FIRST DUUUVAL- SCOTT VAN PELT

Scott Van Pelt is host of the midnight edition of SportsCenter, bringing his unique perspective to the world of sports since September 7, 2015. The program showcases Van Pelt's passion for sports, with his self-deprecating wit and disposition toward celebrating stars and storylines. Since August of 2020, the program has originated from Washington, D.C. Van Pelt, who grew up in nearby Maryland, moved "home" along with the show to be closer to family. In August of 2023, Van Pelt was named host of Monday Night Countdown, the pregame show for ESPN's Monday Night Football. In addition, Van Pelt serves as main host of ESPN's golf coverage, including the Masters and the PGA Championship, two of professional golf's majors, and he hosts SportsCenter reports and specials from the events. In 2025, he also became the host of ESPN's live coverage of the new TGL tech-centric golf league. He also hosts ESPN Audio's weekly SVPod podcast and the monthly Bad Beats program based on a popular segment from his television show. Van Pelt joined ESPN in early 2001 as the network's lead professional golf reporter, shortly thereafter becoming a SportsCenter anchor and later a co-host on ESPN Radio of Tirico and Van Pelt each weekday afternoon. In July 2009, The Scott Van Pelt Show made its debut on ESPN Radio and in a simulcast on ESPN2. The show was re-named SVP & Russillo in October 2012, and ended in the summer of 2015 when Van Pelt was preparing for the launch of the new midnight SportsCenter. Van Pelt also contributed to ESPN College GameDay for several years with his "Bald Man on Campus" feature. Van Pelt came to ESPN from The Golf Channel, where he was an anchor and reporter for the sport-specific network from 1994-2000. During his years there, he was the co-host of studio programs Golf Central, Leaderboard Report and occasional host of Viewer's Forum. Van Pelt began his sports broadcasting career at WTTG-TV (FOX) in Washington, D.C., in 1990. He worked in WTTG sports studio production department contributing content for the station's The 10:00 News, Sunday Night's Sports Extra and specials on the Washington Redskins.

A native of Brookeville, Md., Van Pelt graduated from the University of Maryland with a bachelor's degree in radio/television and film. He is proud of his Maryland Terrapins sports teams and often attends games as a spectator when his schedule permits.

Here are Keri's spine surgery results.

After two major horseback riding accidents, Keri lived with debilitating spine pain for 20 years. She saw several doctors and pursued procedures at other hospitals with little success. Everything changed when she came to UF Health, where our neurosurgery team discovered damage far beyond what her diagnostic scans revealed—damage that might have meant an even longer and more difficult road. But, complex spine surgery conducted by our expert surgeons allowed her to immediately start on the road to recovery. Today, she's back to yoga and to living a life free of back pain.

JAGUARS FINDING STRIDE

The 3-1 Jaguars host the perennial AFC power
Kansas City Chiefs on Monday Night Football

By: J.P. Shadrick

Kam Nedd, 2025

JACKSONVILLE – Complementary football.

Defense making plays, special teams contributing in a big way and the offense executing in key moments.

Could this 3-1 Jacksonville Jaguars team be cleaner? Absolutely. Twelve penalties are bad for everyone's health long-term. Consistent execution in the passing game could be better. The defense was on the field for some long drives and despite consistent pressure hasn't been able to sack quarterbacks much. Special teams mistakes

showed at times last week, including a step out of bounds on a kickoff return.

But when this team is good, it's really good to watch. The Jaguars have the third-best rushing offense in the NFL through four weeks. The Jaguars defense has a league-best 13 takeaways. The special teams units have the ability to impact the game – and score on returns – every week.

They have the right level of spice and a chip on their shoulder, and that starts at the top with Head Coach Liam Coen who has this

team buying in and battling to winning results early in the season

To date, the 2025 Jaguars have checked some items of the franchise's to-do list:

- Season-opening win: check.
- Divisional win against defending AFC South champs: check.
- Road win on West Coast against NFC power: check.

Up next: the Kansas City Chiefs, winners of nine consecutive AFC West titles, five of the last six AFC Championships (including the last three) and three of the last six Super Bowls.

The Jaguars have started 3-1 or better for only the eighth time in 31 seasons in franchise history. To move to 4-1 and be an instant contender in the AFC, the Jaguars need to be ready for prime time against the reigning NFL dynasty.

