# JAGUARS POISED FOR STRETCH RUN

First-place Jaguars host the Indianapolis Colts with the division lead on the line

By: J.P. Shadrick

**JACKSONVILLE** – First place in the AFC South is on the line.

The Jacksonville Jaguars (8-4) are in first place in the AFC South, leading the Indianapolis Colts (8-4) due to a common games tiebreaker.

Today's game is the first of two meetings between the teams in the next four weeks.

"We're giving ourselves an opportunity to play meaningful games in November and December, and ultimately that's all you can ask for in this league," Head Coach Liam Coen said after last week's win over the Titans. "The rest of the way you've got competitive meaningful football games, and I think that's just an important thing for us to go through as a team in year one.

"To have the opportunity to do those things and to earn that I think is important for us to be able to continue to move forward as a team."

The Jaguars control their destiny for the AFC South title and have a head-to-head matchup with the current AFC No. 1 seeded Denver Broncos in Week 16.

The Jaguars have been 8-4 or better through Week 13 only seven times in their history:

- 1997 (8-4, AFC Wild Card)
- 1998 (9-3, AFC Central Champs)
- 1999 (11-1, AFC Central Champs)
- 2005 (9-4, AFC Wild Card)
- 2007 (8-4, AFC Wild Card)
- 2017 (8-4, AFC South Champs)
- 2023 (missed playoffs)

How will Coen and the Jaguars handle the pressure of big games in December? We will find out starting today against the Colts, who have lost 10 consecutive road meetings with the Jaguars, including nine straight losses in Jacksonville (the 2016 Jaguars home game was played in London). The last Colts win in Jacksonville was 2014.

This week, obviously, it's a big one at home," quarterback Trevor Lawrence said. "We need our fans to pack the place out and be loud for us and get a home-field advantage, but we're playing a really good Colts team.

"Obviously a lot on the line and that's how every game is going to be moving forward though, and that's where we want to be."

#### **ABOUT LAST WEEK**

The Jaguars built an early lead and never looked back as they suffocated the Tennessee Titans 25-3, sending the Titans to 1-11. The Jaguars have now won three of the last four trips to Nashville, including back-to-back seasons.

The Titans scored an opening drive field goal to lead 3-0, but then the Jaguars answered with a seven-play, 84-yard drive, capped off by a Trevor Lawrence to Jakobi Meyers 3-yard touchdown connection and a 7-3 Jaguars lead.

On the ensuing kickoff, Titans returner Chimere Dike fumbled the football away on a hit from LeQuint Allen Jr., and the Jaguars gained possession at the Titans 35-yard line. Three plays later, the Jaguars were in the end zone again, this time on Trevor Lawrence pass to tight end Brenton Strange of 21 yards. After a Titans penalty on the extra point, the Jaguars went for two and the Lawrence two-point run opened a 15-3 lead only six seconds into the second quarter.

"I felt like we settled in, protected really well throughout that spurt there, and I thought we had a really good plan, especially down in the red zone," Lawrence said after the game. "We had some stuff that was great. Guys got open, guys made plays after the catch, so it was really good."

The Jaguars added a Cam Little field goal just before halftime and Bhayshul Tuten ran in for a 2-yard touchdown to cap off a 15-play, 71-yard drive that drained the first 6:36 off the third quarter clock.

Lawrence finished 16-of-27 passing for 229 yards with two touchdown passes. Meyers continues to settle in with six catches on six targets with 90 yards and a score.

The Jaguars offensive line started the day without right guard Patrick Mekari (concussion). Cole Van Lanen started at right guard, but when left tackle Walker Little went down with injury Van Lanen moved to left

tackle and Wyatt Milum entered the game at right quard.

As good as the Jaguars offense was early in the game, the Jaguars defense was equally as good throughout the contest.

The Titans were held to only 188 total yards in the game, with 70 of those coming on their opening field goal drive. The Jags defense forced five punts (four three-and-outs) and three turnovers on downs.

The Jaguars played without defensive tackle Arik Armstead (hand) defensive end Travon Walker (knee) and safety Eric Murray (neck).

Linebacker Devin Lloyd paced the Jaguars with eight total tackles. Defensive end Josh Hines-Allen added two sacks, and safety Andrew Wingard collected two passes defensed. Titans quarterback Cam Ward finished 24-of-38 passing for 141 yards.

Jaguars long snapper Ross Matiscik was out of the game for a stretch with a back injury, leaving defensive tackle DaVon Hamilton as the long snapper, his first time since high school.

