Pixel tags are very small images or small pieces of data embedded in images, also known as “web beacons” or “clear GIFs,” that can recognize cookies, the time and date a page is viewed, a description of the page where the pixel tag is placed, and similar information from your computer or device. Flash Cookies are similar to standard cookies except that they can be larger and are downloaded to a computer or mobile device by the Adobe Flash media player. Please note that you may need to take additional steps beyond changing your browser settings to refuse or disable Local Shared Objects and similar technologies. For example, Local Shared Objects can be controlled through the instructions on [Adobe’s Setting Manager page](#). By using the Services, you consent to our use of cookies and similar technologies. You can decide if and how your computer will accept a cookie by configuring your preferences or options in your browser. However, if you choose to reject cookies and similar technologies, you may not be able to use certain online products, services or features on the Services.

This information may include IP addresses, browser type, ISP, referring/exit pages, operating system, date/time stamp, and/or clickstream data. We do not link this automatically collected information to information we collect about you other than IP address. We collect this information to help us improve our website and to deliver a more personalized service. At times, we also use the information for purposes of system administration and to report aggregate information to our advertisers and sponsors, for example regarding the frequency with which our guests visit various parts of our sites. Click-stream data is described above in the fourth paragraph of this section called “Information Collection”.

We use mobile analytics software to allow us to better understand the functionality of our Mobile App on your mobile device. This software may record information such as how often you use the application, the events that occur within the application, aggregated use and performance data, and from where the application was downloaded. We do not link the information we store within the analytics software to any personal information you submit within the Mobile App.

#### *User Data Supplementation*

We may receive information about you from other sources, including publicly-available databases or third parties from whom we have purchased data, and combine this data with information we already have about you. Such links do not constitute an endorsement by us of those other websites, the content displayed therein, or the persons or entities associated therewith. This Privacy Policy does not apply to that third-party content. We encourage you to review the privacy policies of those third-party websites or services.

## 6. SECURITY

We have adopted security procedures to help protect against loss, misuse, and unauthorized access to the information you provide to us. For example, if we collect financial information, we will use encryption software to help protect this information when it is in transit. Please note, however, that no data transmission or storage can be guaranteed to be 100% secure. As a result, while we strive to protect your information and privacy, we cannot guarantee or warrant the security of any information you disclose or transmit to the Services and cannot be responsible for the theft, destruction, or inadvertent disclosure of your information.

We encourage you to periodically review this page for the latest information on our privacy practices.

## 9. ACCESS/CHOICE/RETENTION

Upon request delivered to [privacy@jaguars.com](mailto:privacy@jaguars.com), we will provide you with information about whether we hold any of your personal information.

## 10. YOUR CALIFORNIA PRIVACY RIGHTS

California law permits California residents to request certain information about how their personal information is shared with third parties for their direct marketing purposes. To make such a request, please contact us by phone at 866-633-7093 (toll-free), email at [privacy@jaguars.com](mailto:privacy@jaguars.com) or write us at Jacksonville Jaguars, LLC, 1 TIAA Bank Field Drive, Jacksonville, FL 32202, Attention: Privacy Officer.

In some cases, third parties may be able to collect information about a user's online activities over time and across different websites when the user uses our Services.

Some web browsers may transmit "do-not-track" signals to the websites with which the user communicates. Because of differences in how web browsers incorporate and activate this feature, it is not always clear whether users intend for these signals to be transmitted, or whether they even are aware of them. Because no industry standard currently exists concerning what, if anything, websites should do when they receive such signals, we currently do not take action in response to these signals. If and when a final standard is established and accepted, we will reassess how to respond to these signals.

### California Consumer Privacy Act Disclosure

This California Consumer Privacy Act Disclosure provides additional information to California residents whose personal information is processed by Jaguars pursuant to the California Consumer Privacy Act ("CCPA").

During the preceding 12 months, we have collected the categories of personal information that are processed pursuant to the CCPA as set forth in Section 1 hereof. Unless otherwise set forth herein, we generally do not "sell" personal information for purposes of the CCPA. As set forth in this Privacy Policy, we disclose personal information to third parties for business purposes, including without limitation, for purposes of advertising, marketing, and other services performed on our behalf, to protect against fraud and malicious activity, and for other business purposes described in this Policy. During the preceding 12 months, we have disclosed the categories of personal information set forth in Section 1 for such business purposes. In addition, your information may be accessible to third parties with whom you interact or direct us to share your information through our services. With your prior express consent, we may disclose contact information to certain sponsors and/or advertisers as part of co-branded or co-sponsored sweepstakes, contests, promotions, or other initiatives. In such cases, we will share such information with sponsors and/or advertisers in accordance with the terms and conditions of and official rules of the applicable sweepstakes, contest, promotion or other initiative.

The CCPA allows California residents to request that a business that collects consumers' personal information give consumers access, upon a verifiable consumer request, in a portable and (if technically feasible) readily usable form, to the specific pieces and categories of personal information that the business has collected about the consumer, the categories of sources for that information, the business or commercial purposes for collecting the information, and the categories of third parties with which the information was shared. California residents also have the right to submit a request for deletion of personal information under certain circumstances, although there may be legal or other reasons that Jaguars must retain your information consistent with California law. If you choose to exercise your CCPA rights, we will not charge you different prices or provide different quality of services unless those differences are related to your personal information or otherwise permitted by law. Please submit your request by completing the [CCPA Data Request Form](#) or by calling 866-633-7093 (toll-free). Please note that your request will not be processed until your identity is confirmed.

Once we receive your request, we may verify it by requesting information sufficient to confirm your identity. If you would like to use an authorized agent registered with the California Secretary of State to exercise your rights, we

may request evidence that you have provided such agent with power of attorney or that the agent otherwise has valid written authority to submit requests to exercise rights on your behalf. We reserve the right to deny requests in certain circumstances, such as where we have a reasonable belief that the request is fraudulent.

#### **11. DO NOT CALL POLICY**

We do not place marketing telephone calls to numbers appearing on the Florida or federal do not call list (unless permitted by applicable law) or to the number of a person who has expressly requested not to receive telemarketing calls made by or on behalf of Jaguars. If you ask not to receive telemarketing calls from us, you will be placed on our internally-maintained do not call list and will not be called during any future telemarketing campaigns. Any request to be placed on our internally-maintained do not call list will be processed within a reasonable amount of time, not to exceed 30 days. Our employees involved in our telemarketing campaigns receive training on how to use our internally-maintained do not call list, and how to document, process and honor requests to be placed on our internally-maintained do not call list. It is our policy to honor a "do not call" request for five (5) years from the time the request is made, unless otherwise prohibited under applicable law. However, some states have do not call laws that require us to honor such a request for a longer period of time, and it is our policy to comply with those laws when applicable. Subject to applicable law, if you communicate with us by telephone, we may monitor or record the call. We reserve the right to revise this Do Not Call Policy at any time with or without notice.

#### **12. INTERNATIONAL USERS**

Please note that the Services are directed towards users who reside in the United States. By using the Services, you consent to the collection, storage, processing, and transfer of your information in and to the United States, or other countries and territories, pursuant to the laws of the United States. While some of these countries may not offer the same level of privacy protection as your own, we commit to uphold the privacy protections as explained in this Privacy Policy.