Are the new-look Jaguars ready for prime-time? We're about to find out.

ABOUT LAST WEEK

Four Jaguars takeaways, a strong running offense and a special teams touchdown helped the Jaguars take down the San Francisco 49ers 26-21 in Santa Clara, California, in Week 4.

"I'm super impressed with our ability to stay the course - the complimentary football today showed up with us making plays in three phases," Head Coach Liam Coen said after last week's win.

"I'm very proud of the way these guys keep competing. It's not clean, but they play their tails off."

Linebacker Devin Lloyd led the way with eight total tackles and two interceptions, while linebacker Dennis Gardeck forced an early fumble and former 49ers defensive tackle Arik Armstead forced a fumble on a sack on the final drive to seal the win.

"It's like I've said to these guys on Saturday morning—it's not just happening, it's something we work at. There was a play in practice on Friday that was a run with five or six guys punching at the ball. It's what they're doing every single day. It's how they're obviously being coached, and [Jacksonville Jaguars defensive coordinator Anthony] Campanile and his staff have done a phenomenal job at detailing ball disruption."

Lloyd collected his second and third interceptions of the season, tied for the league-high through four weeks, and now has seven in his four-year career.

Kam Nedd, 2025

"We have a lot of ball hawks on the defense and the ball's always on our mind," Lloyd said. "It starts up front, and I think everybody just capitalized on the opportunities that we had."

"We always practice taking the ball away, punching the ball out and catching the ball. Everybody always has the ball on their mind, and I think whenever you're thinking about it all the time, naturally, you will be ready for those plays and those opportunities them whenever they present themselves."

The Jaguars offense scored on three of the four possessions following takeaways, for 17 points off turnovers.

"When something happens, we really take advantage of the momentum swings," quarterback Trevor Lawrence said. "I think that was a big thing today. We just play a full game. You don't know what the next play is going to hold. Even if something bad happened the play before, just play the next play and keep looking forward. I think this team's done a good job of that, but you have to keep doing it."

Parker Washington delivered an 87-yard punt return touchdown in the third quarter, the second of his career, that put the Jaguars up two possessions when the

offense slowed some in the late third and early fourth quarters.

The Jaguars ran the ball effectively: 151 yards as a team, including 124 on 19 carries from running back Travis Etienne Jr., who scored on a 48-yard run in the first quarter on the first play following the first Jaguars takeaway.

"Whether it's in the zone or in the gap (blocking schemes), I think Travis (Etienne Jr.) has a really good feel for what we're trying to do," Coen said. "He's pressing the line of scrimmage really well and able to go find creases, and I have to believe we played solid up front."

The Jaguars lost left guard Patrick Mekari and right tackle Anton Harrison late in the game, with Chuma Edoga filling in at right tackle and Cole Van Lanen stepping in at right guard. Left guard Ezra Cleveland entered the game and played through injury issues.

"I know we had a couple moving pieces up there from the offensive line, but I'm very pleased with Travis right now and the way those guys are running," Coen added.

Feel the Chills of Game Day Live at the Stadium or Cozy at Home!

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal—to make our customers happy. **Over three decades later, nothing has changed.**

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

Donovan. Always a **Good Call.**

FAN REMINDERS

PARDON OUR DUST

Stadium of the Future construction is underway and will be ongoing until its grand opening in August 2028. This year, fans can expect that the in-bowl game experience will remain unchanged, but parking, stadium entry and how you access your seats may look different - even from week to week.

During the 2025 season, It will be important to enter the gate recommended on your ticket for the most direct access to seat locations. This gate may be adjusted during the season based on progress made on the renovation since the previous game. Since the plaza level will no longer allow contiguous travel from gate to gate, the concourse level, accessible by ramps from each gate, will provide a 360-degree path around the stadium and will be the best way to navigate all public areas.

For any wayfinding questions, please find a Guest Experience Representative to assist.

WHEELCHAIR ESCORT

Wheelchair escort service is available at all perimeter gates of the stadium. Please find a Mobility Assistance Representative at most gate entries to request an escort when you arrive. This service will bring guests from the perimeter gate to their seats. Wheelchair escort service will return after the game to pick up guests at their seats and return them to their original perimeter entry gate.

