TENDED BAR

LET'S PARTY, DUVAL!

TendedBar is here to serve your favorite cocktails all season long! Pouring drinks in seconds, so you don't miss a minute.

WHO WE ARE:

TendedBar is a fully automated, self-service bar that incorporates facial recognition technology to pour you a real drink in under 30 seconds!

And even better, this technology is making it's debut right here in our hometown.

HOW IT WORKS:

Walk up to any TendedBar & register in 3 easy steps:

1. Scan face/take a selfie
2. Insert credit card/payment
3. Enter your phone number for confirmation

Now, you can visit ANY TendedBar and order for the rest of the game... No need to get your ID or credit card out again!
