

Frequently Asked Questions

IMPORTANT: We recommend arriving one hour prior to the clinic start time to check-in and for participants to have ample time to have their posters autographed by the Eagles Cheerleaders. Morning clinic participants should arrive at 9:00AM and afternoon clinic participants should arrive at 1:30PM.

After reviewing the frequently asked questions below, if you have any additional questions, please email us at jrcheerleaders@philadelphiaeagles.com.

1) Do the parents/guardians attending have to purchase tickets?

No. Each ticket includes access for ONE (1) participant and TWO (2) parents/guardians/siblings.

2) Where will the event be held?

This is a hybrid indoor/outdoor event, and it is rain or shine. If weather prevents the end of workshop performance from taking place on the field, the performance will take place exclusively indoors in the Turk Club.

3) Are the parents/guardians allowed to watch the clinic or just the performance?

Parents/guardians are invited to watch both the workshop and the closing performance.

4) Should participants have prior cheerleading experience?

No prior cheerleading experience is required. The goal of the clinic is for participants of all ages to learn basic cheers and dances in a fun, non-competitive setting.

5) Will the participants be broken down into smaller groups?

Participants will be broken into groups according to age: 5-6, 7-8, 9-10, 11-13. This will allow each child to get more personalized instruction and to learn with children their own age. Each group will have its own team of Eagles Cheerleaders as clinic instructors and each age group will have its own performance.

6) What should my child bring?

No snacks or food will be provided at this event. We recommend that participants and their parents eat before the clinic.

7) Is there a place where parents can purchase any refreshments or merchandise while attending the clinic?

Yes, the Market Café will be open in the Tork Club for refreshment purchases. The Eagles Pro Shop on Pepsi Plaza will be open for merchandise purchases. Present your clinic ticket at checkout for a 30% discount (exclusions apply, valid only on December 27th).

8) What should my child wear?

Something comfortable—we recommend a long sleeve t-shirt, stretch pants, and sneakers. For the outside performance, please bring any needed accessories based on the weather. Cheerleading uniforms are not required.

9) Are cameras allowed?

Yes. All types of cameras and video cameras will be permitted.

10) Can we bring items to be autographed by the cheerleaders?

Yes. Cheerleaders will be available for autographs and photographs during the first hour of the event. Each participant will receive a poster of the squad at check-in that can be autographed by the cheerleaders.

11) Will I receive a hardcopy ticket?

No. Once you register online, your name will appear on our registration list. You will also receive a digital ticket via Eagles Account Manager that you can show on your phone at check-in.

12) Once I register, is there any other paperwork that I need to fill out?

Yes. You will be asked to sign a standard waiver which will be sent electronically.
