VOL. XXIII; NO. 3   **PRESEASON WEEK 1**

PACKERS OPEN PRESEASON AGAINST THE TEXANS

The Packers will hold their first preseason game since 2019 when they welcome the Houston Texans to town Saturday night. Last year, the NFL canceled all preseason contests due to COVID-19.

▶ This year is the debut of the new NFL schedule, consisting of three preseason games played in preparation for a 17-game regular season.

▶ It is the second time that the Packers have opened the preseason against the Texans, having previously beat them at Lambeau Field, 28-26, in 2019.

▶ Green Bay has posted a .500 or better record in the preseason each of the last six preseasons (2014-19).

▶ The Packers have won nine consecutive preseason home games, with their last loss coming in 2015.

▶ After the Texans game, the Packers will welcome the New York Jets to town for a couple of joint practices (Aug. 18-19) before facing them in Lambeau Field on Saturday, Aug. 21, at 3:25 p.m.

▶ Postgame media availability will be conducted with a combination of in-person media and via Zoom.

PACKERS GIVE BACK GAME

▶ The preseason matchup between Green Bay and Houston will mark the inaugural Packers Give Back Game, which will annually support a benefiting charity from Wisconsin.

▶ The Packers will recognize Big Brothers Big Sisters as the nonprofit honoree for this Saturday's game.

▶ Hundreds of youth called "Littles" will receive a free bus ride to the game, enjoy a special tailgate party with their mentors, called "Bigs," and cheer on the team in a designated Big Brothers Big Sisters area in the north end zone.

▶ The Packers have worked with Big Brothers Big Sisters of Northeast Wisconsin for many years by awarding grants and donations and providing opportunities for Big/Little matches to enjoy experiences at Packers games and Lambeau Field. Additionally, Packers players, alumni and staff frequently appear at Big Brothers Big Sisters events to help raise awareness for the need for volunteers and mentors. There are 15 Big Brothers Big Sisters agencies in Wisconsin. To find the nearest agency in Wisconsin, visit https://wisconsinbbbs.org/.

▶ This year's Packers Give Back Game will also continue the team's support of Bishop's Charities and the Midwest Shrine Association, traditional recipients of preseason game recognition.

HEAD COACH MATT LAFLEUR

LAFLEUR LEADS THE PACK

Head Coach **Matt LaFleur** (la-flew-er) has led the Packers to back-to-back NFC North titles.

▶ According to the Elias Sports Bureau, LaFleur was the **sixth head coach since 1970** to lead their team to the conference championship game in both of his first two seasons as a head coach, joining Jim Harbaugh (2011-12), Rex Ryan (2009-10), Barry Switzer (1994-95), George Seifert (1989-90) and Don McCafferty (1970-71).

▶ LaFleur is just the **second NFL head coach** since the league went to a divisional format in 1967 to win 13-plus games and a division title in both of his first two seasons, joining Seifert (1989-90).

▶ LaFleur (26-6) posted the **most regular-season wins by a Packer head coach in his first two seasons** (Mike Sherman and Mike McCarthy, 21 each).

▶ LaFleur (26) posted the **second-most wins in NFL history by a coach in his first two seasons** behind only Seifert (28 in 1989-90).

▶ LaFleur guided the Packers to 26 wins in 2019-20 after the Packers won 13 games in 2017-18. That was the **biggest two-season win improvement** by a head coach in franchise history from the two seasons prior to him taking over, eclipsing the previous mark held by Vince Lombardi (15 victories in 1959-60 after the Packers won four games in 1957-58).

▶ LaFleur led the biggest one-year win improvement in franchise history in 2019:

Seasons	Win Improvement
1. 2018 (6) to 2019 (13)	**+7**
2t. 1928 (6) to 1929 (12)	+6
2t. 1958 (1) to 1959 (7)	+6
2t. 1971 (4) to 1972 (10)	+6
2t. 1988 (4) to 1989 (10)	+6

▶ LaFleur is 11-1 in the NFC North, a .917 winning percentage that is tied for the best two-season winning percentage in divisional games for the Packers dating back to 1967 (2011-12, 11-1, .917).

