COACHING-STAFF CHANGES

Throughout the offseason, Head Coach **Matt LaFleur** made some changes and adjustments to the coaching staff.

► **DeMarcus Covington** joins the Packers as defensive line/run game coordinator. He enters his ninth NFL season after working for the New England Patriots for the past eight seasons. Covington worked in multiple roles for the Patriots in his time there, first as a coaching assistant in 2017-18, then outside linebackers coach in 2019, followed by defensive line coach from 2020-23 and then defensive coordinator last season. While Covington was a position coach and defensive coordinator from 2019-24, New England ranked in the top five in the NFL in total defense (No. 3, 317.9 ypg), passing defense (No. 3, 204.4 ypg), yards allowed per play (No. 2, 5.1), first downs allowed per game (No. 2, 18.8), interceptions (No. 2, 102), interception percentage (No. 2, 3.1) and third-down defense (No. 2, 37.0 pct.). Prior to his time in the NFL, the former Samford University wide receiver was a graduate assistant at the University of Alabama-Birmingham (2012) and Ole Miss (2013-14), coached the defensive line at the University of Tennessee-Martin (2015) and was the co-defensive coordinator/defensive line coach at Eastern Illinois (2016).

► **Sean Duggan** (DUG-an) was promoted to linebackers coach in his second season with Green Bay after working as a defensive assistant for the Packers last year. He came to Green Bay after spending the previous four years at his alma mater, Boston College, first as linebackers coach (2020-22) before adding co-defensive coordinator to his duties in 2023. Prior to his time coaching at Boston College, Duggan was a defensive graduate assistant at Ohio State (2019) and coached linebackers at UMass (2018) and at the University of Hawaii (2016-17). He began his coaching career as a defensive graduate assistant at Boston College. As a player at BC, Duggan appeared in 45 career games and was a captain in 2014.

► **Luke Getsy** returns to the Packers as a senior assistant after being a consultant for Green Bay for part of last season. He originally joined the Packers as an offensive quality control coach (2014-15) and would go on to coach wide receivers (2016-17) and quarterbacks (2019-21), and added passing game coordinator (2020-21) to his positional duties. In his time between stints with Green Bay, Getsy was the offensive coordinator/wide receivers coach for Mississippi State (2018) and the offensive coordinator for the Chicago Bears (2022-23) and Las Vegas Raiders (2024). Prior to his first stint with the Packers, he coached on the collegiate level for seven seasons (2007-13). After his playing career at the University of Pittsburgh and the University of Akron, Getsy was a graduate assistant for the Zips (2007-08). In 2009, he was the offensive coordinator at West Virginia Wesleyan. Getsy returned to Pitt to serve as an offensive graduate assistant in 2010. From 2011-12, he was the offensive coordinator/quarterbacks coach at Indiana University of Pennsylvania, and in 2013, Getsy was the wide receivers coach at Western Michigan.

► **Sean Mannion**, who was brought in as an offensive assistant last season, has been promoted to quarterback coach. He played quarterback in the NFL for nine seasons (2015-23) after originally being selected in the third round (No. 89 overall) of the 2015 NFL Draft by the St. Louis Rams. After four seasons with the Rams (2015-18), he played for the Minnesota Vikings (2019-23) and Seattle Seahawks (2023). Overall, he saw action in 14 games with three starts in his pro career. In college, Mannion made 43 starts at Oregon State, completing 1,187 of 1,838 passes (64.6 pct.) for 13,600 yards and 83 touchdowns. The two-time honorable mention All-Pacific-12 selection (2013-14) set school records for career passing TDs and completion percentage while ranking No. 2 in conference history in passing yards. In 2013, Mannion was tied for No. 4 in the nation in passing TDs (37) and ranked No. 2 in the country with 4,662 yards, a Pac-12 record.

► **Jeremiah Kolone** (ka-low-nay) joins the Packers as an offensive assistant (minority fellowship). He came to Green Bay after a short time as an offensive analyst at the University of Central Florida (2025) and a season as an offensive graduate assistant at the University of Arizona (2024). As a player, the former offensive lineman was originally signed as an undrafted free agent out of San Jose State by the Los Angeles Rams in 2018. Kolone spent time on the Rams' practice squad and active roster (2018-22), appearing in five games with two starts in 2022.