Due to high demand, please note the service may come with a wait time.

Please note that if you need a wheelchair for all movements throughout the stadium, it is advised that you bring a wheelchair for your personal use throughout the entire day and contact the Jaguars ticket office at (904) 633-2000 for accessible seating availability. The Jaguars do not offer storage for personal wheelchairs or other accessibility devices in-stadium. The wheelchair escort service is intended to relieve patrons in need of the initial long entry and exit walks.

JTA GAMEDAY XPRESS

Come ride with JTA and say goodbye to driving and parking hassles. Fans can purchase single-game passes onsite at any Gameday Xpress lot on game days or via the MyJTA mobile app. The app runs on iOS and Android systems and is available on Google Play or the Apple App Store.

For information about riding JTA, please contact the JTA's customer service line at (904) 630-3100 or visit www.jtafla.com.

SECURE DIGITAL TICKETING

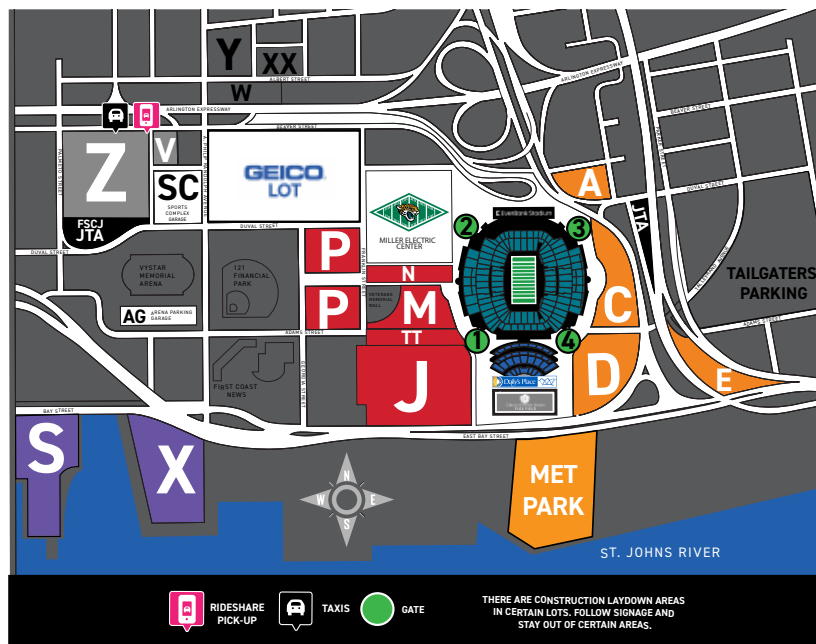

Be prepared on game day by downloading the official Jaguars app. Have your ticket barcode ready to scan directly from your mobile phone at the stadium gates. Please note print-at-home PDF tickets are no longer available. Don't wait in line at the box office. Access your tickets through your app or web browser.

To expedite your stadium entry on game day, please make sure to have your game ticket barcode ready to scan before arriving. Email confirmations will not be accepted. You must have your mobile ticket pulled up on your phone with the barcode prior to entering the stadium gate lines.

For more information, please visit www.jaguars.com/mobiletickets.

PARKING

The Jaguars parking lots and parking passes will continue to be managed digitally for the 2025-2026 season. The Jaguars will not distribute any printed parking passes.

Jaguars ticket holders can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide.

GEICO has you covered by getting you to the game easier with the new GEICO Game Day Shuttle Program! Available for every home game during the 2025 season at: Lot S, Lot X, Lot Z, and Met Park for ticketed fans only. Pick-up areas are located near each lot entrance. The complimentary shuttle service is available for 3 hours prior to kickoff and 1 hour after the end of each game.

Shuttle operations are temporarily suspended at kickoff and until the conclusion of each game. Post-game pick-up for Lot S, Lot X and Lot Z via the Jacksonville Veterans Memorial Wall. Guests parked in Met Park will be able to access post-game pick-up via Lot D.

If you are unable to secure a parking pass for an upcoming Jaguars game, it is strongly encouraged to arrange different transportation, including the JTA Gameday Xpress Service or Rideshare.

For additional information on parking and lot specific directions, please visit:
<https://www.jaguars.com/stadium/parking>.
