DEAR COMMUNITY,

Each year, the Jaguars Foundation reiterates its commitment to improving the lives of our residents through its focus on neighborhood revitalization, youth development, and NFL-wide initiatives, including support for the military, cancer awareness and prevention, social justice, Hispanic heritage and non-profit engagement.

Since 2012, the Jaguars and Khan Family have donated more than \$37 million through the Jaguars Foundation in support of many worthy causes within those pillars. In 2024, our team continued this tradition in the community through numerous monetary grants and volunteer hours.

Among the initiatives spearheaded in the last year alone, I am especially proud of the efforts by the Jaguars Foundation to provide access to technology and training tools for Jacksonville residents to bridge the digital divide, including funding a new computer lab in the in the Historic Eastside and providing iPads and hands on learning for senior citizens at the inaugural Senior Technology Training Camp. Additionally, through our Jaguars PREP football development program, we positively impacted more than 10,000 youth and high school football athletes, continuing to grow the pipeline for the sport and make it accessible to more kids in Northeast Florida and beyond.

We are grateful for the work of Jaguars players and coaches who are also committed to improving lives in our community, including participating in food distribution drives, honoring military families and encouraging young athletes to continue their pursuit of football excellence. The awareness of our locker room's dedication went beyond our own community as the NFL recognized our own Arik Armstead as the 2024 Walter Payton Man of the Year for his tireless work related to reading and financial literacy through Jaguars Literacy Locker Rooms and EverBank Touchdowns for Tomorrow, among other initiatives.

At the time of the City Council vote for the Stadium of the Future in late spring 2024, I said “never doubt Jacksonville.” I stand by this statement beyond measure. We are a mighty city with the most steadfast and resilient people – a people with a “can-do” mentality to ensure we build a better Jacksonville together.

It is a privilege to be a part of this community and a responsibility the Jaguars take seriously. I want to thank you for your abundance of support for the Jaguars Foundation and our mission.

Go Jags!

JAGUARS IN THE COMMUNITY

COMMUNITY DAY

In September, the Jaguars hosted their second annual Community Day presented by Florida Blue which positively impacted thousands of local children, families, and military personnel. Volunteers from Florida Blue, CSX, FIS, Regency Centers, and Tito's Vodka assembled 1,000 meal kits for Feeding Northeast Florida, 200 care packages for St. Michael's Soldiers, a backpack filled with school supplies for every student at Andrew Robinson Elementary with the help of City Year and 600 hygiene kits benefitting Operation New Hope.

UNIFIED BOWL

The Special Olympics Florida team battled the Special Olympics Minnesota team in the Special Olympics Unified Bowl, a competitive flag football match held at EverBank Stadium leading up to the Jaguars vs. Vikings matchup. Athletes received customized jerseys, backpacks, and gear thanks to Ticketmaster. The Special Olympics Minnesota athletes traveled to Jacksonville for a memorable game day experience filled with flag football, NFL football and making new friendships.

EVERBANK FINANCIAL LITERACY CAMPS

The Jaguars and EverBank teamed up on the field and in the classroom for the EverBank Touchdowns for Tomorrow program. For every Jaguars touchdown scored in the 2024 NFL season, EverBank provided 100 Duval County students with access to financial education on the field through camps and in the classroom through financial literacy lessons. Held at EverBank Stadium, Jaguars players, Legends, and EverBank volunteers provide hands-on financial education lessons using football drills and activities.

SENIOR TECH TRAINING CAMP

The Jaguars and AT&T collaborated on a Senior Technology Training Camp that benefited 90 seniors from the First Coast YMCA Silver Sneakers Program. Each participant received a new iPad along with hands-on training in essential digital skills. Mayor Donna Deegan spoke to the audience, and following the unboxing and setup of the devices, attendees engaged in information sessions covering topics such as internet security, navigating healthcare platforms, and transportation apps. This initiative aimed to equip seniors with the tools they need to stay connected and informed in today's rapidly changing digital landscape. The program was made possible by the NFL Foundation's Digital Divide Grant, which seeks to address the technology gap in marginalized communities.

NEIGHBORHOOD REVITALIZATION

We believe when neighborhoods thrive, so do residents and ultimately their communities. The Khan Family and the Jaguars Foundation made a \$1.3 million donation to LIFT JAX and its work with the Historic Eastside Community Development Corporation (CDC), supporting the revitalization of Jacksonville's OUTEAST neighborhood.

