Master Sergeant Floyd Key

Born and raised in Jacksonville, Florida, Floyd grew up grounded in the values of family, faith, and service. After graduating from Douglas Anderson High School in 1966, he was drafted into the U.S. Army at just 18 years old, where he courageously served in the Vietnam War. Throughout his distinguished military career, Floyd served in Vietnam, Fort Riley, Kansas, Fort Stewart, Georgia, and right here in Jacksonville, Florida. He also served as an Army Recruiter, proudly enlisting countless young men and women who would go on to serve their country with honor. Over the course of an extraordinary 37 years of military service, Floyd earned numerous awards and medals recognizing his leadership, dedication, and exceptional contributions to the United States military. He retired with honor as a Master Sergeant. Today, Floyd continues to serve not through military duty, but through compassion and community leadership. Floyd and his wife of 53 years, Curley, are deeply involved in the Jacksonville community, organizing food drives that ensure families in need never go without support. His dedication to others remains one of the defining qualities of his life.

JAGUARS CLOSE 2026 PRESEASON HOME SCHEDULE

The 2025 AFC South Champion Jaguars will play the Tampa Bay Buccaneers in a 2026 Preseason Week 3 game at EverBank Stadium, the second of two preseason games in Jacksonville as the '26 regular season approaches.

By John Shipley

Chris Kim, 2026

JACKSONVILLE – The final audition for the 2026 Jaguars has arrived.

The Jaguars will play host to the Tampa Bay Buccaneers in the team's preseason finale at EverBank Stadium, the last of three games the Jaguars were slotted to play in preparation for the 2026 regular season.

Head Coach Liam Coen's team is 1-1 through the first two weeks of the preseason; the Jaguars defeated the New Orleans Saints 24-20 in New Orleans in the preseason opener, while losing to the Carolina Panthers 34-17 at EverBank Stadium last week.

The preseason finale against the Buccaneers will conclude a week of facing off against the Jaguars' in-state NFC opponent. Coen and the Jaguars held two joint practices with the Buccaneers and Tampa Bay Head Coach Todd Bowles ahead of Friday's contest.

Jacksonville will look to finish the preseason on a high note after falling short against the Panthers the previous week.

In a game that was called off at the final two-minute warning due to weather conditions, the Jaguars played exclusively the second- and third-team units for the second consecutive week. The Jaguars had a strong joint practice

against the Panthers on the Wednesday before the game, which helped Coen make the decision to keep the starters out of the preseason.

"I was pleased with the physicality, the effort, the energy – and a lot of the execution as well," Coen said of the intense practice at the Miller Electric Center. "There's a ton to continue to clean up obviously, but it was a step in the right direction."

The Jaguars' backups went back-and-forth first with Carolina's starters and then with the rest of their depth chart in a contest in which the Jaguars trailed 20-6 at halftime for a second consecutive week.

Panthers running back Jonathan Brooks rushed for a one-yard touchdown on the Panthers' second drive and gave Carolina a 7-0 lead with 7:34 remaining in the first quarter.

Jacksonville's only points through the first three quarters came on three field goals by kicker Cam Little – of 34, 34 and 43 yards. One of those field goals came after quarterback Nick Mullens led a 71-yard field-goal drive late in the first quarter before leaving the game.

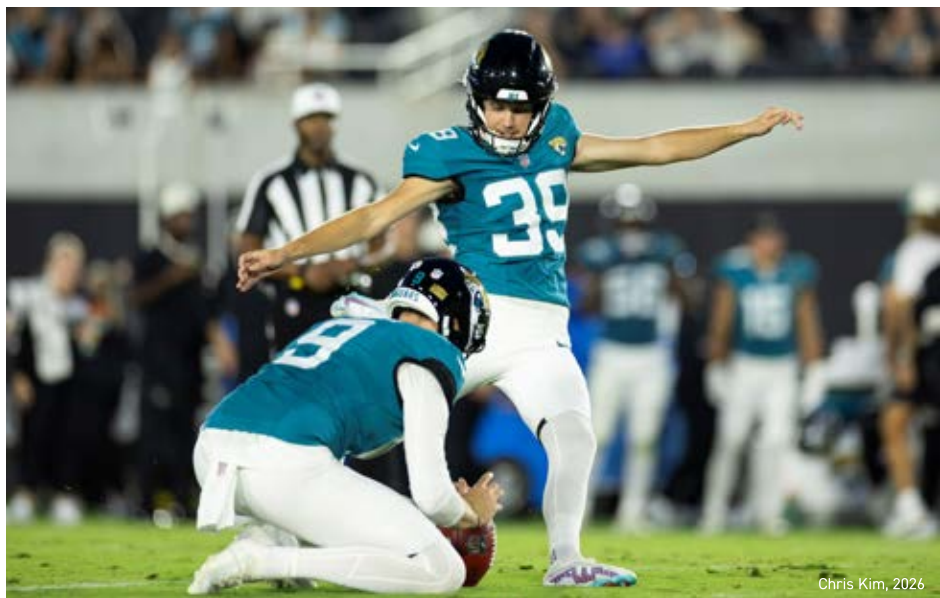

Panthers kicker Ryan Fitzgerald hit a 48-yard field goal to extend the lead to 10-3 with 5:26 remaining in the second quarter. Panthers running back A.J. Dillon's seven-yard touchdown run with 2:07 remaining in the second quarter made it 17-3 before Fitzgerald made a 61-yard field goal on the final play of the half.