▶ LaFleur's winning percentage of .917 (11-1) against division opponents is **tied for the second best** by a coach in his first two seasons as head coach, dating back to 1970 (Mike Tomlin, 11-1, .917 in 2007-08 / Steve Mariucci, 15-1, .938 in 1997-98).

▶ LaFleur has not lost back-to-back games as a head coach.

▶ Under LaFleur, the Packers have had six players register 30-plus receptions each season, marking the **first time in franchise history** that Green Bay has had six players with 30-plus catches in back-to-back seasons.

▶**Joe Barry** was named the defensive coordinator, bringing 19 seasons of experience as an NFL assistant coach, including four as a defensive coordinator. He came to the Packers after serving as the assistant head coach/linebackers for the Los Angeles Rams from 2017-20. In his four seasons with the Rams, Barry was part of a defensive staff that helped the team rank No. 2 in the league over that span in sacks (192.0), tied for No. 2 in takeaways (104) and interceptions (63), No. 7 in overall defense (329.9 ypg) and No. 9 in scoring defense (21.5 ppg). Last season marked the first time in franchise history that the Rams led the league in both scoring defense (18.5 ppg) and overall defense (281.9 ypg). The Rams also led the NFL in pass defense for the first time in franchise history and ranked No. 2 in the NFL in 2020 with 53.0 sacks.

▶**Maurice Drayton** was promoted to special teams coordinator after spending the previous three seasons as assistant special teams coach for the Packers. Over the past few years he has worked with K Mason Crosby, who made all 16 field-goal attempts last season to become the first player in franchise history (since 1938) to never miss a field goal in a single regular season (min. two FG att.). From 2018-20, Crosby ranked No. 6 in the NFL over that span (min. 60 att.) with a field-goal percentage of 88.3 (68-77). Prior to coming to Green Bay, Drayton worked as the assistant special teams coach for the Indianapolis Colts from 2016-17. In 2016, he assisted P Pat McAfee in earning his second career Pro Bowl selection after leading the league in punting average (49.3) and ranking No. 3 in net punting average (42.7). After McAfee retired, Drayton helped P Rigoberto Sanchez finish No. 4 in the NFL in net punting average (42.6) in 2017 and earn a spot on the Pro Football Writers Association All-Rookie team.

▶**Jerry Gray**, who is entering his 34th season in the NFL (nine as a player and 24 as a coach), was promoted to defensive backs/passing game coordinator. He joined Green Bay in 2020 as the defensive backs coach and helped the Packers to a No. 9 ranking in total defense (334.0 ypg) and a No. 7 ranking in pass defense (221.2 ypg) last season, the first time Green Bay ranked in the top 10 in both categories since 2010. Under Gray's tutelage, third-year CB Jaire Alexander earned second-team All-Pro honors from *The Associated Press*, becoming the first Green Bay CB to earn All-Pro honors since Charles Woodson in 2011. Alexander was also named to his first career Pro Bowl in 2020, making him one of three CBs in franchise history to make the Pro Bowl in his first three seasons (Herb Adderley, 1963, third season; Willie Buchanon, 1973, second season).

▶ **Adam Stenavich** (STEN-uh-vitch) was promoted to offensive line/run game coordinator. He served as the offensive line coach for the Packers for the past two seasons. Last season, Stenavich coached a line that blocked for an offense that ranked No. 1 in the league in scoring (31.8 ppg), giveaways (team-record 11) and time of possession (32:29), tied for No. 2 in sacks allowed (21), No. 5 in total offense (389.0 ypg) and No. 3 in yards per play (6.29). Green Bay allowed one sack/zero sacks in a league-high 13 games in 2020, tied for the most in a season in team history (2004).

▶**Rayna Stewart** (ruh-NAY) was promoted to to assistant special teams coach after working as the special teams quality control coach for Green Bay over the last two seasons. He originally joined the Packers in 2016 as a football technology analyst intern before being elevated to football technology analyst in 2017. Over the past five seasons, he has assisted the offensive coaching staff in data analysis, playing rules and game management. Prior to joining Green Bay, Lewis was an independent consultant for the Oakland Raiders (2015) and worked in the football analytics and information department for the New York Giants (2014).

