Tech Sergeant Denise Deisler honorably served in the U.S. Air Force from 1981-1992. She was medically retired for a service connected disability. She proudly served as an intelligence officer and later in her career, a fitness and sports director. She was chosen to serve as secret service liaison for two presidential visits and played a key role in welcoming the return of airman from Desert Storm. Among her decorations and citations are the Air Force Accommodation Medal, Air Force Outstanding Unit and the National Defense Service Medal. Following military service, Deisler continued to serve her community through nonprofit work; most recently as the CEO for the Jacksonville Humane Society for 13 years. Deisler is married and has three sons, two daughters, and ten grandchildren.

Here are Keri's spine surgery results.

After two major horseback riding accidents, Keri lived with debilitating spine pain for 20 years. She saw several doctors and pursued procedures at other hospitals with little success. Everything changed when she came to UF Health, where our neurosurgery team discovered damage far beyond what her diagnostic scans revealed—damage that might have meant an even longer and more difficult road. But, complex spine surgery conducted by our expert surgeons allowed her to immediately start on the road to recovery. Today, she's back to yoga and to living a life free of back pain.

RESILIENT AND GRITTY

Jaguars tied for best record in the NFL after emotional win over the Chiefs on Monday Night Football

By: J.P. Shadrick

Kam Nedd, 2025

JACKSONVILLE – The Jacksonville Jaguars have a 4-1 record for only the fifth time in franchise history, and for the first time since 2007 after a wild 31-28 win over the Kansas City Chiefs on Monday Night Football.

It adds to the list of items the Jaguars have already checked off this season: including a season-opening win over the Panthers, a home win over the Texans for the first time since 2017, a tough West Coast win over the 49ers.

Next up, another challenge as the Seattle

Seahawks (3-2) come to EverBank Stadium today for a Week 6 matchup.

ABOUT LAST WEEK

The 31-28 win over the Chiefs on Monday Night Football will be talked about for years to come – especially if it sparks this team to greater heights in this season and beyond.

It's all about the resiliency and finish from this Jaguars team.

Quarterback Trevor Lawrence, celebrating

his 26th birthday on gameday, lost a fumble and threw an interception earlier in the game, and made a questionable decision to take a sack on the final drive plus took a delay-of-game penalty.

Then, of all things, a nearly unprecedented "slip-six" to win the game.

On first-and-goal at the 1-yard line with :30 remaining and no timeouts, Lawrence took the snap from under center, but right guard Patrick Mekari stepped on Lawrence's right foot and the quarterback fell. Untouched, and unfazed, he struggled to find his feet twice, but then ran to his left, stepped out of an ankle tackle and dove into the end zone for the go-ahead touchdown with :23 remaining. "Panic... sheer panic," Lawrence told ESPN reporter Laura Rutledge on field after the game.

"We didn't have any time-outs, so I was really going to stand up and launch it out of the back of the end zone, but then I had a little bit of a lane, so I took it and scored from there," Lawrence later told media in the postgame press conference.

The drive went seven plays and 60 yards in 1:22, and followed a Chiefs 12-play, 86-yard touchdown drive in 6:23, a methodical march that gave them the lead with 1:45 remaining.

"He got stepped on and he's coming out of it and you're like, oh, my gosh, throw it away so we can have another down," Head Coach Liam Coen said. "Man, what an individual effort. Obviously tough moment where -- I can only imagine where he was at in that moment on the ground, but to get up, break, what, three tackles or whatever it was, two tackles and shed some dude off and go run it in the (endzone) -- that's an unbelievable individual effort.

"Yeah, we'd love it to be cleaner, and just make it a nice executed play, but at the end of the day, it's about winning, and I'm proud of the toughness that he showed at the end of that game."

Lawrence used his running ability in key moments throughout the game and finished

as the Jaguars' leading rusher with 10 carries for 54 yards and two rushing touchdowns. He also connected with wide receivers Brian Thomas Jr. and Dyami Brown on key passes back-to-back to set up the goal-line sequence.

It was a fitting end to one of the wildest games in recent history, with big plays on both sides of the ball for the Jaguars.

Trailing 7-0 early, The Jaguars offense drove the field and faced fourth-and-goal from the 1-yard line. Lawrence leapt over the line and tried to reach the ball over the goal line but was stopped an inch short when the ball was punched out of his hands and recovered by the Chiefs at their 3-yard line. Five plays later, the Chiefs found the end zone for a second time and a 14-0 advantage.

The Jaguars regrouped and drove the field again on the next possession, this time 13 plays in over eight minutes and Lawrence found Parker Washington for a 3-yard touchdown to cut the Chiefs lead to 14-7 and keep the game within reach.