GRAND REOPENING OF THE CORNER AT DEBS STORE

In September, the Jacksonville Jaguars celebrated the grand reopening of The Corner at Debs Store in Jacksonville's Historic Eastside. This Goodwill Industries of North Florida initiative offers fresh, affordable food plus career services through the GoodCareers Center. Originally serving the community since 1911, the Debs Store closed in 2011, leaving the neighborhood without a walkable grocer. This 2024 revival, supported by the Debs family, Goodwill, LIFT JAX, City of Jacksonville, Jaguars, VyStar and others, also includes a new computer lab with funding made possible from the Jaguars Foundation.

FSCJ AND GOODWILL A-STEP PROGRAM

This summer, the Jaguars supported the Florida State College at Jacksonville and Goodwill Industries of North Florida A-STEP (Academic Support Through the Employment Process) program's concentrated construction 'Building Futures Together' track. Jaguars Partner DeWalt Tools graciously provided the first graduating class with a bag of essential items to kickstart their construction careers.

BUSTER FORD CHECKERBOARD PARK CLEANUP

Volunteers from VyStar Credit Union and the Jaguars teamed up with Florida Avenue, Main Street and OUTEAST residents to tackle phase three of the transformation of Buster Ford Checkerboard Park, located on A. Philip Randolph Boulevard. Volunteers installed plants, flowers, mulch and gravel, and cleaned storefronts along the APR corridor.

COMMUNITY FIELDS

The Jaguars, alongside the NFL Foundation, brought a new state-of-the-art track and football field to KIPP Bold City High School making it the 19th community field opened through the partnership in Northeast Florida. The Jaguars are committed to investing in community fields to provide safe, accessible spaces.

THE JAGUARS FOUNDATION BOYS AND GIRLS CLUB AT RUSSELL B. COOK JR. PARK

We continued support of the Boys and Girls Clubs of Northeast Florida with a \$250,000 donation towards a club renovation of the Jaguars Foundation Boys and Girls Club at Russell B. Cook Jr. Park in Jacksonville's Historic Eastside neighborhood. The renovations include major improvements to the building interior and structure, along with new equipment for recreational and academic use.

YOUTH DEVELOPMENT

Investing in our youth through education and sports offers productive environments for learning and growth. We strongly believe these two powerful tools positively impact the Northeast Florida community and thousands of youth benefit annually from the resources offered through Literacy Locker Rooms, Honor Rows, scholarship opportunities and nonprofit partnership programs.

LITERACY LOCKER ROOMS

Literacy Locker Rooms were created in 2021 by the Jaguars Foundation in collaboration with READ USA and other partners to promote the importance of literacy to area youth. Jaguars football players visit local schools and spend time reading to the kids and discuss the importance of reading and the impact literacy has had on their lives. Corporate partners Florida Blue, Whataburger, JEA, Gallagher Insurance and Nemours, made it possible to host Literacy Locker Rooms at John Love Early Learning Center, Beauclerc Elementary, The Guardian Catholic Schools, Andrew Robinson Elementary, Louis S. Sheffield Elementary and Julington Creek Elementary. More than 2,500 elementary and middle school students received free books in 2024.

HONOR ROWS

The Honor Rows program was established to recognize area students for their dedicated efforts in the areas of academic improvement, character and community service. In partnership with Beaver Street Fisheries, this nationally recognized program is one of the Foundation's longest-standing initiatives and uses the opportunity to attend Jaguars home games as an incentive for youth to reach their goals. During the 2024 season, more than 4,400 students earned a seat.