▶**John Dunn** was hired as a senior analyst. He is in his fifth season in the NFL and his first with the Packers. Dunn previously coached tight ends for the New York Jets (2019-20) and was a football assistant (2016) and offensive assistant with the Chicago Bears (2017), working with the wide receivers and quarterbacks as well as helping to install the offensive line protections. Between those two stops in the NFL, he was the offensive coordinator at the University of Connecticut in 2018.

▶**Justin Hood** joined Green Bay as a defensive quality control coach after working as the secondary coach and defensive pass game coordinator at Kent State in 2019-20.

▶**Ryan Mahaffey** and **Tim Zetts** were both hired as offensive quality control coaches. OFFSEASON RETENTIONS

Packers General Manager **Brian Gutekunst** and his staff have made numerous moves that have helped Green Bay to a 26-6 record over the last two seasons, back-to-back division titles and appearances in two straight NFC Championship Games. This offseason, Gutekunst and his staff worked to retain that roster, which included bringing back:

▶ RB **Aaron Jones**, who was originally selected by the Packers in the fifth round of the 2017 NFL Draft, has played in 54 games with 42 starts over the past four seasons. He has recorded 3,364 yards and 37 rushing touchdowns on 651 carries (5.2 avg.) and hauled in 131 receptions for 1,057 yards (8.1 avg.) and six TDs. Jones is one of only two players in league history to post 3,000-plus rushing yards and 35-plus rushing TDs with an average of 5.00-plus yards per carry in their first four seasons in the NFL, joining RB Jim Brown (1957-60). Jones is one of three players in the NFL to post 2,000-plus rushing yards and 25-plus rushing TDs over the past two seasons (Derrick Henry, Dalvin Cook) and is the first Packer to hit those marks over a two-season span since FB Jim Taylor (1962-63). Jones has also started all four postseason games he has played in, registering 244 rushing yards and four TDs on 53 carries (4.6 avg.) with 11 receptions for 52 yards (4.7 avg.) and a TD.

▶ CB **Kevin King**, who was originally selected by the Packers in the second round of the 2017 NFL Draft (No. 33 overall), has played in 41 games with 36 starts during his first four seasons. He was tied for No. 1 on the Packers with six interceptions from 2018-20 (Darnell Savage). Last season, he started all 11 games he played in and both postseason contests. King finished the 2020 regular season with 57 tackles (second most of his career) and tied his career high (2019) with 45 solo tackles.

▶ TE **Marcedes Lewis** has spent the last three seasons with the Packers, appearing in 47 regular-season games with 30 starts and registering 28 receptions for 302 yards (10.8 avg.) and four TDs. He also started all four postseason contests for Green Bay over the last two seasons. Lewis is one of only seven tight ends in NFL history to play in 200-plus regular-season games (217) and post 400-plus receptions (403).

▶ The Packers retained exclusive-rights free agents WR **Allen Lazard** and TE **Robert Tonyan**. Lazard has appeared in 26 games with 12 starts over the last two seasons for Green Bay, posting 69 receptions for 935 yards (13.6 avg.) and six TDs, with 47 of his catches picking up first downs. He registered 22 receptions for 408 yards on third down in 2019-20, an average of 18.5 yards per catch that ranks No. 2 in the NFL (min. 20 rec.) over that span. Tonyan tied the single-season franchise record (Paul Coffman, 1984) for the most TD receptions by a tight end with 11 last season, which was also tied with Chiefs TE Travis Kelce for the league lead among TEs. He also posted career highs for receptions (52) and receiving yards (586) in 2020, joining Coffman (54-814-11 in 1983) as the only TEs in team history to register 45-plus catches, 500-plus receiving yards and nine-plus receiving TDs in a season.

MEET THE DRAFT PICKS

Training-camp storylines always hover around new players and just how they figure into the depth chart. The Packers added to an already talented roster with a nine-man draft class.

