

DIRECTIONS

Step 1 - Cut out your stencil

Step 2 - Place on your hollow pumpkin, secure with tape

Step 3 - Trace your stencil with a dark colored marker

Step 4 - Remove the stencil

Step 5 - Have a grown up cut away the space you outlined with your marker.

Step 6 - Push the sliced shapes through

Step 7- The area that is gray should be what is cut away.

Step 8 - Your final carving should look like the sample in the left corner of this page.
