TERMS & CONDITIONS

PLEASE READ CAREFULLY

By replying via email, your approval assumes your responsibility and agreement that the order and artwork are correct as you have specified. We are not responsible for any spelling or quantity errors approved by the client, regardless of where the error originated. Due to the differences in computer monitors, the colors displayed in this proof are only to be used as guides. **As you receive this email approval, production will begin on your order. Please be sure that the order quantities, options, and artwork are correct. Your order will not be processed without your emailed approval. If this order is changed after approval, you will be responsible for all costs incurred for merchandise already completed.**

Prompt email reply of proof will help avoid delays in completion of your project.