► **Jeff Koonz** comes to Green Bay as a defensive assistant after a long collegiate coaching career, including the past five seasons (2020-24) at West Virginia University as the special teams coordinator and inside linebackers coach. He also worked as the defensive coordinator for the Mountaineers for the last part of the 2024 season. Koonz came to West Virginia after serving as the inside linebackers coach at Ole Miss for the 2019 season. Prior to that, he spent two years coaching the linebackers at North Texas (2017-18), adding co-defensive coordinator duties for the 2018 season. Koonz spent the previous three years at Cincinnati, coaching the safeties in 2014 and the linebackers in 2015-16. The Wallkill, New York, native also coached in college at Louisiana Tech (2010-13), Texas (2009 and 2005-06), Iowa State (2007-08) and Auburn (2004).

► Green Bay also moved **Connor Lewis** to pass game specialist/game management and hired **Cory Harkey** as special teams quality control coach and **Jamael Lett** (pronounced Jamal) as a defensive quality control coach. Lewis is in his 10th season with the Packers, including his sixth as a coach. Harkey comes to Green Bay after working as the assistant special teams coach for the Buffalo Bills for the past three seasons (2022-24) and Lett joins to the Packers after working as a defensive coaching assistant for the New England Patriots last season, his first year in the NFL.

Two years after he co-founded the Packers with Curly Lambeau, George Calhoun began writing a piece called The Dope Sheet, which served as the official press release from 1921-24.

OFFSEASON MOVES

Packers General Manager **Brian Gutekunst** and his staff have made numerous moves that have helped Green Bay to a 73-42-1 record over the last seven seasons (2018-24), three division titles, five playoff berths and appearances in two NFC title games. Even with a roster that in 2024 was the second youngest (25.72) by weighted age to make the playoffs over the last 45 seasons (1980-2024) behind the 2023 Packers (25.58), Gutekunst and his staff still had decisions and moves to make.

- ▶ The Packers made a couple of big free-agent signings in **G Aaron Banks** and **CB Nate Hobbs**. Banks, a fifth-year player out of the University of Notre Dame, was originally selected in the second round (No. 48 overall) of the 2021 NFL Draft by the San Francisco 49ers. He appeared in 53 games with 43 starts (all at left guard) in his four seasons with the 49ers as well as seven postseason contests with six starts. During his three seasons as a starter (2022-24), Banks was part of a line that helped San Francisco rank No. 2 in the NFL over that span in total offense (380.1 ypg), No. 1 in yards per play (6.3), No. 3 in yards per carry (4.73 avg.), tied for No. 5 in sacks allowed (101) and No. 6 in rushing offense (135.5 ypg). Hobbs, a fifth-year player out of the University of Illinois, was originally selected in the fifth round (No. 167 overall) of the 2021 NFL Draft by the Las Vegas Raiders. He played in 51 games with 38 starts in his four seasons with the Raiders, recording 278 tackles (199 solo), three sacks, 14 tackles for a loss, three interceptions, 19 passes defended, three forced fumbles and a fumble recovery. His average of 5.45 tackles per game from 2021-24 ranked No. 2 on the team (min. 30 games played) and his 14 tackles for a loss led the team's secondary over that span. Hobbs posted career highs for tackles (86), passes defended (seven) and tackles for a loss (six) in 2023 and earned All-Rookie honors from Pro Football Focus in 2021.
- ▶ **K Brandon McManus** re-signed after ranking No. 2 in the NFL in field-goal percentage (95.2, 20 of 21) in 2024, the second-best single-season mark in team history (min. one attempt per game) and the top mark among Green Bay kickers with 20-plus attempts in a season. He also tied for No. 1 in the league last season in extra-point percentage (100.0, 30 of 30) and became the first kicker in NFL history to make a game-winning FG as time expired in both of his first two games with a team (45-yarder vs. Houston in Week 7, 24-yarder at Jacksonville in Week 8). McManus ranks No. 3 in the NFL in field goals (273), points scored (1,161), field goals of 50-plus yards (48) and extra-point percentage (97.4, 342 of 351) since 2014.
- ▶ The Packers also re-signed LB **Isaiah McDuffie**, a fifth-year player out of Boston College. The former sixth-round pick has played in 63 regular-season games for Green Bay with 26 starts, recording 206 tackles (114 solo), eight tackles for a loss, a sack, six QB hits, four passes defended and a forced fumble. McDuffie has also contributed on special teams, registering 22 tackles and a fumble recovery. In 2024, he started all 17 games for the first time in his career and recorded a career-high 94 tackles (43 solo) that ranked No. 2 on the team, a shared sack, three tackles for a loss, three QB hits, a career-high three passes defended and a forced fumble. McDuffie has also started two of the four postseason contests he has played in.
- ▶ The Packers added WR **Mecole Hardman** and LB **Isaiah Simmons**. Hardman was the only player in the NFL to