The Jaguars found the end zone for the first time in the second half courtesy of a connection between two undrafted free agents.

Rookie quarterback Joey Aguilar played the entire second half and completed nine of 10 passes for 130 yards and one touchdown with no interceptions. Aguilar's 29-yard pass to rookie wide receiver Trebor Peña ended the Jaguars' scoring in the fourth quarter.

Also standing out for the Jaguars against the Panthers: Running back Ameer Abdullah (six carries for 45 yards and three catches for 37 yards) and rookie wide receivers Josh Cameron (two catches for 41 yards) and CJ Williams (four catches for 22 yards).

"The guys are such pros," Coen said of Cameron and Williams. "They have a lot to learn, no

Chris Kim, 2026

question. But in terms of showing up early, leaving late, doing extra, being locked into the details, and understanding how to walk through in some of the walk thru settings.

"Then they come out into the lights, and they make plays. It's good to see Josh make a one-on-one op that we've seen in practice a number of times. Nick gave him a good opportunity. CJ continuing to be steady. Those guys are earning trust for sure and they're going to continue to earn more."

With the Panthers in the rearview, the Jaguars spent the last week preparing for the Buccaneers. Two joint practices with Tampa Bay meant plenty of repetitions for the Jaguars' key players such as quarterback Trevor Lawrence, cornerback/wide receiver Travis Hunter, defensive ends Josh Hines-Allen and Travon Walker and other top starters before Week 1.

Jacksonville last played Tampa Bay in the 2024 preseason, resulting in a 20-7 Jaguars victory. The Jaguars have played Tampa Bay 14 times in the preseason in franchise history, with the Jaguars leading the preseason series 9-5.

The Jaguars have placed an emphasis on getting their youth and reserves as many preseason reps as possible to this point, and the Jaguars will once again lean on their youth for another week of preseason football.

After this week, things will get real. The Jaguars are just two weeks away from officially kicking off the 2026-27 season as they look for a repeat AFC South title in their second season under Coen and his coaching staff, and expectations are high.

The Jaguars will next hit the field at EverBank Stadium in Week 1 against the Cleveland Browns on Sept. 13, with kickoff slated for 1 p.m.

The Jaguars won last year's Week 1 home opener under Coen with a 26-10 victory over the Panthers, and they will be looking for their second consecutive year with a 1-0 start. The last time the Jaguars won in Week 1 two consecutive seasons was 2017-2018.

We made sure this veteran was ready for his next tour of duty: Grandchildren.

After multiple combat tours with Army Special Forces, Bryan understood adversity. But a traumatic brain injury from a paratrooper jump stayed with him long after his service. He experienced headaches, memory lapses, difficulty communicating and trouble with his balance. At the UF Health Jacksonville Leon L. Haley Jr., MD, Brain Wellness Program, Bryan found a team helping veterans and first responders facing traumatic brain injuries. By participating in a personalized outpatient program, UF Health specialists helped him improve his communication, balance and confidence. Today, Bryan feels more secure, more focused and more connected to those around him. Now, with the birth of his first grandchild, his next mission comes with a much smaller pair of boots.

Human progress has no finish line.

Feel the Chills of Game Day Live at the Stadium or Cozy at Home!

When we started Donovan Air, Electric & Plumbing in 1987, we had one goal—to make our customers happy. **Over three decades later, nothing has changed.**

We founded the entire Donovan business on customer satisfaction, with caring for the Northeast Florida communities as its core principle. As lifelong residents of Jacksonville and now as second-generation owners of Donovan Air, Electric & Plumbing, brothers Joel and Kyle Donovan are passionate about carrying out their family's 30-year tradition of helping neighbors and friends feel comfortable.

At Donovan, we care about our customers. We also care about the communities we serve. So, whether we're sponsoring your child's local football team, installing a new AC unit in a neighbor's home, or answering a service call after hours on a Friday night, one thing is certain—we're committed to doing whatever it takes to make our Jacksonville area a better places to live, work and play.