"The resiliency is really what I think this team has and has continued to show," Coen said. "There was really no flinch or blink when you're down 14-0. I think early on we might have had a little bit of bright eyes in a kind of big game, that you can understand a little bit, in some ways." Coming out of halftime, the Jaguars defense forced punt on the opening Chiefs possession, and the Jaguars started from their own 13-yard line. Three plays later, Lawrence hit wide receiver Travis Hunter on a 44-yard pass when Hunter jumped over two defenders and made an acrobatic catch to flip the field and moved the ball from the Jaguars 28-yard line to the Chiefs 28.

Five plays later, Lawrence scrambled for a 10-yard touchdown to tie the game 14-14.

This set the stage for the defense to continue what they have done all season long: take the ball away, and this time they did even better.

The Chiefs had moved the ball 10 plays and were set up with second-and-goal from the 3-yard line. The Jaguars showed middle pressure from the linebackers, but Devin

Lloyd backed out and undercut a crossing route and intercepted the pass from Chiefs quarterback Patrick Mahomes. Lloyd then avoided a diving tackle attempt from Mahomes, stiff-armed the running back and sprinted down the sideline. He held onto the ball in a strip attempt from a receiver in the final 10 yards of a 99-yard interception return for a touchdown that sent EverBank Stadium into a frenzy.

"It was just a great call – it was a zero (blitz) look, and I was able to pop out," Lloyd said. "We know the ball is coming out quick, so it's really about me getting my eyes back and getting in the right vicinity. So, the ball was right there, thankfully, and picked up a couple blocks. Those were big. I don't know if I would have made it if I didn't get those. Grateful for everybody who helped me get into the end zone."

The interception was Lloyd's league-best fourth of the season, his fifth total takeaway, and the first Jaguars defensive score of the season. This one gave the Jaguars a 21-14 lead with 2:19 left in the third quarter. It was the Jaguars league-leading 14th takeaway of the season, and only the second giveaway by the Chiefs.

The Chiefs tied the game when a Trevor Lawrence pass was intercepted by Chiefs cornerback Trent McDuffie, setting up the Chiefs in the red zone. Two plays later,

running back Kareem Hunt scored from 5 yards out to tie the game 21-21 with 12:21 to play in the fourth quarter.

Cam Little hit a 52-yard field goal on the ensuing possession to give the Jags a 24-21 advantage with 8:08 to play.

The Chiefs then went on the methodical touchdown drive to open a 28-24 lead with 1:45 remaining, setting up a thrilling conclusion.

The win was the first for the Jaguars over the Chiefs since the 2009 season and gives them a tie for the best record in the NFL at 4-1.

"Hopefully we put the league on notice, but obviously, it's a week-by-week basis, so we can't really look at it too far outward," defensive end Josh Hines-Allen said. "We can only look internally, and I think defensively, we can get a lot better. Offensively, we battled our ass off, and special teams, they did a great job as well. The kick return unit was amazing. Punt was amazing. Our rook (WR/DB Travis Hunter), man, golly. Two great plays to start the game that gave us a little bit of momentum.

"Everybody just stepped up and made the plays that they were supposed to make."

DONOVAN

Feel the Chills of Game Day Live at the Stadium or Cozy at Home!

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal—to make our customers happy. **Over three decades later, nothing has changed.**

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

Donovan. Always a **Good Call.**

Tell us about yourself and your connection to Jacksonville/the Jaguars:

I'm a military kid, and ever since I moved to Jacksonville, it's always felt like home. With all the moving around growing up, finding a place that truly felt like mine was

rare—but Jacksonville gave me that. The people, the culture, and the energy here just clicked for me.

The Jaguars quickly became a big part of that connection. No matter where life took me, cheering for the Jags made me feel rooted.

Do you have any gameday rituals?

Wear the winning jersey or shirt to the following game.

What's your favorite part of gameday?

The team walkout and tailgating.

What is your favorite Jaguars moment?

Jalen Ramsey's game-sealing interception vs the Bills – 2017 Wild Card Game

What do you gain from attending a game instead of watching it on tv?

The Experience

What would you tell someone who is considering purchasing season tickets?

New Team, new stadium coming. Bold Jacksonville HERE to stay!!! DUUUVAL!!!!

What is on your Jaguars bucket list?

My youngest son (13) meeting Travis Hunter. He has been following him since day 1 at Colorado.

FAN REMINDERS

PARDON OUR DUST

Stadium of the Future construction is underway and will be ongoing until its grand opening in August 2028. This year, fans can expect that the in-bowl game experience will remain unchanged, but parking, stadium entry and how you access your seats may look different - even from week to week.

During the 2025 season, It will be important to enter the gate recommended on your ticket for the most direct access to seat locations. This gate may be adjusted during the season based on progress made on the renovation since the previous game. Since the plaza level will no longer allow contiguous travel from gate to gate, the concourse level, accessible by ramps from each gate, will provide a 360-degree path around the stadium and will be the best way to navigate all public areas.

