Here are Keri's spine surgery results.

After two major horseback riding accidents, Keri lived with debilitating spine pain for 20 years. She saw several doctors and pursued procedures at other hospitals with little success. Everything changed when she came to UF Health, where our neurosurgery team discovered damage far beyond what her diagnostic scans revealed—damage that might have meant an even longer and more difficult road. But, complex spine surgery conducted by our expert surgeons allowed her to immediately start on the road to recovery. Today, she's back to yoga and to living a life free of back pain.

Jaguars look for bounce back against division-rival Houston Texans

By: J.P. Shadrick

Kam Nedd, 2025

JACKSONVILLE – The Jags are back home for a key divisional matchup.

The Jaguars enter Week 3 with a 1-1 record, including a Week 1 win over the Carolina Panthers and a Week 2 loss at the Cincinnati Bengals.

AFC South play begins today for the Jaguars, the only divisional game on the schedule in the first nine weeks of the season. A win over the defending division champion Texans would be an early boon for the Jaguars with a challenging stretch of opponents ahead.

How the Jaguars recover from a tough loss last week in Cincinnati should reveal the personality of this team moving forward.

ABOUT LAST WEEK

The Jaguars fell 31-27 to the Bengals in Week 2. There was some positive to take away from the game, but also some missed opportunities, dropped passes and penalties that hurt the Jaguars chances to put the game away.

"I thought they played their asses off - we competed, played physical, and just didn't make enough plays at the end," Head Coach Liam Coen said after the game. "They called a pass interference on fourth down - I'd like to see them go earn it, but it is what it is. We don't make the play on offense at the end to close somebody out. I thought we had the opportunity in the end zone to maybe catch the touchdown, and then we had the fourth down. We don't make those plays and ultimately gave them the opportunity to stay in the game.

"Players and coaches alike, we gotta go look at ourselves in the mirror and go figure that out."

Jaguars quarterback Trevor Lawrence finished 24-of-42 for 271 yards with three touchdown passes and two interceptions.

"Overall, we showed we can make plays, just the consistency piece is still lacking at times," Lawrence said after the game. "I think just playing a full 60 minutes with focus and attention to detail, and not shooting ourselves in the foot - that's still showing up. So that's stuff we have to correct and learn from. I think just continuing to make plays down the stretch, that's what really good teams do."

Bengals quarterback Joe Burrow left the game in the second quarter with a toe injury. Jake Browning entered in relief, and though he threw three interceptions, he also connected on two key second-half touchdown passes, each tying the score.

The Jaguars could never find a way to pull away, even when leading 27-24 in the fourth quarter when linebacker Devin Lloyd picked off Browning and returned it to the Bengals 12-yard line. Replays showed that Lloyd likely was not down on the play and would have returned it for a touchdown to essentially seal the win.

"That game was the NFL in a nutshell - guys fighting, making plays, and ultimately coming down to the last play of the game," Lloyd said. "We've been in some of those, and we've been in some where the result was different, too. At this point in my career, we understand it's going to be a fight all the way through. We've just got to find a way to do this together."

The Jaguars ensuing possession: Travis Etienne Jr. lost 4 yards on a run, Lawrence misfired to Dyami Brown on second down, LeQuint Allen Jr. ran for 9 yards on third down. On fourth-and-5, Lawrence threw to Brian Thomas Jr. near the line to gain but the pass was dropped ending the possession.

Kam Nedd, 2025

"I dropped the ball, and I've got to catch it," Thomas said. "I know what I'm capable of, and I know what I can do. That's it."

The Bengals then took over from their own 8-yard line with 3:42 remaining, and after converting on a fourth-and-3 play to keep the possession alive, later got a pass interference call on defensive back Travis Hunter on another fourth-down play for 25 yards to move inside Jaguars territory inside two minutes to play.

Browning continued to hit short passes to move the chains and eventually scored the game-winning touchdown with :18 remaining on a quarterback sneak, giving the Bengals their first lead of the game.

"We're not going to splinter, there's going to be a lot to learn from it," safety Andrew Wingard said. "No excuse at all. We've got to go win that game."