VERNESTA CHRISTOPHER AKA (MISS VE)

STM Since: 2000 | **Seat Location:** Sec. 104 Row A Seat 16 & Sec. 102 Row E Seats 1-2

Tell us about yourself and your connection to Jacksonville/the Jaguars:

I am a native of Jacksonville; I was born and raised here. I played flag football in school, and have always loved the game of football, so after it was announced in 1993 that we were getting our own team, I watched the Gator Bowl demolition, then waited for our new stadium. I was totally elated and could not wait until our season started, and I have been around ever since!

Do you have any gameday rituals?

Yes... I must be dressed to match the team colors for each game, I must have on my dark teal lipstick, I must be at the stadium to be first in line before the gates open and I park in the same space for every game!

What's your favorite part of gameday?

Going to the Publix Tailgate parties, then going inside of the Fan Entertainment and FUN ZONE to get my free posters for each game, to collect certain items, and watching the JAGUARS beat the crap out of the team they're playing that day!

What is your favorite Jaguars moment?

For me, it's getting an autograph from the players on the team and being able to take a picture with them and the coaches!

What do you gain from attending a game instead of watching it on tv?

I LOVE the excitement and the atmosphere of being inside of the stadium, hearing the roar and cheers from the crowd of FANS!

There's no comparison to seeing it on TV and being there LIVE! IT'S AWESOME!

What would you tell someone who is considering purchasing season tickets?

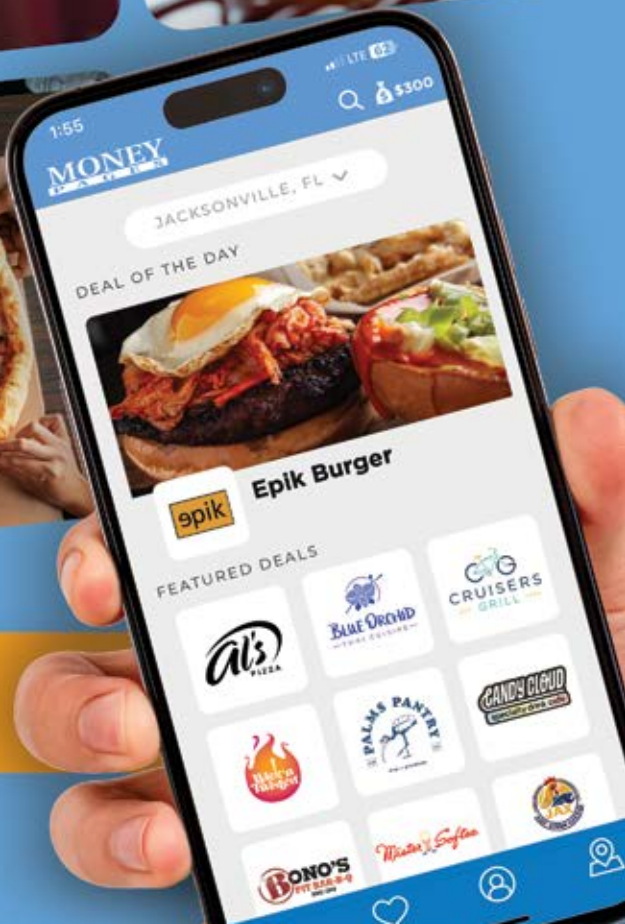

That this is going to be the BEST purchase they have ever made, and it will give them a great place to enjoy their Sundays every week or two, instead of sitting at home being bored.

What is on your Jaguars bucket list?

To hopefully be chosen as FAN of the YEAR one day soon, and to see the JAGUARS go to the SUPER BOWL, WIN IT, and being THERE to see it happen!

PARKING

The Jaguars parking lots and parking passes will continue to be managed digitally for the 2026-2027 season. The Jaguars will not distribute any printed parking passes.

Jaguars ticket holders can access their tickets and parking by downloading the official Jacksonville Jaguars App to their mobile device. Visit www.jaguars.com/mobiletickets to view our step-by-step mobile ticketing and parking guide.

Farah and Farah has you covered by getting you to the game easier with the Farah and Farah Game Day Shuttle Program! Available for every home game during the 2026 season at: Lot S, Lot X, Lot Z, Met Park and Old Cypress lot for ticketed fans only. Pick-up areas are located near each lot entrance. The complimentary shuttle service is available for 3 hours prior to kickoff and 1 hour after the end of each game.

Shuttle operations are temporarily suspended at kickoff and until the conclusion of each game. Guests should plan to locate the shuttle in the area that they were dropped off for their designated parking lot.

If you are unable to secure a parking pass for an upcoming Jaguars game, it is strongly encouraged to arrange different transportation, including the JTA Gameday Xpress Service or Rideshare.

