

CREATE YOUR OWN FINGERPRINT FRAME

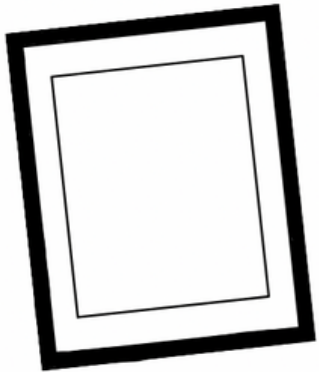

Share your projects with us by emailing them to genjets@newyorkjets.com

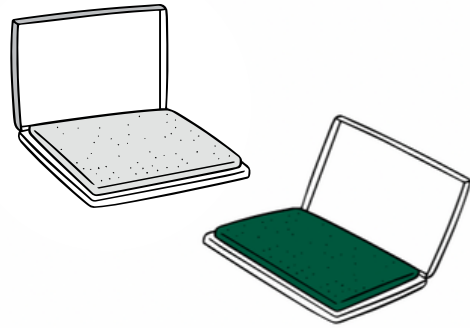

ITEMS NEEDED

**FRAME WITH WHITE
MAT BORDER**

**COLORED INK
PADS**

SHARPIE

**A PHOTO OF
YOUR CHOICE**

STEP ONE

- Remove the glass from the picture frames to make it easier to work on the white mat border.

STEP TWO

- Press your thumb onto the ink pads. Be sure to cover your entire thumb!

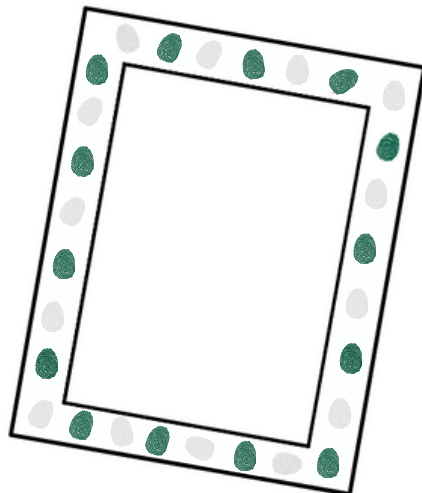

STEP THREE

- Press your inked thumbs onto the white mat border of the frame, forming the shape of lights.

STEP FOUR

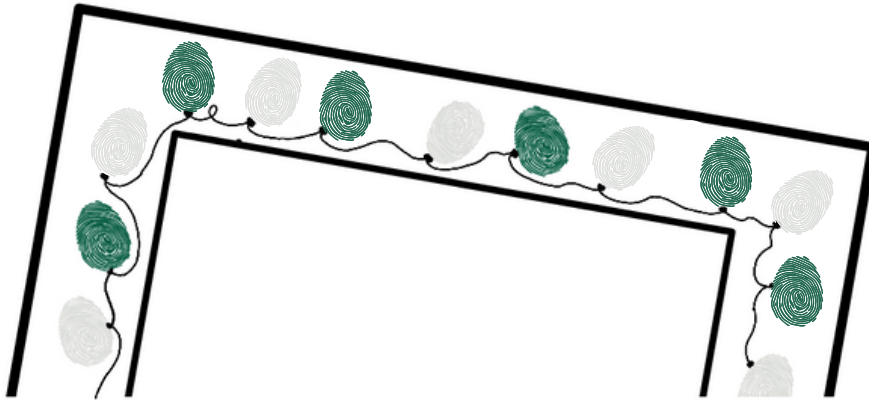

- Allow your thumbprints to dry.

STEP FIVE

- Once dry, connect the thumbprints using a Sharpie and create a string of Holiday lights.

STEP SIX

- Once the frames are fully dry, choose your favorite picture to place in the frame, whether it's you enjoying holiday festivities or cheering on the Jets! Then, reassemble and display!
