## OFFSEASON MOVES

Packers General Manager **Brian Gutekunt** and his staff have made numerous moves that have helped Green Bay to a 67-33 record over the last five seasons, three division titles, five playoff berths and appearances in two NFC title games. Even with a roster that in 2024 was the second youngest (25.72) by weighted age to make the playoffs over the last 45 seasons (1980-2024) behind the 2023 Packers (25.58), Gutekunt and his staff still had decisions and moves to make.

► The Packers made a couple of big free-agent signings in **G Aaron Banks** and **CB Nate Hobbs**. Banks, a fifth-year player out of the University of Notre Dame, was originally selected in the second round (No. 48 overall) of the 2021 NFL Draft by the San Francisco 49ers. He appeared in 53 games with 43 starts (all at left guard) in his four seasons with the 49ers as well as seven postseason contests with six starts. During his three seasons as a starter (2022-24), Banks was part of a line that helped San Francisco rank No. 2 in the NFL over that span in total offense (380.1 ypg), No. 1 in yards per play (6.3), No. 3 in yards per carry (4.73 avg.), tied for No. 5 in sacks allowed (101) and No. 6 in rushing offense (135.5 ypg). Hobbs, a fifth-year player out of the University of Illinois, was originally selected in the fifth round (No. 167 overall) of the 2021 NFL Draft by the Las Vegas Raiders. He played in 51 games with 38 starts in his four seasons with the Raiders, recording 278 tackles (199 solo), three sacks, 14 tackles for a loss, three interceptions, 19 passes defended, three forced fumbles and a fumble recovery. His average of 5.45 tackles per game from 2021-24 ranked No. 2 on the team (min. 30 games played) and his 14 tackles for a loss led the team's secondary over that span. Hobbs posted career highs for tackles (86), passes defended (seven) and tackles for a loss (six) in 2023 and earned All-Rookie honors from Pro Football Focus in 2021.

► **K Brandon McManus** re-signed after ranking No. 2 in the NFL in field-goal percentage (95.2, 20 of 21) in 2024, the second-best single-season mark in team history (min. one attempt per game) and the top mark among Green Bay kickers with 20-plus attempts in a season. He also tied for No. 1 in the league last season in extra-point percentage (100.0, 30 of 30) and became the first kicker in NFL history to make a game-winning FG as time expired in both of his first two games with a team (45-yarder vs. Houston in Week 7, 24-yarder at Jacksonville in Week 8). McManus ranks No. 3 in the NFL in field goals (273), points scored (1,161), field goals of 50-plus yards (48) and extra-point percentage (97.4, 342 of 351) since 2014.

► The Packers also re-signed LB **Isaiah McDuffie**, a fifth-year player out of Boston College. The former sixth-round pick has played in 63 regular-season games for Green Bay with 26 starts, recording 206 tackles (114 solo), eight tackles for a loss, a sack, six QB hits, four passes defended and a forced fumble. McDuffie has also contributed on special teams, registering 22 tackles and a fumble recovery. In 2024, he started all 17 games for the first time in his career and recorded a career-high 94 tackles (43 solo) that ranked No. 2 on the team, a shared sack, three tackles for a loss, three QB hits, a career-high three passes defended and a forced fumble. McDuffie has also started two of the four postseason contests he has played in.

► The Packers added WR **Mecole Hardman** and LB **Isaiah Simmons**. Hardman was the only player in the NFL to

post 10-plus receiving TDs, a punt return for a TD and a kickoff return for a TD from 2019-24. Simmons was the only player in the NFL to post 300-plus tackles (308), 15-plus tackles for a loss (15), eight-plus sacks (8%), five-plus forced fumbles (eight), five-plus INTs (five) and multiple INTs returned for TDs (two) over the last five seasons (2020-24).

► Green Bay retained the following exclusive-rights free agents: **S Zayne Anderson**, who played in a career-high 16 games with two starts in 2024 and tied for No. 2 on the team with a career-high nine special teams tackles; **WR Bo Melton**, who has picked up a first down on 18 of his 24 receptions over the last two seasons, a 75.0 percentage that leads the team among players with 20-plus catches since 2023; **T Kadeem Telfort**, who appeared in 16 games and the Wild Card contest last season; **RB Emanuel Wilson**, who averaged 4.87 yards per rushing attempt to rank No. 8 in the NFL among running backs with 100-plus attempts in 2024; and re-signed TE **John Fitzpatrick**, who played in nine games for Green Bay last season.

