## Brayden Richardson Named Jets High School Player of the Week Fueled by Gatorade

Each week during the 2025 high school football season, the New York Jets and Gatorade will recognize a player of the week from the tri-state area. All players will receive a \$1,000 donation from the Jets and Gatorade to support their high school football program. Along with the monetary award, each recipient will be invited to attend the Jets vs. Dolphins game on December 7<sup>th</sup>, where they will be honored on-field at MetLife Stadium.

This week's recipient is Brayden Richardson of Sleepy Hollow High School in Sleepy Hollow, NY. In a road matchup at Putnam Valley, the senior running back was lights out, picking up 176 rushing yards and three touchdowns on just 13 carries. Richardson also added a 92-yard punt return for a score, bringing his total to four touchdowns on the day. Sleepy Hollow went on to win the game in dominant fashion, 42-10. The Horsemen are now 5-1 on the season and will look to add another win this Saturday when they travel to Woodlands High School at 2 p.m.

## Darrin Davis Named Jets High School Coach of the Week

Darrin Davis of Newark Collegiate Academy in Newark, NJ, has been named this week's New York Jets High School Coach of the Week. Coach Davis will receive a \$1,000 donation to benefit the school's football program, and Newark Collegiate Academy will receive an automatic bid to compete in the 2026 New York Jets 11-ON Tournament.

Davis will be invited to attend the New York Jets vs. Miami Dolphins game on Sunday, December 7<sup>th</sup>, where he will be honored on-field at MetLife Stadium.

In its 30<sup>th</sup> year, the Jets High School Coach of the Week award is given to a coach in the tri-state area who serves the best interests of the game through the teaching of sound football fundamentals, the motivation of young players to achieve, and the promotion of youth football by way of dedication to their community, their school, and their student-athletes.

Davis, a Newark native, attended Montclair Immaculate Conception High School, where he was a member of the football team. He continued his playing at Southern Connecticut State University and entered the 2003 NFL Draft following college. Davis went on to receive a B.S. in Business from Kean University and an M.S. in Exercise Science and Sports Administration from Montclair State University.

Coach Davis began his coaching career at Newark Collegiate Academy (NCA), leading the football program for six years. After relocating to Maryland and holding head coaching roles in flag football, track & field, and basketball, Davis returned to New Jersey and stepped back into the head coaching position at NCA. He also currently serves as the Assistant Principal of KIPP College Prep in the Bronx, NY. In his first season back with the Panthers, Davis led the program to its first victory in over two years this past weekend, defeating Roselle 32-8. The Panthers will look to continue this momentum when they take on an undefeated Hoboken team this week.

NEW YORK JETS, SPECIAL OLYMPICS NEW YORK, AND MOODY’S  
EXPAND NYC HIGH SCHOOL UNIFIED FLAG FOOTBALL LEAGUE

The New York Jets, in partnership with Special Olympics New York, and Moody’s, are expanding their High School Unified Flag Football League in New York City. The league kicked the season off with a clinic on October 14<sup>th</sup>, bringing together athletes with and without intellectual disabilities to compete and celebrate the spirit of inclusion and teamwork.

Special Olympics Unified Sports® joins individuals with and without disabilities (known as Unified partners) on the same team. Dedicated to promoting social inclusion through shared sports training and competition experiences, it was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding.

The league grew from eight teams in 2024 to 12 teams in 2025. All twelve schools representing New York City high schools attended the clinic on October 14<sup>th</sup> and will compete in a championship tournament at MetLife Stadium in December.

Each team receives uniforms, footballs, flag belts, and practice jerseys along with grants to help off-set any costs associated with participating. The Jets, Special Olympics New York, and Moody’s hope this league serves as a pilot for New York City to offer Unified Flag Football as an official sport for all high schools in the future. The Jets will look to expand and add teams to the league in 2026.
