. He is **one of three rookies in the NFL** this season with a pick six, joining San Franciscos LB Jaden Duggar and Tampa Bays LB Josiah Trotter.

With their picks in Week 10, **Taaffe** and **Johnson** became the **second rookie duo in Dolphins history** to each record an interception in the same game, joining Rodney Thomas and Jarvis Williams in 1988.

This is also the first time since Zach Thomas and Shawn Wooden in 1996 that multiple rookies have had multiple interceptions in their debut season.

This is the fourth time in franchise history the team has had at least seven interceptions recorded by rookies and the first time since 1970.

Taaffe and **Johnson** each forced a fumble in Week 5 vs. Cincinnati, becoming **the first Dolphins rookie duo to do so in the same game since 1998.** They are also **the only rookies and two of 10 players in the NFL** to have multiple interceptions and a forced fumble this season.

HISTORICAL NOTE

Friday, Nov. 27, 2026, will mark the 42nd anniversary of Dan Marino's iconic fake spike against the Jets.

Marino and the Dolphins scored 28 points in the second half of the 1994 classic to storm back from a 17-0 deficit. With less than a minute left in the game Marino connected with wide receiver Mark Ingram for an 11-yard gain to set up first-and-goal at the 8-yard line.

With 22 seconds on the clock, Marino approached the line of scrimmage as if he were going to stop the clock with a spike. Instead, he elected to receive the snap and fire into the end zone, where he found Ingram for the go-ahead touchdown to punctuate Miami's comeback bid.

Ironically, Ingram was being covered by current Jets Head Coach Aaron Glenn, who was a defensive back for the team from 1994-2001.

GAME SUMMARY

The Miami Dolphins defeated the New York Jets 28-25 at MetLife Stadium on Sunday, securing the first win of the season. The victory marked the first NFL head coaching win for Head Coach Jeff Hafley, coming in his home state of New Jersey.

Miami moved the ball efficiently to score on its opening drive. Quarterback Malik Willis first found wide receiver Malik Washington for 12 yards through the air before running back Ollie Gordon II broke free for a 25-yard rush. Tight end Greg Dulcich then hauled in a 32-yard reception to set the Dolphins up at first-and-goal. Willis capped the drive with a 7-yard pass to wide receiver Caleb Douglas for his first NFL touchdown, and kicker Zane Gonzalez added the extra point to make the score 7-0.

The Jets responded with a 52-yard pass from QB Geno Smith to WR Omar Cooper Jr. to begin their first possession. Smith connected with TE Mason Taylor for a 13-yard score before K Jason Sanders added the extra point to tie the game 7-7 early in the first quarter.

Miami struck again on the following drive after running back Jaylen Wright returned the kickoff 39 yards to set the Dolphins up at their own 40-yard line. From there, Willis connected on quick strikes to Washington and Dulcich before scrambling for another 12 yards. After converting on fourth-and-1, Gordon II punched in a 1-yard touchdown run and Gonzalez added the extra point to widen the gap, 14-7.

New York then pushed deep into Miami territory, reaching the 21-yard line before safety Michael Taaffe intercepted Smith to give the Dolphins possession.

On the following drive, Miami's offense remained in control with a 15-play, 91-yard march downfield highlighted by 15- and 16-yard completions to Dulcich. Willis scrambled up the left side at second-and-goal to add another score before half, with Gonzalez extending the Dolphins' lead to 21-7 heading into the locker room.

Miami's defense was just as dominant in the first half, allowing the Jets to only one drive longer than four plays, while holding them to 28 rushing yards and 86 passing yards. The defense continued their momentum to start the second half, highlighted by edge Malik Herring bringing down Smith for a loss of six yards, ultimately forcing the Jets to settle for a field goal. The kick would sail wide, bouncing off the right goalpost.

New York responded later in the quarter when Smith found Cooper Jr. for a 60-yard gain, setting up a scoring drive that ended with Cooper Jr. hauling in a short touchdown strike. Sanders added the extra point to make it a one score game at 21-14.

The Jets drove deep into Dolphins territory and earning a first-and-goal opportunity. The defense stood strong near the goal line as DL Zach Sieler and edge Josh Uche added consecutive tackles for loss, before edge Chop Robinson sealed the deal with a 12-yard sack. The Jets settled for a 33-yard field goal from Sanders that cut the deficit to 21-17.

With six minutes left to play, Miami's offense broke through again. On the third play of the series, Willis found Douglas down the sideline for a 63-yard touchdown, the duo's second scoring connection of the day. Gonzalez's extra point widened the gap to 28-17.