For any wayfinding questions, please find a Guest Experience Representative to assist.

WHEELCHAIR ESCORT

Wheelchair escort service is available at all perimeter gates of the stadium. Please find a Mobility Assistance Representative at most gate entries to request an escort when you arrive. This service will bring guests from the perimeter gate to their seats. Wheelchair escort service will return after the game to pick up guests at their seats and return them to their original perimeter entry gate.

Due to high demand, please note the service may come with a wait time.

Please note that if you need a wheelchair for all movements throughout the stadium, it is advised that you bring a wheelchair for your personal use throughout the entire day and contact the Jaguars ticket office at (904) 633-2000 for accessible seating availability. The Jaguars do not offer storage for personal wheelchairs or other accessibility devices in-stadium. The wheelchair escort service is intended to relieve patrons in need of the initial long entry and exit walks.

JTA GAMEDAY XPRESS

Come ride with JTA and say goodbye to driving and parking hassles. Fans can purchase single-game passes onsite at any Gameday Xpress lot on game days or via the MyJTA mobile app. The app runs on iOS and Android systems and is available on Google Play or the Apple App Store.

For information about riding JTA, please contact the JTA's customer service line at (904) 630-3100 or visit www.jtafla.com.

SECURE DIGITAL TICKETING

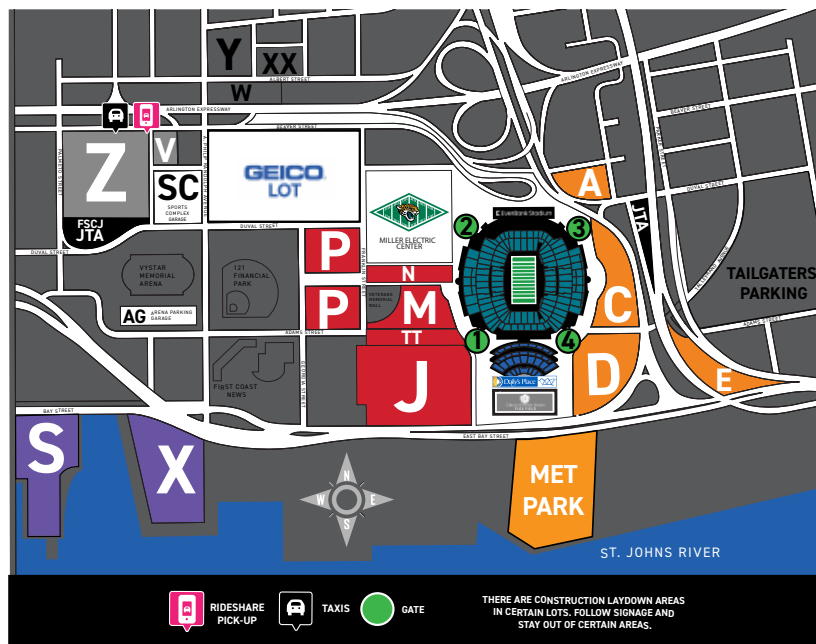

Be prepared on game day by downloading the official Jaguars app. Have your ticket barcode ready to scan directly from your mobile phone at the stadium gates. Please note print-at-home PDF tickets are no longer available. Don't wait in line at the box office. Access your tickets through your app or web browser.

To expedite your stadium entry on game day, please make sure to have your game ticket barcode ready to scan before arriving. Email confirmations will not be accepted. You must have your mobile ticket pulled up on your phone with the barcode prior to entering the stadium gate lines.

For more information, please visit www.jaguars.com/mobiletickets.

PARKING

The Jaguars parking lots and parking passes will continue to be managed digitally for the 2025-2026 season. The Jaguars will not distribute any printed parking passes.

Jaguars ticket holders can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide.

GEICO has you covered by getting you to the game easier with the new GEICO Game Day Shuttle Program! Available for every home game during the 2025 season at: Lot S, Lot X, Lot Z, and Met Park for ticketed fans only. Pick-up areas are located near each lot entrance. The complimentary shuttle service is available for 3 hours prior to kickoff and 1 hour after the end of each game.

Shuttle operations are temporarily suspended at kickoff and until the conclusion of each game. Post-game pick-up for Lot S, Lot X and Lot Z via the Jacksonville Veterans Memorial Wall. Guests parked in Met Park will be able to access post-game pick-up via Lot D.

If you are unable to secure a parking pass for an upcoming Jaguars game, it is strongly encouraged to arrange different transportation, including the JTA Gameday Xpress Service or Rideshare.

For additional information on parking and lot specific directions, please visit:
<https://www.jaguars.com/stadium/parking>.
