BACK-TO-BACK IN THE 'BANK

After joint practices at the Miller Electric Center, Jaguars host Tampa Bay Buccaneers in Preseason Week 2

By: J.P. Shadrick

Chris Kim, 2024

JACKSONVILLE – Let the preseason tune-ups continue.

After a Preseason Week 1 win over the Kansas City Chiefs, the Jaguars return to EverBank Stadium for the final time this preseason for a matchup with the in-state rival Tampa Bay Buccaneers.

The Jaguars and Tampa Bay Buccaneers scheduled two joint practices this week at the Miller Electric Center. Fans claimed all available seats weeks ahead of the practices, as these were the final two training camp practices to be open to the public.

This was the first time another team has come to practice at the facility, now in its second season.

With the Jaguars "starters" getting the bulk of their work in these practices, tonight's game is a great opportunity for players looking to add to the depth of the Jags roster, or live reps under the lights for players pushing for a roster spot.

The Buccaneers-Jaguars kickoff is scheduled for 7:30 p.m. ET.

ABOUT LAST WEEK

Though far from a finished product, the Jaguars debuted well in the preseason opener last week, a 26-13 win over the defending Super Bowl champion Kansas City Chiefs.

The Jaguars defense stiffened on the opening drive and held Chiefs quarterback Patrick Mahomes and the offense to a field goal.

Jaguars second-year wide receiver/returner Parker Washington returned the ensuing kickoff 73 yards to set up a short field for the first-team offense, and four plays later quarterback Trevor Lawrence found running back Travis Etienne Jr. on a 9-yard touchdown pass to take the lead.

"Just a really good, really good return by Parker," Head Coach Doug Pederson said. "There were also some good blocks on that play. He ran tough. Physical run. It was a great way to really start our offense and get the game rolling for us."

"To be able to kick off with a big play like that, to get the guys ready to go, a lot of my teammates were like, 'I'm excited, that was big time, and I'm amped up,'" Washington said. "It was cool to bring that energy, to bring that juice. I felt like it propelled us forward throughout that game."

After two offensive possessions, Lawrence left the game 3-of-4 passing for 42 yards and a touchdown.

"We played really clean all the way across the board," Lawrence said. "Our depth showed on both sides of the ball. Special teams did a great job, too, made some plays."

"We got some great work against a good team who does a lot of different things whether it's defensively or offensively, presents some challenges. I think it's always good to kind of measure up against teams like them or teams in the league in general."

As for the touchdown pass to Etienne, it has been a focus during the offseason to get the Jaguars' fourth-year running back more involved in the passing game.

"The amount of work that he's put in, the amount of work we've put in as an offense to do some of that of stuff, it's great," Lawrence said. "(He) ran a great route. Perfect coverage for it. Our receiver did a good job of kind of how we teach it on the outside there. It was good. He did a great job."

First-round draft pick wide receiver Brian Thomas Jr. got involved on the next possession with a contested 41-yard reception on a pass from C.J. Beathard, with the reaction from the Jaguars sideline overflowing onto the field. Later, free agent addition Devin Duvernay made a snag of a Beathard pass on a jump ball at the goal line for a 35-yard touchdown.

Jacksonville native quarterback Mac Jones finished the night 9-of-11 for 98 yards and just missed a touchdown completion.

Pederson liked what he saw from all three signal callers in the preseason debut, a turnover-free game for the Jaguars offense.

"All three of them played good - they played smart," Pederson said. "Trevor played smart. Obviously, the throw to Etienne. Then C.J. comes in and make some really nice down-the-field throws, in the face of adversity, too, getting hit on the roughing the passer. For Mac to come in and do what he's capable of doing..."

"It's a great room. We're blessed and fortunate to have three veteran players in that room. It was exciting to watch all three play."

Brad Young, 2024

James Gilbert, 2024

In all, 15 different players made at least one reception on offense.

On the defensive side, the starting group got two drives of work, but at one point in the opening possession, the Jaguars defense made a mass substitution in a certain situation, a test of the communication between the coaching staff and players.

"When you have eight guys (defensive linemen) on your roster and you can consistently rotate and keep those guys fresh the entire game, it helps," Pederson said. "It helps on third down, when they're fresh and can get after the passer. It's just something that (defensive coordinator) Ryan (Nielsen) obviously believes in. I believe in it.