▶ CB **Eric Stokes** was selected by the Packers with the 29th selection in the first round out of Georgia. He started at CB in all nine regular-season games as a junior in 2020, earning first-team All-Southeastern Conference honors from *The Associated Press* after finishing tied for No. 2 in the conference and tied for No. 8 in the nation with four interceptions. Stokes was tied for No. 2 in the country in 2020 with two INT returns for TDs, posting a 30-yard TD at Arkansas and a 37-yard TD vs. Florida.

▶ Green Bay drafted C/G **Josh Myers** out of Ohio State in the second round (No. 62 overall) of the 2020 NFL Draft. He played in 31 games in three years (2018-20) at Ohio State and started his final 21 contests for the Buckeyes. Last season, Myers was a team captain, was named second-team All-American by *Sporting News* and first-team All-Big Ten by the coaches, and was a Rimington Trophy finalist, an award given to the nation's best center.

▶ WR **Amari Rodgers** was drafted by the Packers in the third round (No. 85 overall), becoming just the second WR drafted out of Clemson in franchise history (Gary Barnes, third round in 1962). He finished his career at Clemson ranked No. 6 in school history in receptions (181) and No. 12 in receiving yards (2,144). Rodgers earned first-team All-Atlantic Coast Conference honors as a senior in 2020 after recording career highs in receptions (77), receiving yards (1,020) and receiving TDs (seven). He was one of only five players at Clemson from 2000-20 to record a rushing TD, a receiving TD and a TD on a punt return.

▶ In the fourth round (No. 142 overall), the Packers selected T/G **Royce Newman** out of the University of Mississippi. He played in 43 games over four seasons at Mississippi, starting the final 22 games in his last two seasons. Newman started all 10 games at right tackle in 2020 and helped Mississippi reach the Outback Bowl, its first bowl appearance since the 2015 season. In 2019, Newman started all 12 games at left guard and allowed just one sack in 416 pass blocks.

▶ With the first of two picks in the fifth round, Green Bay drafted DL **T.J. Slaton** (No. 193 overall), the first defensive lineman selected by Green Bay out of the University of Florida in franchise history. He started all 12 games at defensive tackle for the Gators in 2020, recording a career-high 37 tackles (13 solo), 3½ tackles for a loss, 1½ sacks and five QB hurries. Slaton appeared in 12 contests in 2019 and set career highs in tackles for a loss (four) and sacks (two).

▶ CB **Shemar Jean-Charles** (john charles) was taken with the second of two fifth-round picks (No. 178 overall), becoming the second player out of Appalachian State (LB D.J. Smith, sixth round, 2011) drafted by Green Bay. He was named a first-team All-American by the Walter Camp Football Foundation, second-team All-American by *Sporting News* and PFF College and third-team All-American by *Phil Steele's College Football* after leading the nation with 17 passes defensed in 2020.

▶ T/G **Cole Van Lanen** was drafted with the first of two picks by the Packers in the sixth round (No. 214 overall). The Green Bay native played in 45 games with 19 starts at left tackle in his four seasons with the Badgers, with 18 of those starts coming over his final two seasons. He earned first-team All-Big Ten honors from the conference's coaches and second-team recognition from the media as a senior in 2020.

▶ The Packers used the second sixth-round pick (No. 220 overall) on LB **Isaiah McDuffie** out of Boston College. He earned second-team All-Atlantic Coast Conference honors in 2020 after ranking No. 5 in the nation and No. 2 in the ACC with a career-best 107 tackles (54 solo). According to stathead.com, McDuffie was one of three players in the FBS to post at least 100 tackles (107), three sacks (three) and six tackles for a loss (6½) in 2020.

▶ Green Bay's final selection in the draft was RB **Kylin Hill** (No. 256 overall), the first RB drafted out of Mississippi State by Green Bay since Ode Burrell (third round) in 1964. He finished his career ranked No. 8 in school history in rushing yards (2,535). As a senior in 2020, Hill set the single-game school record for receiving yards by an RB with 158 at LSU and tied the school mark for catches in a game (WR Eric Moulds, 1995) with 15 at Kentucky. Hill earned first-team All-Southeastern Conference honors from *AP* as a junior in 2019 after posting a career-high 1,350 rushing yards (No. 4 in school history) and a career-best 10 rushing TDs.