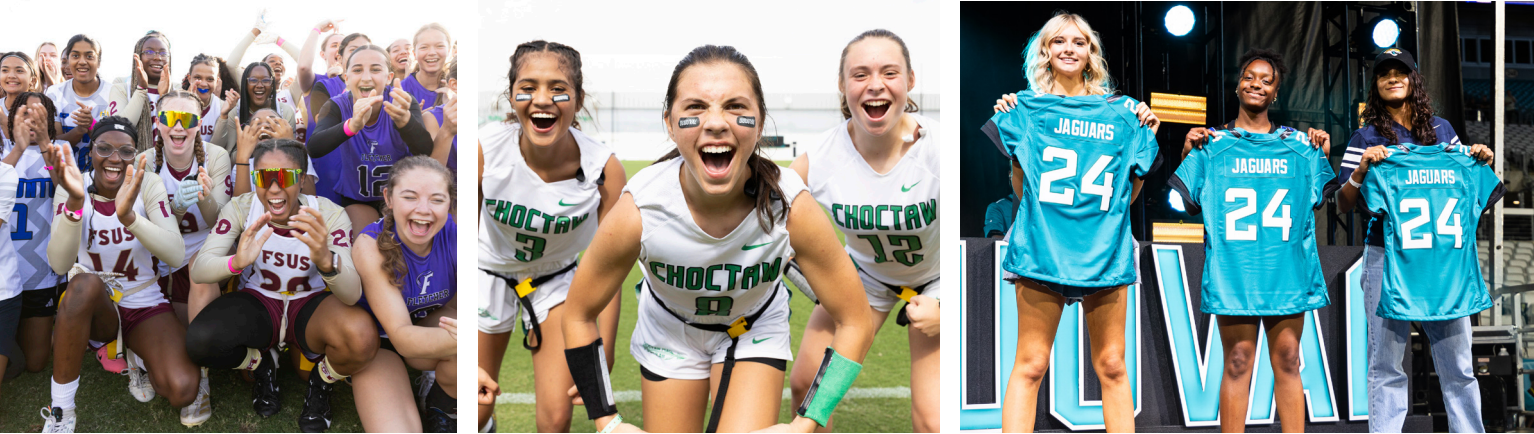

JAGUARS PREP PRESENTED BY DREAM FINDERS HOMES

The Jaguars PREP program is committed to growing the game of football throughout Northeast Florida by removing barriers to accessibility, encouraging health and safety, building strong character and enhancing opportunities and resources for youth and high school football athletes.

SHOP WITH A JAGUAR

For the 8th year, the Jaguars and Academy Sports hosted Shop with a Jaguar, an evening in which 325 Jacksonville-area children each received a \$150 gift card for a holiday shopping spree with Jaguars players at Academy Sports + Outdoors. The children were from Sponsored by Grace, MaliVai Washington Youth Foundation, Level the Playing Field, Jacksonville Arts and Music School and Boys & Girls Club of Northeast Florida. Each child also received a shirt and Jaguars swag. Players included CB Tyson Campbell, DE Travon Walker, LB Foye Oluokun, DT Davon Hamilton, WR Parker Washington, and DT Ezezi Otomewo.

HOLIDAY SENIOR MEALS DISTRIBUTION

During the holiday season, Jaguars staff and CSX employees united to wrap gifts, prepare nutritious meals, and write heartfelt cards for over 100 seniors in Jacksonville communities facing food insecurity. Dedicated volunteers personally delivered these thoughtful packages to each senior's doorstep, ensuring they were nourished and welcomed with a warm, joyful smile.

12 DAYS OF TEAL

The Jaguars Foundation and FIS launched the inaugural 12 Days of Teal, a grant-giving initiative for nonprofits in the Jacksonville community during the holiday season. \$60,000 worth of grants were given to 12 nonprofits to assist them in their work to continue to make Jacksonville a better community. Nonprofit recipients included MaliVai Washington, The Women's Center of Jacksonville, The Boselli Foundation and nine others.

RONALD MCDONALD HOUSE HOLIDAY PARTY

Jacksonville Jaguars specialists Logan Cooke, Ross Matiscik, and Cam Little and team mascot Jaxson de Ville visited children and their families at the Ronald McDonald House Charities of Jacksonville. The Jaguars Foundation sponsored the holiday party and the players donated \$10,000 towards toys that were gifted to the children and their families. The evening was full of excitement as kids opened presents, played games with Jaguars players, and took pictures with the players and Santa.

At Florida Blue, our mission is to help people and communities achieve better health. We're proud to have shared a decade-long partnership with the Jacksonville Jaguars, and this year's role as Official Community Partner allowed us to highlight local stakeholders during home games, as well as have hands-on activities with those in need to include meal packing with personal delivery to seniors and other meaningful activities. This experience not only deepened the connection to our mission but also underscored the Jaguars' significance in the fabric of our community.

We look forward to continuing our collaboration and making a lasting impact together.

Northeast Florida Market Leader, Chief of Staff