"Listen, it's coordinated. It's not just you go pick five guys. It's well organized and well coordinated. Credit to the defensive staff and the players for getting in and out."

The Jaguars defense for the night logged five sacks and 13 quarterback hits.

On special teams, just before halftime running back Tank Bigsby returned a kickoff 45 yards to near midfield, the second long kickoff return of the game for the Jaguars special teams units. The Jaguars later scored a safety on special teams. A Jaguars kickoff landed in the end zone, but then bounced back into the field of play. Chiefs returner Mecole Hardman scooped the ball, then kneeled in the end zone. After a discussion from officials and review, the Jaguars were awarded two points.

Rookie kicker Cam Little made 3-of-4 field goal attempts, good from 40, 47 and 31 yards. His only miss came from 62 yards, just wide left and halfway up the netting behind the goalpost at the halftime gun.

"He definitely had some wind in his back on that one before half there," Pederson said. "He works hard in practice at it. He's not a big guy, but he's got a really strong and powerful leg.

"I went into this game thinking I wanted to get him some opportunities to kick under this type of pressure, this kind of stage. He performed extremely well."

DONOVAN

Feel the Chills of Game Day Live at the Stadium or Cozy at Home!

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal—to make our customers happy. **Over three decades later, nothing has changed.**

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

Donovan. Always a **Good Call.**

Do you have any game day rituals?

I enjoy getting to the stadium early enough to watch warm-ups.

What's your favorite part of game day?

Always enjoy opening ceremonies, national anthem, etc., and of course the WIN!

What's your go-to food item at EverBank Field?

Bono's BBQ

What do you gain from attending a game instead of watching it on TV?

There is no comparison to the atmosphere at a game. You just can't get that feeling watching it on TV.

What would you tell someone who is considering purchasing season tickets?

Again, nothing like the atmosphere at the game. I have been going for 30 years and have never considered not renewing my tickets.

What is at the top of your Jaguars bucket list?

Was able to attend my first London game last season and it was an awesome experience, but next up is the Super Bowl!

PARKING

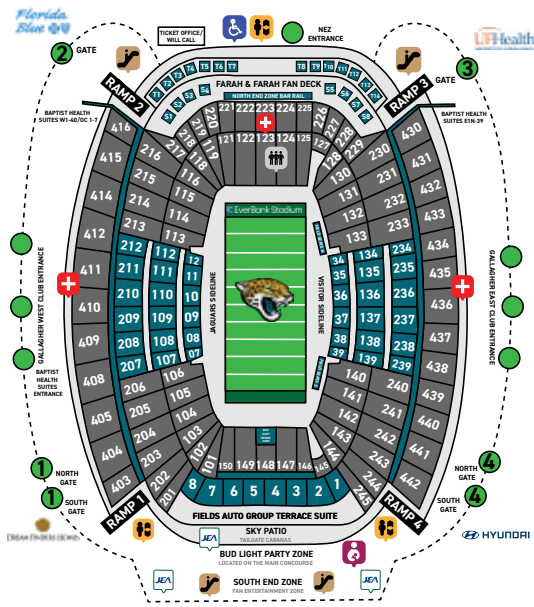

The Jaguars parking lots and parking passes will continue to be managed digitally for the 2024-2025 season. The Jaguars will not distribute any printed parking passes.

Jaguars Season Ticket Members can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. The app is available for free on both Apple and Android devices. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide. In order to manage and view your season tickets and parking on your mobile device, log into your Jaguars Account Manager.

The Jaguars recommend viewing your parking pass before arriving at the Sports Complex.

While EverBank Stadium lot parking passes are sold out for the 2024 season, there are various cash lots available on game day within walking distance of the stadium. These lots include Tailgaters Parking Lot (visit www.tailgatersparking.com), Sports Complex Garage, Arena Garage, and Old Cypress Parking (<https://www.oldcypressparking.com/>).

If you are unable to secure a parking pass for an upcoming Jaguars game, it is strongly encouraged to arrange different transportation, including the JTA Gameday Xpress Service or Rideshare.

For additional information on parking and lot specific directions, please visit: <https://www.jaguars.com/stadium/parking>.