"I don't even know if we worked it this year, a tiny bit back in camp," punter Logan Cooke said after the game. "But last year, randomly throughout the year, we did a couple snaps and that's so hard. I mean you look at a guy who has gloves on and taped wrists, it's very hard to do. First of all, it's a hard job regardless, so then you put all that in there.

"For him just to get the ball in there, a backup snapper to get the ball in the vicinity of where you want it is all you can ask for. He killed it. D-Ham (DaVon Hamilton), he's a stud."

# Here are Keri's spine surgery results.

After two major horseback riding accidents, Keri lived with debilitating spine pain for 20 years. She saw several doctors and pursued procedures at other hospitals with little success. Everything changed when she came to UF Health, where our neurosurgery team discovered damage far beyond what her diagnostic scans revealed—damage that might have meant an even longer and more difficult road. But, complex spine surgery conducted by our expert surgeons allowed her to immediately start on the road to recovery. Today, she's back to yoga and to living a life free of back pain.

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal-to make our customers happy. Over three decades later, nothing has changed.

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

Donovan. Always a Good Call.

Season Ticket Member since: 2013

Seats location: Section 213, Row H. Seat 4 and 5

#### Tell us about yourself and your connection to Jacksonville/the Jaguars:

I moved to Jacksonville, FL by way of Spartanburg, SC in 2010 for work. I never had a professional NFL team that I genuinely loved while growing up in Anderson. SC so when I moved here it was a no brainer I became a Season Ticket Member in 2013 because I felt like in the stadium is where I needed to be cheering on my team and repping the city. #DTWD

#### Do you have any gameday rituals?

My game day ritual is that I must listen to a song titled "Duval" by Flawda Water on the way to my tailgate after I have stopped by Publix to pick up 2 lbs of chicken tenders. I tailgate with friends and then I must be in my seat to hopefully see a flyover following the National Anthem.

#### What's your favorite part of gameday?

The favorite part of game day is tailgating with my friends because we do it pretty big, listening to the National Anthem, celebrating and cheering with all my peeps in section 213, and meeting at the Jaguar for a picture only if we get a win.

#### What is your favorite Jaquars moment?

My favorite Jaguars moment is definitely the miraculous comeback against the Los Angeles Chargers during the AFC Wild Card round of the 2022 season, erasing a 27-point deficit. It was awesome to watch the third-largest comeback in NFL playoff history.

#### What do you gain from attending a game instead of watching it on ty?

The thing that I feel like I gain the most from attending the game versus watching on tv is the connection to the team and the other crazy fans that love the Jaquars just as much, if not more, than me. I love when it is third or fourth down for our defense and the screens tell us to "GFT UP AND GET LOUD"! There have been times when it has been electric inside this stadium

#### What would you tell someone who is considering purchasing season tickets?

I would tell someone who is considering purchasing season tickets to simply do it! We are 1 of 26 cities in the United States that have an NFL team so I would tell them to take advantage of that. The last thing I would tell them is that we are about to be in a completely renovated stadium and how exciting it is to be a part of that.

#### What is on your Jaguars bucket list?

I have a few things on my bucket list when it comes to the Jaguars, but the Top 3 are going across the pond to watch them in London, give the game day "Duuuval", and to be present to

#### PARDON OUR DUST

Stadium of the Future construction is underway and will be ongoing until its grand opening in August 2028. This year, fans can expect that the in-bowl game experience will remain unchanged, but parking, stadium entry and how you access your seats may look different even from week to week.

During the 2025 season, It will be important to enter the gate recommended on your ticket for the most direct access to seat locations. This gate may be adjusted during the season based on progress made on the renovation since the previous game. Since the plaza level will no longer allow contiguous travel from gate to gate, the concourse level, accessible by ramps from each gate, will provide a 360-degree path around the stadium and will be the best way to navigate all public areas.

For any wayfinding questions, please find a Guest Experience Representative to assist.

#### WHEELCHAIR ESCORT

Wheelchair escort service is available at all perimeter gates of the stadium. Please find a Mobility Assistance Representative at most gate entries to request an escort when you arrive. This service will bring guests from the perimeter gate to their seats. Wheelchair escort service will return after the game to pick up guests at their seats and return them to their original perimeter entry gate.

Due to high demand, please note the service may come with a wait time.

Please note that if you need a wheelchair for all movements throughout the stadium, it is advised that you bring a wheelchair for your personal use throughout the entire day and contact the Jaguars ticket office at (904) 633-2000 for accessible seating availability. The Jaguars do not offer storage for personal wheelchairs or other accessibility devices instadium. The wheelchair escort service is intended to relieve patrons in need of the initial long entry and exit walks.
