#### VOL. XXI; NO. 3 PACKERS OPEN THE PRESEASON AGAINST THE TEXANS

The Green Bay Packers will take on the Houston Texans in the preseason opener on Thursday night at Lambeau Field.

- Prior to the contest, the Packers and Texans will practice against each other on Monday and Tuesday this week in Green Bay.
- It is the first time the Packers will play against the Texans in the preseason.
- The Texans have played in Green Bay two times, with both meetings taking place in December (2008 and 2016).
- This marks the third straight year that the Packers open the preseason at home.
- Dating back to 2000, it is just the sixth time Green Bay has started the preseason on a Thursday (2005, 2012, 2015, 2017, 2018).
- ▶ Next week, the Packers will go on the road to Baltimore to face the Ravens at 6:30 p.m. (CDT) on Thursday, Aug. 15.

#### **MIDWEST SHRINE GAME**

One of the NFL's longest team traditions, the Upper Midwest Shrine Game kicks off its 70th installment Thursday night. It is the first time the Packers have faced the Texans in the game.

- Green Bay is 36-30-3 all-time in the Shrine Game.
- Each season, the Packers donate a percentage of the gate to the Shriners Hospitals for Children - Chicago. The Shriners' facilities provide specialized care to children with orthopaedic conditions, burns, spinal-cord injuries, and cleft lip and palate, regardless of the families' ability to pay. Beja Shriners of Green Bay and the Tripoli Shriners of Milwaukee are two of 15 Shrine centers that support the Chicago hospital. To date, the series has raised more than \$4 million for the Chicago hospital.
- ► The series has called three separate stadiums home: Milwaukee's State Fair Park (1950-51), Milwaukee County Stadium (1952-82, 1984-94) and Lambeau Field (1983, 1995-present).
- In his first season leading the Packers, Vince Lombardi made an agreement with George Halas to play in the Shrine Game annually. Green Bay and Chicago played each preseason at County Stadium from 1959-73.
- The Packers annually designate the Shrine Game as the first 'Gold package' game for season-ticket holders primarily from the Milwaukee area. The team created the three-game package after moving all of its home games to Green Bay in 1995. Also in the 'Gold package' this season are the contests against the Denver Broncos (Sept. 22) and the Oakland Raiders (Oct. 20).

### **PACKERS VS. TEXANS - PRESEASON WEEK 1**

#### **ST. NORBERT AND THE PACKERS**

Continuing a tradition started under Packers coach Scooter McLean in 1958, the Green Bay Packers call St. Norbert College home for a 62nd consecutive training camp this summer. The relationship between the private college in De Pere, Wis., and the Packers marks the longest continual use of any training-camp facility by an NFL team.

- Players take up residence in a 60-room coed dormitory used to house 225 students during the academic year.
- ► St. Norbert, founded in 1898 by Abbot Bernard Pennings, borders the Fox River and enrolls around 2,000 students.
- ► The Packers use their own practice and team-meeting facilities at Lambeau Field during training camp, with the college serving as housing headquarters.
- Players return to St. Norbert via cars and vans every evening.
- ► The 6.62-mile commute is estimated at 11 minutes each way.

#### A LOOK AT THE SCHEDULE

The Green Bay Packers' 2019 NFL regular-season schedule – highlighted by five prime-time contests (subject to flexible scheduling) on the original schedule for the sixth straight year (2014-19) – was released April 17 by the National Football League.

- ► The Packers will face 2018 playoff teams in six games this season (Chicago, Philadelphia, Dallas, Kansas City, L.A. Chargers), with four of those contests taking place on the road.
- ► For the second consecutive season, the Packers open the season at home and will play three of their first four games at Lambeau Field.
- ► The Packers will open the season at the Chicago Bears in the NFL's Thursday night regular-season opener. It marks the fourth time in team history that Green Bay has opened at Chicago (1979, 1981, 2015).
- The Packers will open their home slate in Week 2 against the Minnesota Vikings, marking just the fourth time (2003, 2008, 2018) since the NFC North was formed in 2002 that Green Bay has played division opponents in both of the first two games.
- ▶Green Bay stays at home both of the next two weeks, the first time the Packers have played three straight at home in September since 1990 (Weeks 1-3). They host the Denver Broncos in Week 3 and the Philadelphia Eagles in a Thursday night matchup in Week 4.
- ► The Packers travel to take on the Dallas Cowboys in Week 5. It is the seventh matchup between the two teams in the regular and postseason since 2013, with Green Bay holding a 5-1 record in those contests.
- ► For the second time in three seasons, the Packers will host the Detroit Lions on *Monday Night Football*, this time in Week 6. It is the fifth Monday night matchup between the two clubs (1964, 1971, 1972, 2017).
- ► A home game against the Oakland Raiders in Week 7 will be the Packers' fifth at Lambeau in 2019, marking the most home contests for Green Bay in the first seven games of a season since 1978 when it also played five at home (not including the 1987 strike year).
- ► In Week 8, Green Bay is at Kansas City in a Sunday night matchup.
- The following week, Green Bay travels to Los Angeles to take on the

Chargers. While it's the first time the Packers will play the Chargers since they moved to Los Angeles, it is the seventh away game against the Chargers, and Green Bay has won the previous six.