post 10-plus receiving TDs, a punt return for a TD and a kickoff return for a TD from 2019-24. Simmons was the only player in the NFL to post 300-plus tackles (308), 15-plus tackles for a loss (15), eight-plus sacks (8½), five-plus forced fumbles (eight), five-plus INTs (five) and multiple INTs returned for TDs (two) over the last five seasons (2020-24).

WALTER PAYTON MAN OF THE YEAR

In early December, the Green Bay Packers announced that DL **Kenny Clark** had been named the team's nominee for the NFL's Walter Payton Man of the Year Award. The award is the league's most prestigious honor and acknowledges NFL players that excel on the field and demonstrate a steadfast commitment to creating a positive impact beyond the game. This was the second time Clark has been nominated for the award, having been previously nominated in 2018.

- ▶ As soon as he entered the league in 2016, Clark began to use his platform to make a difference for kids, families and those in need across Wisconsin and his native Southern California. Clark's foundation – The Clark Family Dreams Do Come True Foundation – focuses on empowering youth with resources and mentorship to succeed no matter their upbringing. Last summer, the foundation hosted its eighth annual Kenny Clark Dreams Do Come True Football Camp in California, providing hundreds of kids the opportunity to learn and play the game with NFL players and coaches at no cost. Clark has assembled food packages for Wisconsin families, provided 250 families in Riverside, Calif., with a full Thanksgiving dinner, and donated celebrity dinners to the Boys & Girls Club of Greater Green Bay. He has also hosted coat and toy drives so kids can stay warm and experience the joy of the holidays. Clark has also been involved in a wide variety of Packers community outreach efforts during his time with the team. Perhaps closest to Clark's heart is the work he does to support children with incarcerated parents. Knowing first-hand the challenges of having an incarcerated parent, Clark works to provide hope and encouragement to kids in similar situations.

NFL SALUTE TO SERVICE AWARD

- In early November 2024, the Green Bay Packers nominated DL **Lukas Van Ness** as their 2024 Salute to Service Award nominee. Each year, the award recognizes NFL players, coaches, staff and alumni who have demonstrated a commitment to honoring and supporting military and veteran communities.
- ▶ Growing up with several family members that served in the military, including his grandfather who earned the rank of Lieutenant Colonel in the U.S. Army during his 27-year career, the importance of honoring and thanking servicemembers was instilled in Van Ness at a young age. Van Ness began to make an impact on the military community soon after the Packers selected him in the first round of the 2023 NFL Draft. During his rookie season, he connected with local veterans through a "Huddle for Heroes" event, answering questions and spending time with the veterans to personally thank them for their service. He also wrote letters to be sent to active-duty military members to encourage and empower them while on deployment. During the Packers' 2024 Military Appreciation Week, Van Ness assisted a family grieving the loss of a loved one who served. He joined them to assemble and paint a flag to honor their fallen soldier.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- ▶ All public practices are open in their entirety to credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- ▶ Video of practice and interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
- ▶ No live-streaming or live broadcast of practice, interviews or press conferences is permitted by an individual or media outlet at any time on any platform.
- ▶ Tripods are not allowed to be used while filming from the sideline.

INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ No shooting/filming injured players that are rehabbing on and around the practice fields.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

BLOGGING/TWITTER POLICY

- ▶ During training camp, "X/Twitter, blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it. Once again, acknowledging that an injury occurred and providing general details (i.e., "Right leg..." or "Left wrist...") is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/

or X/Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY

- ▶ Accredited Organizations may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content) purposes; (ii) any use of film or video or digital still images is not used to create Simulated Video of game action; (iii) no video of game action is used (except that, if the Accredited Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credentialed card access (e.g., press conferences, training camp, practice and/or interviews at NFL venues or events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