New York continued to fight back with a 41-yard completion from Smith to RB Isaiah Davis. The drive culminated in a 12-yard touchdown pass to Taylor, and the Jets successfully converted the two-point attempt to cut Miami's lead to 28-25.

Miami sealed its first win of the season with two minutes to play, converting a key fourth-and-1 on a quarterback sneak before running out the clock.

HARD ROCK STADIUM

A GLOBAL ENTERTAINMENT DESTINATION

Hard Rock Stadium is home to the Miami Dolphins, the Formula 1® Hard Rock Miami Grand Prix, the Miami Open presented by Itaú, University of Miami college football, the Capital One Orange Bowl, Jazz in the Gardens, major concerts, boxing, international soccer and other world-class events.

The multi-purpose, 65,585-seat stadium completed a privately-funded renovation fine-tuned to enhance the fan experience, while transforming the venue into an epicenter of culture, innovation and spectacle.

DESIGN & MODERNIZATION

Hard Rock Stadium and its surrounding properties have undergone a private investment of more than $1 billion by Managing General Partner & Chairman of the Board Stephen Ross to transform the iconic venue into a global entertainment destination that showcases the best Miami has to offer. From world-class dining to arts, culture and luxury hospitality, Hard Rock Stadium delivers an elevated guest experience and portfolio of events that is unparalleled in professional sports.

Every aspect of the venue was upgraded during the multi-year development and renovation, which began in 2015. New seating experiences were introduced within the bowl, such as the 72 Club presented by Broxel, as well as many additional premium hospitality offerings. The renovation brought four high-definition video boards and the installation of a state-of-the-art canopy that keeps as many as 92 percent of guests in the shade. Remodeled, modernized suites throughout the stadium offer a more intimate club space with improved amenities and food, as well as the addition of theatre boxes and four new corner clubs.

Ross's investment has transformed the property beyond a just a stadium, to a hub for sports and entertainment. In 2018, the organization announced it would become home to the Miami Open presented by Itaú, a Masters 1000 level tournament on the ATP and WTA tours, which had spent three decades at Crandon Park in Key Biscayne. During the tennis tournament, Hard Rock Stadium and its campus transforms to boast 27 courts, including a permanent 5,000-seat Grandstand Court and temporary Stadium Court, which seats more than 16,000 inside the venue's bowl.

In 2022, construction was completed on the Miami International Autodrome, a Grade 1 FIA-homologated circuit and home of the Formula 1® Hard Rock Miami Grand Prix. Ross's investment also supported the construction of the paddock building, a 190,000 square foot building constructed in 2023 that houses F1 team pit garages and premium hospitality offerings on race weekend, and during other events at Hard Rock Stadium. In 2024, the campus added four additional track configurations, allowing the motorsports facilities to be utilized on a year-round basis, while not interrupting the flow of local traffic.

HARD ROCK STADIUM

40 YEARS OF HISTORY

Now in its 40th year of operation, Hard Rock Stadium was the first of its kind to be constructed entirely with private funds, costing $115 million when it was completed in 1987. Shortly after construction was completed, the venue, then known as Joe Robbie Stadium, hosted its first event – Family Day on Aug. 2, 1987, where more than 40,000 South Floridians became the first to see the brand-new gathering place. Two months later, on Oct. 11, 1987, the Dolphins played their first-ever regular season game in Miami Gardens, shutting out the Kansas City Chiefs, 42-0. The team's 40 consecutive seasons at Hard Rock Stadium is the fourth-longest streak among active NFL stadiums and the 12th-longest streak among professional sports franchises in the United States.

The stadium began to showcase its versatility in 1988, hosting its first-ever soccer match on March 4, 1988, in which the United States Men's National Team defeated Milionarios, a club team from Colombia, 2-1. The stadium has continued to host high-profile international soccer matches, highlighted by seven matches of the FIFA World Cup 2026™. During the World Cup, the venue hosted some of the most iconic matches of the tournament, including Argentina's thrilling 3-2 win in extra time over Cape Verde and the ten-goal tango between England and France in the Bronze Final, the highest scoring World Cup match since 1982.

The stadium hosted the NFL's premier game, Super Bowl XXIII, on Jan. 22, 1989. It marked the return of the Super Bowl to South Florida after a 10-year absence. The stadium has since hosted five more Super Bowls – XXIX (Jan. 29, 1995), XXIII (Jan. 31, 1999), XLI (Feb. 4, 2007), XLIV (Feb. 1, 2010) and LIV (Feb. 2, 2020). Super Bowl LIV marked South Florida's record 11th Super Bowl in 2020 – later tied by New Orleans – which celebrated the 100th anniversary of the NFL. Only Caesar's Superdome in New Orleans – eight – has hosted more Super Bowls than Hard Rock Stadium.

