

JETS PAYMENT OPTION TERMS

Automatic Payment Options. By selecting an automatic payment option, you authorize the Jets to charge your payment method in future seasons for future ticket account purchases.

1. **PAY IN FULL—Automatic Payment Option.** Pay in full by April 1, 2021. Pay by credit card (Visa, MasterCard, or American Express) or electronic check.
2. **MONTHLY PAYMENT PLAN—Automatic Payment Option.** Spread out your season ticket payments over equal monthly installments. For the 2021 Season: 9 monthly payments starting April 1, 2021. Pay by credit card (Visa, MasterCard, or American Express) or electronic check.

Standard Payment Options.

1. **PAY IN FULL.** You must provide payment information for your tickets every year if you select this option. Pay in full by April 1, 2021. Pay by credit card (Visa, MasterCard, or American Express), check, electronic check, or money order.
2. **FOUR MONTH PAYMENT PLAN.** Spread out your season ticket payments over four equal installments. You must provide payment information for your tickets every year if you select this option. Payments start April 1, 2021. Pay by credit card (Visa, MasterCard, or American Express) or electronic check.

These payment options do not require you to pay any interest and do not include any additional fees.

If you select one of these payment options, you acknowledge and agree to each of the following: You authorize New York Jets to initiate electronic debits to the payment method you select (Visa, MasterCard, American Express, or Electronic Check), or to any updated payment method that you subsequently supply to the Jets (your “Payment Method”), for the purchase of season tickets. These debits will be made according to the option that you select in the amount and on the payment date(s) specified on the applicable season ticket invoice, or in any subsequent pricing notification.

If you select an automatic payment option, your authorization extends to subsequent season ticket purchases you may make. If you elect the monthly payment plan automatic payment option, all subsequent season ticket invoice payment plans will begin on January 2, unless otherwise communicated by the New York Jets. If you previously enrolled in the four-month installment ACH payment plan, this is an automatic payment plan and you will continue to be enrolled in that plan for the 2021 season.

The Jets may reinitiate any electronic debit to your Payment Method that is unsuccessful. For example, the Jets may, at their option, debit your Payment Method for a prior unsuccessful

payment amount plus the scheduled payment amount. If two debits in a calendar year are not honored on first submission, the Jets, in their sole discretion, have the right to remove you from an automatic payment option. Your bank may charge you a fee if a debit is not honored, and the Jets will have no liability for any such fee. The Jets may initiate a credit or debit, as applicable, to your Payment Method to correct any error the Jets may have made in seeking a payment.

If you choose an installment plan option, a disclosure showing the dates and amounts of the required payments will be emailed to you. If you do not receive it or you want to change your payment option, please contact a New York Jets Representative.

Payments are due on the first of the month. For the monthly payment plan automatic payment option that begins in April 2021, there will be 9 payments, and payments will be due from April through December. If you have elected to begin the monthly payment plan automatic payment option in February 2021, there will be 11 payments, and payments will be due from February through December. For the four-month payment plan that begins in April 2021, payments will be due from April through July. The Jets may offer more payment options, and the number and dates of payments will be adjusted accordingly.

If you are enrolled in an automatic payment option, you will be also enrolled in preferred playoff pricing for the 2021 season, and all subsequent seasons your account is enrolled in an automatic payment option. You will receive a communication prior to any payment being processed for playoff tickets. You may opt out of preferred playoff pricing at any time by contacting a New York Jets Representative at 800-469-JETS (5387) or service@newyorkjets.com. Please visit newyorkjets.com/preferredplayoffpricing for more information.

The New York Jets reserve the right to terminate or modify these payment plans, including, without limitation, the number of installments, payment dates, and/or your season ticket invoice amount. The Jets will provide notice as required by law.

Season tickets are subject to the Season Ticket Account Rights and Obligations, which can be found at NYJets.com/2021STAccountRightsandObligations. New York Jets season tickets are a series of revocable licenses to attend New York Jets games. Participating in an automatic payment option does not modify the Season Ticket Account Rights and Obligations.

Changing Your Payment Method Authorization.

You may change or terminate your Payment Method authorization at any time by contacting your New York Jets Representative. It may take up to three business days for the change to take effect. The Jets reserve the right to terminate this authorization at any time. If this authorization is cancelled or terminated, you must set up other payment arrangements for any remaining payments due, or, if applicable, for any subsequent season ticket purchases.