Hunter played 42 snaps (59%) on offense and 43 snaps (62%) on defense. He logged three receptions for 22 yards, while posting 2 tackles and a pass defended.

"Yeah, this is what I want to do," Hunter said. There's a lot of people that I think continue to doubt me, but I just go out there and do my job. I'll let them say whatever they want to say."

SERIES AGAINST TEXANS

The Houston Texans lead the all-time series against the Jaguars 31-15, including wins in the last two meetings, three of the last four and 12 of the last 14 dating back to 2018. The Jaguars have only won four games against the Texans in the last 22 meetings dating back to December of 2013.

Last season, the Texans won 24-20 in the game at Houston, while taking a 23-20 victory in Jacksonville late in the season. In the latter matchup, Lawrence was knocked out of the game with a head injury in the second quarter on an illegal helmet-to-helmet hit from Texans linebacker Azeez Al-Shaiir, sparking a brawl between teams and seeing ejections of both Al-Shaiir and Jaguars cornerback Jarrian Jones.

Tell us about yourself and your connection to Jacksonville/the Jaguars:

I was born and raised in Duval County. I became a fan of the Jaguars on November 30, 1993, when the NFL awarded Jacksonville the expansion franchise. I just recently returned home after serving 22 years in the United States Air Force. As a hobby, I collect Jaguars game-used memorabilia.

Do you have any gameday rituals?

When we are on a winning streak, I tend to keep my shirt/jersey the same and/or switch it up if we are in a lull. Most recently it worked in 2022 (6 straight wins) and 2023 (5 straight wins). It's not crazy if it works.

What's your favorite part of gameday?

The anticipation of the game starting and enjoying time with friends and family while tailgating create an exciting atmosphere. The gameday experience, especially at EverBank Stadium, provides an escape from everyday life, allowing us to immerse ourselves as fans in the excitement and passion of football and the Jaguars.

What is your favorite Jaguars moment?

Until 2023, it was the historic comeback in the 2007 AFC Wild Card game against the Steelers. I was sitting in the end zone where Josh Scobee kicked the game-winning field goal. Today, it is the 31-30 win against the Chargers in the playoffs. You could've heard a pin drop at halftime in the stadium, down 27-7. The moment Riley Patterson hit the field goal to win the game will forever be etched in my mind. That atmosphere was amazing.

What do you gain from attending a game instead of watching it on tv?

As I mentioned with my favorite Jaguars moment, I believe experiencing memorable moments live (like a game-winning touchdown or a player's milestone) creates a connection that you can reminisce about for years. The thrill of celebrating a victory with tens of thousands of fans is incomparable.

What would you tell someone who is considering purchasing season tickets?

Take the leap and do it. I was living in Fort Walton Beach, FL when I decided to purchase season tickets and had 100 excuses not to become a Season Ticket Member. I decided to "just give one season a shot" and here I am over 10 years later.

What is on your Jaguars bucket list?

To watch the Jaguars play in every stadium. So far, I have been to 14, including Wembley. Hoping to add to that number this season!

FAN REMINDERS

PARDON OUR DUST

Stadium of the Future construction is underway and will be ongoing until its grand opening in August 2028. This year, fans can expect that the in-bowl game experience will remain unchanged, but parking, stadium entry and how you access your seats may look different - even from week to week.

During the 2025 season, It will be important to enter the gate recommended on your ticket for the most direct access to seat locations. This gate may be adjusted during the season based on progress made on the renovation since the previous game. Since the plaza level will no longer allow contiguous travel from gate to gate, the concourse level, accessible by ramps from each gate, will provide a 360-degree path around the stadium and will be the best way to navigate all public areas.

For any wayfinding questions, please find a Guest Experience Representative to assist.

WHEELCHAIR ESCORT

Wheelchair escort service is available at all perimeter gates of the stadium. Please find a Mobility Assistance Representative at most gate entries to request an escort when you arrive. This service will bring guests from the perimeter gate to their seats. Wheelchair escort service will return after the game to pick up guests at their seats and return them to their original perimeter entry gate.