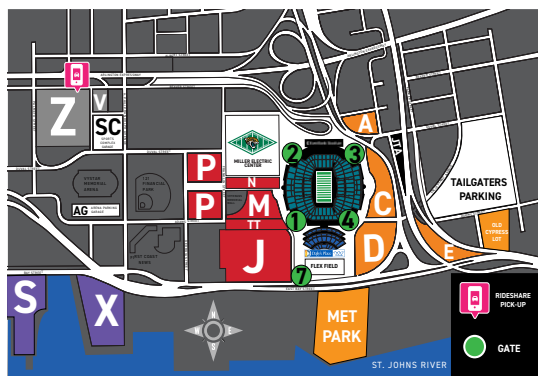

For additional information on parking and lot specific directions, please visit: <https://www.jaguars.com/stadium/parking>.

SECURE DIGITAL TICKETING

Be prepared on game day by downloading the official Jaguars app. Have your ticket barcode ready to scan directly from your mobile phone at the stadium gates. Please note print-at-home PDF tickets are no longer available. Don't wait in line at the box office. Access your tickets through your app or web browser.

To expedite your stadium entry on game day, please make sure to have your game ticket barcode ready to scan before arriving. Email confirmations will not be accepted. You must have your mobile ticket pulled up on your phone with the barcode prior to entering the stadium gate lines.

For more information, please visit www.jaguars.com/mobiletickets.

JTA GAMEDAY XPRESS

Come ride with JTA and say goodbye to driving and parking hassles. Fans can purchase single-game passes onsite at any Gameday Xpress lot on game days or via the MyJTA mobile app. The app runs on iOS and Android systems and is available on Google Play or the Apple App Store. **For information about riding JTA, please contact the JTA's customer service line at (904) 630-3100 or visit www.jtafla.com.**

PARDON OUR DUST

Stadium of the Future construction is underway and will be ongoing until its grand opening in August 2028. This year, fans can expect that the in-bowl game experience will remain unchanged, but parking, stadium entry and how you access your seats may look different - even from week to week.

In the 2026 season, capacity will be decreased to 42,465 after permanent seat removal and temporary seating is installed. Of the 27,308 seats that will be offline in 2026, 22,005 are in the upper bowl (400 Level). Other impacted seats are in the 200 Level corners over the tunnels and select rows in the North End Zone; lower-level South End Zone seating; lower-level Club seats; and the Terrace Suite. The North End Zone spa deck and Sky Patio will also be closed in 2026.

Steel erection and concourse expansion work will occur during this season, and fans will be able to see the structure supporting the canopy being constructed. Guests will also get to experience the new breezeways created for 2028 on the main concourse.

Grand Staircase 1, 2 and 3 will be completed and available for access to the main concourse and all seating areas.

For any wayfinding or mobility assistant questions, please find a Guest Experience Representative, located on the plaza level and main concourse.

PROHIBITED ITEMS

Don't get turned away at the stadium gates. **Before arriving on gameday, make sure to review our full prohibited items list at www.jaguars.com/stadium/fanguide.**

NFL BAG POLICY

To provide a safer environment for the public and significantly expedite fan entry into EverBank Stadium, NFL policy limits the size and type of bags that may be brought into the stadium. **The Jaguars strongly encourage fans to not bring any type of bags.** Fans are allowed to carry a clear bag up to 12" x 6" x 12" or a nonclear bag no larger than 4.5" x 6.5". This policy is strictly enforced.

Any medically necessary items must be pre-approved by the Jaguars. Please call (904) 633-2000 (option 1) or email myExperience@nfl.jaguars.com to be considered for approval. All items will be subject to proper inspection at entry gate.

For more information on the Jaguars bag policy, please visit <https://www.jaguars.com/stadium/nflbagpolicy>

TOBACCO-FREE

EverBank Stadium is a tobacco-free facility, and no re-entry is permitted. Tobacco products and e-cigarettes are strictly prohibited. Guests who fail to comply with this policy are subject to ejection from the stadium.

For a complete directory of EverBank Stadium policies and information, please view our Fan Guide at <https://www.jaguars.com/stadium/fanguide>.

CASHLESS TRANSACTIONS

EverBank Stadium has a cashless stadium. This ensures contactless options for food, beverage, and merchandise purchases.

Cash is not accepted at the stadium for food, beverages, or merchandise. ATMs have been removed from the premises.

Those with cash needing to convert to card can visit the nearest Guest Services Location for assistance. Guest Services are located on the main concourse in the southwest, southeast, and north endzone.

GUEST SERVICES

Need assistance on game day? The Guest Services team is here to help.

To ask a question or seek assistance with a problem or issue:

Elevators are reserved for guests with mobility and ADA needs. Elevators are located in the East and West Club (ticket required), and at Gate 4 in the South End Zone.

Guests are encouraged to utilize the ramp or grand staircase nearest their seating location for the most expedited route to their seats.

If you need assistance, please find one of our Mobility Assistance Representatives at most gate entries and on select ramps.