A LOOK AT THE SCHEDULE

The Green Bay Packers' 2021 NFL schedule features 17 regular-season games and three preseason games. It is highlighted by five prime-time contests (subject to flexible scheduling) on the original schedule for the eighth straight year (2014-21) and 10 games against 2020 playoff teams.

▶ The Packers will open the season at the New Orleans Saints, marking the third straight year and the seventh time in the last nine seasons that Green Bay has started the season on the road.

▶ Week 2 brings a division opponent at home for the fourth consecutive season, and for the second straight year it will be the Detroit Lions. The game will be on *Monday Night Football* and is the first of three home prime-time games against division opponents.

▶ The Packers go back on the road in Week 3 as they travel to face the San Francisco 49ers on a Sunday night, marking the fourth consecutive season Green Bay has faced the 49ers in a prime-time contest and the third consecutive year on the road.

▶ Over the next two weeks, Green Bay will play the first of two back-to-backs against the AFC North, welcoming the Pittsburgh Steelers to Lambeau Field in Week 4 and traveling to Cincinnati to take on the Bengals in Week 5. The Cincinnati game will be the first of four road contests in five weeks for the Packers.

▶ Week 6 brings a return to division play as Green Bay goes to Chicago and faces off with the Bears.

▶ The Packers then return to Lambeau for a Week 7 contest against the Washington Football Team before back-to-back road trips.

▶ The Packers will visit the Arizona Cardinals on a Thursday night in Week 8 to finish an October slate that will see them play five games for the first time since 2010, and then a trip to Kansas City to play the Chiefs in Week 9.

▶ Green Bay plays six of its final eight regular-season games against the NFC, starting with the Seattle Seahawks in Week 10 at home.

▶ After a trip to play the Minnesota Vikings in Week 11, Green Bay finishes the regular season with four of its last six games at home for the second straight year and the fourth time since 1940 (1969, 1977).

▶ Green Bay hosts the Los Angeles Rams before a Week 13 bye, marking the seventh straight season the Packers will play at home heading into their bye week. It is the latest bye ever for Green Bay, and it is the fourth time since 1990 that the Packers have had a bye in Week 10 or later (Week 11 in 2019, Week 10 in 2012 and 2010). It will be the first time since 2017 that Green Bay plays at home heading into the bye and coming out of the bye.

▶ The matchup versus Chicago on a Sunday night in Week 14 marks the 16th consecutive regular season that the Packers and Bears have squared off in a prime-time game.

▶ In Weeks 15-16, Green Bay will finish off its slate against the AFC North with a trip to face the Baltimore Ravens and then a home game on Christmas Day against the Cleveland Browns. It is just the third time the Packers will play on Christmas, having hosted the Bears in 2005 and 2011.

▶ Green Bay will end the regular season with back-to-back NFC North games for the fourth time in the last six seasons.

▶ The Packers' last regular-season home game is slated for a Sunday night versus the Vikings in Week 17.

▶ For the fourth time in the last six years, Green Bay will end the regular season in Detroit. The game at the Lions is scheduled for Sunday, but the league schedule does not list Saturday games or a Sunday night game in Week 18, and three games with playoff implications will be moved to those time slots no later than six days prior to January 9.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS
▶ All public practices are open in their entirety to a limited number of credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY
▶ The team reserves the right to limit photography to certain periods for competitive reasons.
▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
▶ Video of practice and Zoom interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
▶ No live-streaming or live broadcast of practice or Zoom interviews is permitted by an individual or media outlet at any time on any platform.
▶ Tripods are not allowed to be used while filming from the sideline.

BLOGGING/TWITTER POLICY
▶ During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it following practice. Once again, acknowledging that an injury occurred and providing general details (i.e., 'Right leg...' or 'Left wrist...') is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION
▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).

▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY-FOOTAGE POLICY
▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

INJURY INFORMATION
▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY
▶ Accredited Organizations may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content) purposes; (ii) any use of film or video or digital still images is not used to create Simulated Video of game action; (iii) no video of game action is used (except that, if the Accredited Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credentialed card access (e.g., press conferences, training camp, practice and/or interviews at NFL venues or events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
