STRETCH RUN BEGINS

Jaguars bring NFL-best five-game win streak out of bye for three of next four at home

By: J.P. Shadrick

Kam Nedd/©2023

JACKSONVILLE – The Jacksonville Jaguars are 6-2 and have the league best active win streak of five games and currently sit as the No. 3 seed in the AFC playoff race.

The Jaguars have won their last five games in five stadiums in four cities in a span of seven time zones.

“The first eight games, I think with all the travel, Thursday games, in and out of hotels, different things like that, the guys have really handled it extremely well,” Head Coach Doug Pederson said.

“Proud of the guys for doing that. Really proud to be 6-2 at the bye.”

But this Jaguars team knows better than most – considering last year’s result – that it’s how you finish the schedule that counts most.

“We also understand that we haven’t won anything yet,” quarterback Trevor Lawrence said after the Week 8 win over the Steelers. “We’re 6-2, a great spot to be in. We’ve been on a great run, but we’ve got to keep carrying that momentum when we come back.”

Today the Jaguars host the San Francisco 49ers (5-3), a preseason favorite to compete for the NFC Championship in 2023. Next week, the Jaguars host the division rival Tennessee Titans, then in Week 12 the Jaguars visit the Houston Texans before a Week 13 matchup with the Cincinnati Bengals at home on Monday Night Football.

If the Jaguars want to continue their push to another AFC South title and become the No. 1 seed in the AFC Playoffs, these games in the next month are critical to the cause.

JAGUARS OFFENSE

The Jaguars offense might not have the explosive numbers of some of the top offenses in football, but they have been effective at the right times during this five-game win streak.

Quarterback Trevor Lawrence is a big reason why.

In the last five games, Lawrence has thrown six touchdown passes against two interceptions, but also used his legs to move the sticks in key moments, especially against the Falcons and Bills in London and in the Thursday night game against the Saints on a bad knee.

The Jaguars have done it different ways over the last month but have always found a way to finish.

"We've seen ourselves win these tight games, win the games that aren't clean, we've won games when we're behind," Lawrence said. "Found a way to win (Week 7) in New Orleans when they tied it up. Got a big touchdown. Got a stop on defense.

"All those things just pile on top of each other and build a lot of confidence in a team. We've got to keep playing with that, clean up some of the mistakes, like always. But I love where we're at right now."

The Jaguars' offensive line has had the most position changes of any group on the team in 2023, and they will have their hands full today against 49ers defensive lineman Nick Bosa and new addition before the trade deadline in former Commanders defensive lineman Chase Young.

The 49ers' defense ranks fifth in the league against the run (86 ypg) and sixth in the league in passing yards per play (5.9).

Left tackle Cam Robinson missed the first four games due to a performance enhancing drug policy suspension, but returned and has been in the lineup since Week 5. Left guard Walker Little started at left tackle the first four weeks, then moved to left guard Week 5 but injured his knee in that game against the Bills. Veteran guard Tyler Shatley stepped in the next few weeks, but the Jaguars made a trade for Vikings guard Ezra Cleveland before the deadline.

Veteran right guard Brandon Scherff missed some time against the Colts Week 6 with an ankle injury but played Week 7 on a short week. Rookie right tackle Anton Harrison continues to gain experience and confidence in his first season in the NFL.

First half offensive MVP:

• RB Travis Etienne Jr. – Through Sunday of Week 9, Etienne is second in the league in rushing attempts (151), sixth in the league in rushing yards (583) and tied for third in rushing TD (7). He's also been big in the passing game, certainly Week 8 at Pittsburgh when he caught a third-quarter touchdown pass to put the Jaguars up two scores after returning to the game following an ankle injury. Etienne is playing good football all-around and should be in the conversation for the Pro Bowl.

JAGUARS DEFENSE

The Jaguars defense prides itself in stopping the running game and taking the ball away from opponents.

They've done both at a high level so far. The Jaguars are third in the league against the run (79 ypg allowed) and are tied for the league lead with 18 takeaways.

"Credit Mike Caldwell – great game plans," Head Coach Doug Pederson said after the Week 8 game in Pittsburgh. "There's a mindset over there now. There's confidence over there. When you keep things really simple and you got the same calls and the guys understand the defense, the way

they work during the week, everything translates to what you see on game day."