► Green Bay also welcomed back LB **Kristian Welch**, who finished No. 3 on the Packers in special teams tackles (six) in 2023. Last season, he played for the Denver Broncos and Baltimore Ravens.

## MEET THE DRAFT PICKS

Training-camp storylines always hover around new players and just how they figure into the depth chart. The Packers added an 11-man draft class.

► **WR Matthew Golden** (No. 23 overall) was selected by the Packers in the first round out of the University of Texas. ## 2024 REGULAR-SEASON NOTES

- ▶ Last season was the fourth time in six seasons (2019-21, 2024) under Head Coach **Matt LaFleur** that the Packers had won 11-plus regular-season games.

### WALTER PAYTON MAN OF THE YEAR

In early December, the Green Bay Packers announced that DL **Kenny Clark** had been named the team's nominee for the NFL's Walter Payton Man of the Year Award. The award is the league's most prestigious honor and acknowledges NFL players that excel on the field and demonstrate a steadfast commitment to creating a positive impact beyond the game. This was the second time Clark has been nominated for the award, having been previously nominated in 2018.

- As soon as he entered the league in 2016, Clark began to use his platform to make a difference for kids, families and those in need across Wisconsin and his native Southern California. Clark's foundation – The Clark Family Dreams Do Come True Foundation – focuses on empowering youth with resources and mentorship to succeed no matter their upbringing. Last summer, the foundation hosted its eighth annual Kenny Clark Dreams Do Come True Football Camp in California, providing hundreds of kids the opportunity to learn and play the game with NFL players and coaches at no cost. Clark has assembled food packages for Wisconsin families, provided 250 families in Riverside, Calif., with a full Thanksgiving dinner, and donated celebrity dinners to the Boys & Girls Club of Greater Green Bay. He has also hosted coat and toy drives so kids can stay warm and experience the joy of the holidays. Clark has also been involved in a wide variety of Packers community outreach efforts during his time with the team. Perhaps closest to Clark's heart is the work he does to support children with incarcerated parents. Knowing first-hand the challenges of having an incarcerated parent, Clark works to provide hope and encouragement to kids in similar situations.

### NFL SALUTE TO SERVICE AWARD

In early November 2024, the Green Bay Packers nominated DL **Lukas Van Ness** as their 2024 Salute to Service Award nominee. Each year, the award recognizes NFL players, coaches, staff and alumni who have demonstrated a commitment to honoring and supporting military and veteran communities.

- Growing up with several family members that served in the military, including his grandfather who earned the rank of Lieutenant Colonel in the U.S. Army during his 27-year career, the importance of honoring and thanking servicemembers was instilled in Van Ness at a young age. Van Ness began to make an impact on the military community soon after the Packers selected him in the first round of the 2023 NFL Draft. During his rookie season, he connected with local veterans through a "Huddle for Heroes" event, answering questions and spending time with the veterans to personally thank them for their service. He also wrote letters to be sent to active-duty military members to encourage and empower them while on deployment. During the Packers' 2024 Military Appreciation Week, Van Ness assisted a family grieving the loss of a loved one who served. He joined them to assemble and paint a flag to honor their fallen soldier.

## TRAINING-CAMP MEDIA INFORMATION & POLICIES

### TRAINING-CAMP PRACTICE ACCESS

- ▶ All public practices are open in their entirety to credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

### VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- ▶ Video of practice and interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
- ▶ No live-streaming or live broadcast of practice, interviews or press conferences is permitted by an individual or media outlet at any time on any platform.
- ▶ Tripods are not allowed to be used while filming from the sideline.

### INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ No shooting/filming injured players that are rehabbing on and around the practice fields.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

### BLOGGING/TWITTER POLICY

- ▶ During training camp, "X/Twitter, blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it. Once again, acknowledging that an injury occurred and providing general details (i.e., "Right leg..." or "Left wrist...") is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/

or X/Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

### PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

### INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.