- In Week 10, the Packers host the Carolina Panthers in the fourth contest between the two teams in the last six years (2014, 2015, 2017).
- ► Green Bay will have its bye the following week, marking the first Week 11 bye for the Packers and the latest for the team since the bye was reintroduced in 1990.
- ► Over the next two weeks, Green Bay will crisscross the country, playing at the San Francisco 49ers in Week 12 and at the New York Giants in Week 13.
- In Week 14, the Packers take on the Washington Redskins in the third matchup between the two in the last five years (including the postseason), but the first in Green Bay since 2013.
- ► Week 15 has the Bears coming to Green Bay. The Packers are 10-2 alltime at home against the Bears in December/January games.
- The Packers close out the regular season with two road games for the first time since 2004 when they played at Minnesota and Chicago.
- In Week 16, Green Bay is at the Vikings and on MNF for the second time on the season. The Packers last played two Monday games in the same regular season in 2009.
- Green Bay will close out the regular season against the Lions for the fourth straight year and the fifth time in the last six seasons.

#### **ON THE ROAD AGAIN**

Green Bay went 7-1 away from Lambeau Field in 2011, with the seven road wins setting a single-season franchise record.

- Dating back to 2006, the Packers have been able to stay above the .500 mark on the road, a notable achievement in the National Football League.
- Since 2006, Green Bay is one of only seven NFL teams to have a regularseason road record above .500.

#### **342 AND COUNTING**

Another packed house at Lambeau Field against the Detroit Lions in Week 17 of 2018 brought the stadium's consecutive-sellouts streak to 342 regular-season games (not including replacement games).

- ► The league's longest-tenured stadium, Lambeau Field hosted its 62nd season of football in 2018. For the victory over Dallas in the Divisional round of the 2014 playoffs, Packers fans set a new Lambeau Field paidattendance record (79,704).
- Across American professional sports, only Boston's Fenway Park (1912) and Chicago's Wrigley Field (1914) have longer tenures.

#### THE LAMBEAU ADVANTAGE

The crown jewel of the National Football League, Lambeau Field has long been known as one of the tougher venues to play in, particularly during the harsh Wisconsin winter.

- ▶ Re-establishing home-field advantage after a 4-4 mark in 2008 was one of the goals of 2009, and with the Packers finishing 6-2 at home, they accomplished that goal. Green Bay followed that up with a 7-1 mark at Lambeau Field in 2010, a perfect 8-0 record in 2011, the first undefeated home mark since 2002, and a 7-1 mark in 2012. The Packers were one of two teams to finish undefeated at home during the 2014 regular season (Denver).
- ► Green Bay was 5-2-1 (.786) at home in 2018, marking the eighth time in the last 10 seasons that the Packers won five-plus games at home.
- Since **Ron Wolf** and **Mike Holmgren** began the revitalization of the franchise in 1992, Green Bay owns the best home record in the NFL. A look at the top regular-season home W-L records since the '92 season:

<u>Team</u>	<u>Home W-L Record</u>	<u>Pct.</u>
1. Green Bay	161-53-2	.750
2. New England	159-57-0	.736
3. Pittsburgh	155-60-1	.720

#### HOT AT HOME

Since the start of 2009, the Packers have been one of the best teams in the league at home during the regular season:

<u>Team</u>	Home W-L Record	<u>Pct.</u>
1. New England	71-9-0	.888
<b>2. Green Bay</b>	60-18-2	<b>.763</b>
3. Baltimore	59-21-0	.738
4t. Pittsburgh	57-23-0	.713

#### **IN THE FREE-AGENCY ERA**

Talk of unrestricted free agency in the early '90s led many to forecast tough times for the small-town Green Bay Packers.

- However, Green Bay has remained among the most successful teams since the advent of free agency in 1993. The Packers have won 10 or more games 15 times since '93 and captured 10 division crowns.
- ► A look at the most successful teams in the free-agency era:

Team	W-L Since '93	Pct.	Playoff Berths