Outside linebacker Josh Allen has led the charge recently with six sacks over the last five games. Outside linebacker Travon Walker has 22 tackles with 5 tackles for loss, 3.5 sacks and 8 quarterback hits, and continues to make strides in the pass rush game. Defensive tackle DaVon Hamilton returned to action Week 8 in Pittsburgh, his first work of the season after a preseason back injury.

Linebacker Foye Oluokun keeps adding tackles, with 92 total stops on the season, the third-best total in the NFL, and linebacker Devin Lloyd has 48 tackles, second on the team, with six passes defended, also second on the squad.

Seven different players have posted at least one interception this season, with the Jaguars tied for the second-most in the NFL with 11. Safety Andre

Cisco and CB Darious Williams lead the way with three each, while Williams leads the NFL with 14 passes defended.

Cisco and cornerback Tyson Campbell missed the Week 8 game with hamstring injuries but look to return Week 10 against the 49ers.

First half defensive MVP:

- OLB Josh Allen – In a contract year, he's produced 9.0 sacks (5th NFL) with 16 quarterback hits (T-5th NFL) and eight tackles for loss. His impact has been felt not only in the pass rush, but in the running game. The Jaguars single-season sack record of 14.5 (by Calais Campbell in 2017) is in jeopardy of being surpassed, and Allen is on pace for a great stretch run and a lucrative offseason.

Experience **Game Day Chills** at the Stadium and at Home!!!

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal—to make our customers happy. **Over three decades later, nothing has changed.**

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

Donovan. Always a **Good Call.**

1. We promise that the yield on your Yield Pledge[®] Checking, Money Market and/or Online Savings Account will stay in the Top 5% of Competitive Accounts based on the Bankrate Monitor National Index survey data from the last week of each month. "Competitive Accounts" are similar accounts from the 10 largest banks and thrifts in 10 large U.S. banking markets. This includes data from the 5 largest banks and 5 largest thrifts in each market for which rates are available, except in markets without 5 banks and 5 thrifts. Each week Bankrate surveys these institutions and distributes its results to certain institutions on a paid-for basis. Not all institutions report each week. We reserve the right to change, at any time and without prior notice to you, our Yield Pledge calculation method as necessary to accommodate changes in Bankrate's survey and/or its distribution methodology, including, without limitation, by switching to a different, comparable methodology that may not be based on information from Bankrate.

Seat Location:
Section 210, Row A, Seat 5

Do you have any gameday rituals?

My gameday rituals include walking the same route to every game, going through the same security checkpoint and eating a Bono's pulled pork sandwich with a large ice tea.

What's your favorite part of gameday?

Having the pleasure of meeting and greeting someone new at every Jaguars game. I also enjoy fan entertainment around the stadium and watching the crazy antics of Jaxson de Ville.

What's your go-to food item at the Jaguars stadium?

A basket of nachos with hot spicy cheese topping and a large Coke.

What do you gain from attending a game instead of watching it on TV?

At the game, you get the full effect of a gameday experience. The joy you see in the eyes of the fans and high-fiving after a long touchdown pass from Trevor Lawrence or a kickoff return for a touchdown...You can't beat it.

What would you tell someone who is considering purchasing season tickets?

You would be joining a great fraternity of fans with an excellent opportunity to meet and make new friends at every Jags game. You'll get to enjoy the excitement and enthusiasm at every Jaguars football game.

PARKING

The Jaguars have moved to digital management and delivery for the 2023-24 season. This means the Jaguars will no longer print parking passes for use on game day.

Jaguars Season Ticket Members can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. The app is available for free on both Apple and Android devices. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide. In order to manage and view your season tickets and parking on your mobile device, log into your Jaguars Account Manager.

All sports complex parking lots open four hours prior to kickoff. The Sports Complex Parking Garage may have limited passes available on a game by game basis. The garage is located near the VyStar Veterans Memorial Arena. Parking passes are available on a drive-up basis on game day. Please note that tailgating is prohibited in this garage.

Although they are not operated by the Jaguars, the Jacksonville Fairgrounds and the Tailgaters Parking Lot are also options that many fans use on game day. The Jacksonville Fairgrounds, located on the west side of the stadium, can be reached at (904) 353-0535 or visit www.jacksonvillefair.com. For information on the Tailgaters Parking Lot on the east side of the stadium, please call (904) 353-1126 or visit www.tailgatersparking.com.

For lot-specific pregame and postgame traffic patterns, please visit <https://www.jaguars.com/stadium/parking>.