While the stadium hosted several baseball exhibition games in its early years, it officially became home to the Florida Marlins in 1993. On April 5, 1993, Joe Robbie Stadium as a baseball facility was unveiled to the public for the first time as the Marlins earned a 6-3 win over the Los Angeles Dodgers. While playing at the stadium, the team won two World Series, in 1997 and 2003. The 1997 World Series was capped off by one of the most historic moments in stadium history, as Édgar Rentería's walk-off single in the bottom of the 11th inning sealed the organization's first title. On Sept. 28, 2011, the Marlins played the last of the 1,504 games played in Miami Gardens, posting a record of 781-723 (.519).

A staple of South Florida, the Orange Bowl game was played for the first time at Hard Rock Stadium in 1996 and the venue has been the game's permanent home since 2000. Some of the greatest Orange Bowls have been played at Hard Rock Stadium: Michigan's historic comeback in a 35-34 overtime win over Alabama in 2000, Florida State's one-point victory after a back-and-forth affair with Michigan in 2016 and Notre Dame's gutsy come-from-behind win over Penn State to advance to the 2025 CFP National Championship.

In addition to the Orange Bowl, Hard Rock Stadium became home to one of college football's most historic programs, the Miami Hurricanes. Miami played their first home game at the venue on Aug. 28, 2008, dominating Charleston Southern in a 52-7 victory. The Canes have continued to perform at a high level while playing home games in Miami Gardens, highlighted by their appearance in the 2026 College Football Playoff National Championship at Hard Rock Stadium, the sixth college football national title game at the stadium.

In 2019, Hard Rock Stadium welcomed a new sport to its campus, tennis. With Ross's investment, the Miami Open presented by Itaú became a fixture of the venue's annual calendar. The tournament has featured the likes of Roger Federer, Serena Williams, Novak Djokovic, Carlos Alcaraz and Jannik Sinner, bringing the world's best to South Florida. In 2026, the tournament, which saw Sinner and Aryna Sabalenka claim singles titles, recorded a new attendance record as 420,118 fans made their way to Hard Rock Stadium.

In 2022, Hard Rock Stadium and Miami International Autodrome hosted the inaugural Formula 1® Hard Rock Miami Grand Prix. Since the first race, the Miami Grand Prix has emerged as one of the world's most popular sporting events and has cemented itself on the F1 calendar through 2041. Each year, hundreds of thousands of fans flock to South Florida to catch the likes of Lewis Hamilton, Max Verstappen and Lando Norris race around Hard Rock Stadium in the globe's finest motorsports series.

Hard Rock Stadium has hosted a variety of other events, including high-profile concerts featuring the likes of Taylor Swift, Beyoncé & Jay-Z, Rolling Stones, Coldplay, Paul McCartney, U2, Madonna and Bad Bunny.

MIAMI DOLPHINS IN THE COMMUNITY

The Miami Dolphins leverage the power of sports and entertainment to create a positive impact across South Florida. Through year-round community programming, the organization fights cancer, grows the game of football, and expands access to education and economic opportunities. Supported by players, alumni, staff and partners, these efforts strengthen communities and empower youth and families through purposeful engagement.

DOLPHINS CANCER CHALLENGE

Founded in 2010 in honor of former Dolphins player and broadcaster Jim "Mad Dog" Mandich, the Dolphins Cancer Challenge (DCC) is the organization's signature health initiative. Since its inception, the DCC has grown into the largest fundraising event in the NFL, raising more than $100 million, with 100 percent of all funds raised support cancer research and patient care at Sylvester Comprehensive Cancer Center, part of the University of Miami Health System and the Miller School of Medicine. These contributions have helped expand access to care across South Florida, advance innovative research, fund major infrastructure projects and strengthen survivorship programs. The initiative culminates each year with its marquee fundraising event featuring cycling, run and walk activities, held at the Miami International Autodrome at Hard Rock Stadium. DCC XVII is scheduled for Saturday, Feb. 27, 2027. For more information, visit http://www.dolphinscancerchallenge.com/.

MIAMI DOLPHINS CELEBRATE THE FUTURE OF FOOTBALL WITH 2026 HIGH SCHOOL PLAYOFF TEAMS AT SUNDAY'S GAME

Every high school tackle and girls flag football team from Miami-Dade, Broward and Palm Beach County that qualified for the 2026 playoffs will be welcomed to Hard Rock Stadium for the Jets vs. Dolphins game

MIAMI GARDENS, Fla. – The Miami Dolphins will celebrate the next generation of South Florida football stars this weekend during the New York Jets game at Hard Rock Stadium. On Sunday, Nov. 29, **the Dolphins will welcome every high school tackle and girls flag football team from Miami-Dade, Broward and Palm Beach counties that qualified for the 2026 playoffs.**

Nearly 100 teams and more than 4,000 student-athletes and coaches have been invited by the Dolphins for "SoFlo Sunday" presented by American Express, transforming Hard Rock Stadium into a celebration of South Florida football.

