HEAD COACH MATT LAFLEUR

LAFLEUR LEADS THE PACK

Head Coach **Matt LaFleur** (la-flew-er) has led the Packers to three straight NFC North titles, is the **first coach in franchise history** to post 10-plus wins in each of his first three seasons with the team and is the **first coach in NFL history** to win at least 12 games (13) in each of his first three seasons as an NFL head coach (Elias Sports Bureau).

▶ LaFleur (39-10, .796) passed George Seifert (38-10, .791, 1989-91) for the **most wins by an NFL head coach in his first three seasons in the league** (per the Elias Sports Bureau).

▶ LaFleur's 39 wins from 2019-21 are **tied for the second most** by a coach over any three-season span in league history behind only Mike Ditka's 40 wins with Chicago from 1985-87 (Elias).

▶ LaFleur is the **first head coach to in NFL history** to post 13-plus wins in three straight seasons (Elias).

▶ With LaFleur as the head coach, Green Bay has not lost back-to-back games in the regular season (9-0 following a loss). LaFleur is the **only head coach in NFL history** who did not have a two-game losing streak in his first 49 games, per Elias.

▶ LaFleur has guided the Packers to a 22-2 record (.917) in the regular season at Lambeau Field, the top home mark in the NFL from 2019-21.

▶ LaFleur has posted the **most wins by a coach at home** in his first three seasons.

▶ LaFleur recorded the **best home winning percentage by a Packers head coach in his first three seasons** since 1921 (22-2, .916 in 2019-21).

▶ 2019-21 was the first time Green Bay won seven-plus games in three straight seasons at Lambeau Field since doing it in three straight years from 2010-12.

▶ Dating back to 2019, the Packers have the **best regular-season record in the NFL**:

Team	Regular-Season Record (Since 2019)
1. Green Bay	39-10 (.796)
2. Kansas City	38-11 (.776)
3t. Buffalo	34-15 (.694)
3t. New Orleans	34-15 (.694)
5. Baltimore	33-16 (.673)

▶ The Packers are 14-1 (.933) in the regular season in December/January under LaFleur, ranking **No. 1 in the NFL** in Dec./Jan. since 2019. Green Bay's 14-game winning streak (Week 13 of 2019 - Week 17 of 2021) was the **second-longest winning streak** in regular-season games played in December/January in NFL history behind only the 2006-09 Chargers (19 games).

▶ LaFleur (33) **tied for the second-most wins** by a head coach in his first 40 regular-season games (Guy Chamberlin, 34; Paul Brown, 33).

▶ LaFleur reached 30 wins in his first 37 games as a head coach, **tied for the third fastest** in NFL history (Brown, 37) to reach the 30-win mark (Elias), trailing Seifert (36) and Chamberlin (35).

▶ LaFleur led Green Bay to a 20-5 record in his first 25 regular-season games, which **tied for No. 4 in NFL history** for the most wins by a head coach in his first 25 regular-season games (Elias).

▶ According to Elias, LaFleur was the **sixth head coach since 1970** to lead his team to the conference championship game in both of his first two seasons as a head coach, joining Jim Harbaugh (2011-12), Rex Ryan (2009-10), Barry Switzer (1994-95), Seifert (1989-90) and Don McCafferty (1970-71).

▶ LaFleur is just the **second NFL head coach** since the league went to a divisional format in 1967 to win 13-plus games and a division title in both of his first two seasons (2019-20), joining Seifert (1989-90).

▶ LaFleur (26) posted the **second-most wins in NFL history by a coach in his first two seasons** behind only Seifert (28 in 1989-90).

▶ LaFleur guided the Packers to 26 wins in 2019-20 after the Packers won 13 games in 2017-18. That was the **biggest two-season win improvement** by a head coach in franchise history from the two seasons prior to him taking over, eclipsing the previous mark held by Vince Lombardi (15 victories in 1959-60 after the Packers won four games in 1957-58).

▶ LaFleur led the biggest one-year win improvement in franchise history in 2019:

Seasons	Win Improvement
1. 2018 (6) to 2019 (13)	+7
2t. 1928 (6) to 1929 (12)	+6
2t. 1958 (1) to 1959 (7)	+6

5. Jim Caldwell	16-8 (.667)

▶ LaFleur's winning percentage of .917 (11-1) against division opponents in 2019-20 **tied for the second best** by a coach in his first two seasons as head coach, dating back to 1970 (Mike Tomlin, 11-1, .917 in 2007-08 / Mariucci, 15-1, .938 in 1997-98).

▶ Among head coaches who began their career since 1970, LaFleur was the **first one** to win their first seven road divisional games (Elias).

▶ LaFleur is **one of only two coaches in NFL history** to win his first six games against the Bears (Dennis Green, 1992-94), according to Elias.

▶ Dating back to 2019 (including playoffs), LaFleur has led the Packers to a 20-7 record (.741) in **games decided by single digits**.

▶ Under LaFleur, the Packers are 21-1 (.955) when posting two-plus takeaways in a game and have a plus-43 turnover margin (56/13) in those contests.

