JAGUARS' ROOKIES SHINE IN STREAK-SNAPPING VICTORY

Jags return home to welcome QB Aaron Rodgers and the New York Jets

By: John Oehser

Kam Nedd, 2024

NASHVILLE, Tenn. – Youth was served for the Jaguars last Sunday.

The future may have been seen, too.

Wide receiver Brian Thomas Jr. and cornerback Jarrian Jones, a pair of promising rookies, played big at the biggest moments of

a 10-6 victory at Nissan Stadium – and were key reasons the Jaguars snapped a five-game losing streak and won in Nashville for a second time in three seasons.

First topic: Jones, who registered a sack and two passes defended, keying a strong defensive team performance.

"He played really well down the stretch," Head Coach Doug Pederson said.

That was particularly true late, with Jones not only registering a key fourth-quarter sack that Pederson called "a thing of beauty" but also defending two passes.

Jones' sack came on third-and-6 from the Jaguars 47. The Jaguars trailed 6-3 at the time, with the sack forcing a punt and the Jaguars driving for the winning touchdown on the ensuing series.

"I thought he did a really good job, and he just continues to get better each week," Pederson said of Jones. "A lot of good things about Jarrian."

Added defensive end Josh Hines-Allen, "That's the expectation that I have for him. He's a baller, at the end of the day. I'm excited to see him out there with the opportunities to put on for himself and for us. I'm happy for him, and hopefully, he'll continue to play better."

Jones, a third-round selection in the 2024 NFL Draft, from Florida State said he began to feel comfortable around Week 4 or 5 this season when he became accustomed to professional game speed.

"I figured out how I needed to prepare and adjusted to how I did in college to the NFL," he said. "It just kind of took off from there."

Second topic: Thomas, who continued a strong rookie season Sunday with eight receptions for 86 yards. All eight receptions came in the second half.

"We tried earlier in the game to do some things that way," Pederson said. "It's what we have to

do. We have to get Brian involved. He's a great player. He's going to be a really good player in this league.

Thomas turned in multiple key plays as the Jaguars rallied from a 6-0 fourth-quarter deficit. He had four receptions for 62 yards in the fourth quarter, including three receptions for 57 yards on the game-winning drive that ended with running back Tank Bigsby's 8-yard touchdown run with 6:46 remaining.

"I feel like we were able to finally sustain a drive and get something going," he said.

"That's all it takes for us is to sustain a drive. I feel like when we sustain drives, good things come to us."

Thomas turned in perhaps the game's key play when he got behind the Titans defense as quarterback Mac Jones escaped the pocket on third-and-4 from the Titans 43. Jones found Thomas down the left sideline for a 31-yard gain to the Titans 12, with Bigsby's touchdown coming two plays later.

"I had a little flat route," he said. "The defensive end lost me, so I kind of split behind him. Mac saw me and threw a good ball, and I was able to get the first. [Wide receivers] coach Chad [Hall] was just saying that the whole week we were going to get one of those big plays and you just got to be ready for it when it comes in the game."

NOTABLE WEEK 14 MOMENTS: JAX VS. TEN

This wasn't the Jaguars' best running game of the season, but the Jaguars ran well when it mattered last Sunday – particularly during the critical fourth quarter. Bigsby rushed for 51 yards on 12 second-half carries, finishing the game with 55 yards and a touchdown on 18 carries.

Kam Nedd, 2024

The Jaguars rushed for 71 yards and a touchdown on 26 carries Sunday after rushing for nine yards on 10 first-half carries. Bigsby ran for two of the Jaguars' biggest plays offensively – a 12-yard run on fourth-and-1 that led to a 26-yard fourth-quarter field goal by Cam Little and the game-winner on the ensuing series.

"It started off slow," Bigsby said. "You want to get going as a runner, get the offense going and just be a key factor for the offense. We wanted to stick with it, have faith in the run game, and I feel like we did that. Coach stayed with it. When the opportunities came for big plays and big runs, we executed."