"Growing up in Miami, high school football shaped my life, and generations of young people across this community have found the same opportunity, relationships and purpose through the game," said Nat Moore, Miami Dolphins Senior Vice President of Special Projects and Alumni Relations, Dolphins alumnus and graduate of Miami Edison Senior High School. "By bringing every local playoff team together at Hard Rock Stadium, we are celebrating what these student-athletes have accomplished this year while showing them that the Dolphins are invested in their journeys."

SoFlo Sunday builds on the Miami Dolphins Academy's year-round investment in South Florida student-athletes through high school media days, combines, clinics, equipment donations and girls flag programming. In 2026 alone, more than 150 programs and 1,000 athletes participated in the organization's tackle and girls flag media days, nearly 600 athletes participated in the Miami Dolphins Academy Girls Flag Football League, and equipment was donated to 10 local tackle and girls flag programs. Since 2017, more than 9,000 players and 150 high school programs have been positively impacted by the resources provided to them through Miami Dolphins Academy donations.

"Growing the game in South Florida means investing in young athletes at every stage of their journey," said Kim Miller, Vice President of Community Affairs for the Miami Dolphins. "Through Miami Dolphins Academy, we're creating opportunities for kids to play, develop and experience the game while building meaningful relationships with schools and programs across our community. Bringing these playoff teams together at Hard Rock Stadium is a celebration of that year-round commitment."

The Dolphins will also host the four Nat Moore Trophy Finalists on Sunday: Andre Hyppolite (North Miami Beach), Nicholas Lennear III (Miami Carol City), Mark Matthews (St. Thomas Aquinas) and A'mir Sears (Christopher Columbus). The Nat Moore Trophy recognizes the top high school player from Miami-Dade, Broward and Monroe counties and is presented annually by CBS Miami.

South Florida is one of the top talent hubs for high school football in the country as Miami (21, 2nd) and Fort Lauderdale (11, T-8th) were among the top 10 cities with the most NFL players on Kickoff Weekend rosters this season. Three local high schools – all invited Sunday – had at least five players on NFL rosters to open this season: St. Thomas Aquinas, American Heritage-Plantation and Deerfield Beach. Current Dolphins **Josh Uche**, a Christopher Columbus graduate, and **Jason Marshall Jr.**, a Miami Palmetto graduate, are also products of programs invited to Sunday's game.

MIAMI DOLPHINS HOST GATHER FOR THANKSGIVING PRESENTED BY GOYA FOODS TO KICK OFF HOLIDAY SEASON

Dolphins players and cheerleaders spent time with local families serving meals, spreading joy and providing gifts.

On Tuesday, Nov. 17, Miami Dolphins players, cheerleaders and mascot T.D. hosted **Gather for Thanksgiving presented by Goya Foods** at Hard Rock Stadium. Twenty-eight players, including **QB Malik Willis**, **ILB Jacob Rodriguez** and **CB Chris Johnson**, served traditional Thanksgiving turkey and sides from Miami Dolphins Community Restaurant Soulful Catering to over 200 individuals from 32 families, preselected by Miami Dolphins Football UNITES™ community partners.

As families enjoyed their meals, Dolphins players and cheerleaders joined the families for a night full of games, dancing and Thanksgiving themed activities to give back to the South Florida community and thank them for their support.

"Here in my Miami Gardens, we have a great community," said Dolphins **TE Greg Dulcich**. "A lot of people love and come support the Dolphins. As much as we can show that same support back, I think is awesome."

Miami Dolphins vice president of community affairs Kim Miller highlighted the impact of the team giving back to begin the holiday season.

"What makes this event extra special is that the players serve the meals to the families and show their gratitude for the community."

At the end of the evening, the Miami Dolphins surprised every family with a bag full of Goya Foods products and a $100 Publix gift card to help with Thanksgiving preparations. The families also received tickets to the Miami Dolphins home game against the New York Jets on Nov. 29.

"Very special. I think this is a once-in-a-lifetime opportunity," said one family in attendance. "This is something for (my) boys to experience and something they will remember for years to come."

The Miami Dolphins Football UNITES™ initiative is committed to uniting the community and building a more inclusive South Florida throughout the year and will continue to give back this holiday season.