▶ The 28 zero-giveaway games by GB from 2019-21 rank **No. 1 in NFL history** over a three-season span (NE, 25, 2010-12).

▶ LaFleur (13-3) finished with the **most NFL wins by a Packer head coach in their first season**.

Two years after he co-founded the Packers with Curly Lambeau, George Calhoun began writing a piece called The Dope Sheet, which served as the official press release from 1921-24.

A LOOK AT THE SCHEDULE

The Green Bay Packers' 2022 NFL schedule will feature 17 regular-season games and three preseason games. It is highlighted by five prime-time contests (subject to flexible scheduling) on the original schedule for the ninth straight year (2014-22), seven games against 2021 playoff teams and five contests versus division winners from last year.

▶ With the three-game preseason schedule implemented last season, the Packers will alternate between hosting one and two preseason games each year. This year, with the Packers hosting only one preseason game, the matchup is designated as the Packers Give Back Game, with a benefiting charity to be highlighted through the game and surrounding activities.

▶ The Packers will open the season at the Minnesota Vikings, marking the fourth straight year and the eighth time in the last 10 seasons that Green Bay has started the season on the road. It is also just the second time ever that Green Bay has played at Minnesota in Week 1 (2020).

▶ Week 2 brings a division opponent at home for the fifth consecutive season when the Packers and Chicago Bears face off. The game will be played on Sunday night, marking the second straight year the home opener is in prime time and the 17th consecutive regular season that the Packers and Bears have squared off in a prime-time game.

▶ It is the third time in the last four seasons that Green Bay has opened up with two division opponents (2019-20).

▶ The Packers go back on the road in Week 3 as they travel to face the Tampa Bay Buccaneers, marking the third straight year that Green Bay opens the season with two of the first three games on the road.

▶ Week 4 brings the Packers back to Lambeau Field for a matchup with the New England Patriots. They have split the last two matchups (2014, 2018), with both teams winning at home.

▶ For the first time in franchise history, Green Bay will travel to London, where it will face off against the New York Giants in Week 5.

▶ The Packers return to the states to host the New York Jets in Week 6, marking the first time since 2010 that Green Bay plays both New York teams in the same season.

▶ The Packers finish October and start November with three straight road games, marking just the third time this century (2012 and 2016) that Green Bay plays three straight contests on the road. The Packers travel to play the Washington Commanders in Week 7, the Buffalo Bills in Week 8 and the Detroit Lions in Week 9. The Week 8 matchup is the first prime-time game between the Packers and Bills.

▶ Green Bay will return to Lambeau for back-to-back home games in Weeks 10-11, first hosting the Dallas Cowboys and then playing on Thursday night against the Tennessee Titans. It is the first time Green Bay will play an AFC opponent in a Thursday night contest.

▶ Weeks 12 and 13 will be on the road to end a run of a five road trips in seven games.

▶ The Packers first go east to play the Philadelphia Eagles in the first Sunday night matchup between the two teams and then travel to Chicago to take on the Bears.

▶ For the first time since 2014, Green Bay enters its bye (Week 14) after a road game. It is the latest bye ever for Green Bay, and it is just the fifth time since 1990 that the Packers have had a bye in Week 10 or later (Week 13 in 2021, Week 11 in 2019, Week 10 in 2012 and 2010).

▶ Green Bay will end the regular season with three of its last four at home for the first time since 2011.

▶ In Week 15, the Packers host the Los Angeles Rams on *Monday Night Football*, marking the latest MNF contest ever at Lambeau Field.

▶ For the second straight year and for the fourth time in franchise history, the Packers will play on Christmas. It will be the first time Green Bay will play on the road on the holiday, as it travels to Florida to face the Miami Dolphins.

▶ The Packers will finish the regular season the same way they started it, against two division opponents. Green Bay will end the regular season with back-to-back NFC North games for the fifth time in the last seven seasons. It is the first time ever that Green Bay will play two regular-season home games in January.

▶ In Week 17, the Minnesota Vikings come to town and the regular season will end on either Saturday or Sunday with a visit from the Detroit Lions in Week 18.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- ▶ All public practices are open in their entirety to credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ Media are NOT permitted to photograph or shoot b-roll of injured players rehabbing on the practice field. This policy will also extend into the regular season.
- ▶ During practice periods in which B-roll and still photography is NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- ▶ Video of practice and interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
- ▶ No live-streaming or live broadcast of practice, interviews or press conferences is permitted by an individual or media outlet at any time on any platform.
- ▶ Tripods are not allowed to be used while filming from the sideline.

BLOGGING/TWITTER POLICY

- ▶ During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it. Once again, acknowledging that an injury occurred and providing general details (i.e., "Right leg..." or "Left wrist...") is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).

- ▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY

- ▶ Accredited Organizations may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content) purposes; (ii) any use of film or video or digital still images is not used to create Simulated Video of game action; (iii) no video of game action is used (except that, if the Accredited Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credentialed card access (e.g., press conferences, training camp, practice and/or interviews at NFL venues or events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