Due to high demand, please note the service may come with a wait time.

Please note that if you need a wheelchair for all movements throughout the stadium, it is advised that you bring a wheelchair for your personal use throughout the entire day and contact the Jaguars ticket office at (904) 633-2000 for accessible seating availability. The Jaguars do not offer storage for personal wheelchairs or other accessibility devices in-stadium. The wheelchair escort service is intended to relieve patrons in need of the initial long entry and exit walks.

JTA GAMEDAY XPRESS

Come ride with JTA and say goodbye to driving and parking hassles. Fans can purchase single-game passes onsite at any Gameday Xpress lot on game days or via the MyJTA mobile app. The app runs on iOS and Android systems and is available on Google Play or the Apple App Store.

For information about riding JTA, please contact the JTA's customer service line at (904) 630-3100 or visit www.jtafla.com.

SECURE DIGITAL TICKETING

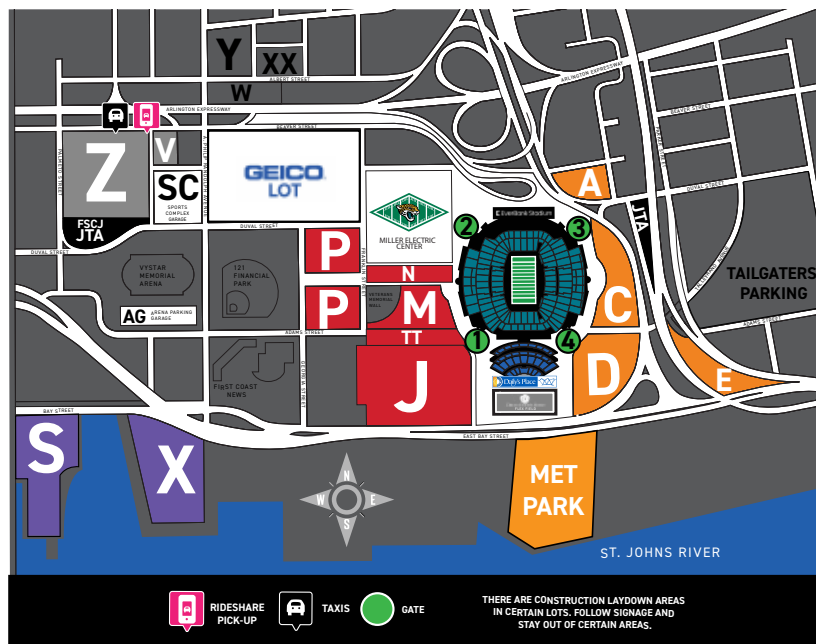

Be prepared on game day by downloading the official Jaguars app. Have your ticket barcode ready to scan directly from your mobile phone at the stadium gates. Please note print-at-home PDF tickets are no longer available. Don't wait in line at the box office. Access your tickets through your app or web browser.

To expedite your stadium entry on game day, please make sure to have your game ticket barcode ready to scan before arriving. Email confirmations will not be accepted. You must have your mobile ticket pulled up on your phone with the barcode prior to entering the stadium gate lines.

For more information, please visit www.jaguars.com/mobiletickets.

Jaguars ticket holders can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide.

GEICO has you covered by getting you to the game easier with the new GEICO Game Day Shuttle Program! Available for every home game during the 2025 season at: Lot S, Lot X, Lot Z, and Met Park for ticketed fans only. Pick-up areas are located near each lot entrance. The complimentary shuttle service is available for 3 hours prior to kickoff and 1 hour after the end of each game.

Shuttle operations are temporarily suspended at kickoff and until the conclusion of each game. Post-game pick-up for Lot S, Lot X and Lot Z via the Jacksonville Veterans Memorial Wall. Guests parked in Met Park will be able to access post-game pick-up via Lot D.

If you are unable to secure a parking pass for an upcoming Jaguars game, it is strongly encouraged to arrange different transportation, including the JTA Gameday Xpress Service or Rideshare.