QUOTABLE MOMENTS DURING JAGUARS WEEK 14 POST GAME INTERVIEWS

Pederson on quarterback Mac Jones' first victory as a starter with the Jaguars: "I know he's going to be excited. I'm excited for him to really lead our football team. He knows,

too, moving forward that he's going to be out there. He's going to be the guy. There are some things he can build upon. I'm excited for him just getting that first win."

Hines-Allen on winning in Nashville for a second time in three seasons: "This is a rivalry game. Our message before the game was this is a rivalry game, so whatever you need to feel to get that energy, to get that aggression up, that's the type of game it's going to be. You could tell it was that type of energy."

Call the waterboy for all your water needs!

Date your season membership started:

Sept 3, 1995. The organization flew Wayne Weaver into the stadium by helicopter - we were there and 11 of us stapled our applications together to be a banner club. We did, and we hung a banner at every game to show our team spirit. After the stadium renovations were done, an electronic ribbon sign took its spot, but we continue to show our spirit every game.

Seat Location:

Section 434, Row A, Seats 13 & 14

Do you have any game day rituals:

We have always enjoyed tailgating in the parking lot with friends before the game. Then, we love getting to the stadium an hour early to visit all the fun activities happening and watching the teams warming up prior to the team's introductions.

What is your favorite part of game day:

Winning of course! Seeing the players run out onto the field and the fly overs are exhilarating and exciting. With the 6ft wall over the railing in front of us a 10' or 16' x 6' banner would get us on the jumbotron and several times shown on national sports shows, showing our support. The four top banners were "Bears Beware, It's Feeding Time", "Deeds Not Words" - Tom Coughlin, "Thunder & Lightning" - (signed by Jimmy Smith and Keenan McCardell) and our most famous "Wake-up America the Teal is Real".

What's your go to food item at EverBank Field:

Chicken tenders and nachos with jalapenos and cheese are fabulous game day food.

What do you gain from attending a game instead of watching it on TV:

Our seats are incredible, where we are in the stadium we can see things open up on the field and the plays develop. To feel the excitement of the fans and high-fiving your friends is energizing.

What would you tell someone who is considering purchasing season tickets:

I would express how much we have enjoyed going to games for the last 30 years and how you can be part of the excitement and the fun that the stadium holds. People are always so surprised when we tell them we have been Season Ticket Members for 30 years. We hope we can keep our seats forever!

Miracle-Ear® **Hearing Loss Study Seeking Participants!**

We're looking for participants for a special promotion being conducted as part of a local outreach study in your area. **Early hearing loss treatment is essential.** The tide is turning, and more and more people are recognizing the value of treating even mild hearing loss. Yet, people still wait an average of seven years to treat their hearing loss.

Why get tested and treated if you're still able to get by? **Here are the reasons:**

- Better hearing may protect you from dementia, raise your income, guard against depression and help you stay socially active.
- Hearing aids today are so advanced they make it possible for most people to hear in very crowded, noisy situations.
- Early intervention "trains" your ears when they are most able, setting you up for more effective treatment and better hearing.
- The hearing checkup is free and painless.

You will receive a **FREE hearing evaluation and a FREE Video Otoscope Inspection.**

A Video Otoscope is a tiny camera that is placed just inside your ear canal – much like your doctor does with a hand-held Otoscope during a check-up. It's completely painless and will allow us to see whether earwax buildup may be causing difficulties with your hearing. We will also test your hearing using an Audiometer – much like you probably experienced in grade school. Neither inspection will cost you a penny, nor are you under any obligation.

Would you be willing to take a pair home to try them out?

We will have a pair of new Miracle-Ear hearing aids for you in our office and will set them up for your hearing so you can take them home with you. Bring them back in a week and tell us what you think!

As our way of saying "Thanks" for allowing us to evaluate your hearing and introduce these new devices, you will receive a...

FREE Set of Listening Ears*

for wireless reception from any electrical device audio output. **Mention Code: 191BXA**

For a limited time, we are offering a **100% FREE Trial****. Take our hearing aids home for free with no money down and no obligation. *Call to schedule your **FREE** Hearing Evaluation.*
