Sean Payton: 184-108-0, .630; (10-10 postseason); 19th NFL season

Head to Head: LaFleur 1-3 vs. Payton

vs. Opponent: LaFleur 1-2 vs. Broncos; Payton 7-2 vs. Packers

MATT LAFLEUR...In his eighth season as the Packers' 15th head coach.

► Is entering his 18th season in the NFL in 2026, having served as an offensive coordinator for two seasons (Los Angeles Rams, 2017; Tennessee Titans, 2018), a QBs coach for six seasons (Washington Redskins, 2010-13; Atlanta Falcons, 2015-16) and an offensive assistant for two seasons (Houston Texans, 2008-09).

► In his first seven seasons leading the Packers, LaFleur has authored one of the finest starts to a head-coaching career in NFL history. Per the Elias Sports Bureau, his 76 regular-season wins are tied with Paul Brown for the second most in league history by a head coach in his first seven seasons in the NFL, trailing only George Seifert (86 in 1989-95). Green Bay's 76-40-1 (.654) regular-season record since 2019 ranks No. 1 in the NFC and No. 3 in the NFL over that span.

► In his first three seasons in Green Bay (2019-21), became the first head coach in NFL history to post 13-plus wins in three straight years. His 39 victories over that span passed Seifert (38 in 1989-91) for the most wins by an NFL head coach in his first three seasons in the league and are also tied for the fourth most by a coach over any three-season span in league history (Mike Ditka, 40 from 1985-87; Andy Reid, 40 from 2020-22 and 2022-24).

► Led the Packers to six playoff berths in seven seasons (tied for No. 2 in the NFL over that span), tied with Vince Lombardi and Mike Holmgren for the most playoff appearances by a Green Bay head coach in his first seven seasons.

► In his first season leading the Packers in 2019, became the first coach in club history to guide the team to the playoffs in his debut season. Also led the largest one-year win improvement in team history (plus-seven wins).

SEAN PAYTON...In his fourth season as the Broncos' 20th head coach.

► Spent 15 seasons as head coach of the New Orleans Saints (2006-11, '13-21), and led the franchise to its

first Super Bowl championship (Super Bowl XLIV) during the 2009 season.

► Owns the Saints' top win total and winning percentage, and his 184 regular-season wins are second among active head coaches, trailing only Andy Reid (279).

► Became just the fifth head coach in NFL history to lead multiple franchises to the top seed in the postseason. Among those coaches, he is just the third to do so in both conferences.

► The Broncos have allowed the fourth-fewest points per game (20.3) in the NFL under Payton, while also ranking second during that span in third-down percentage (34.8) and third in red-zone percentage (48.8).

THE PACKERS-BRONCOS SERIES

► Green Bay and Denver first met in 1971, and the Packers defeated the Broncos, 34-13, in the inaugural game of the series.

► One of the most iconic games in the series was the Super Bowl XXXII matchup that pitted Packers QB Brett Favre against Broncos QB John Elway. Denver, loser of four previous Super Bowls, beat Green Bay, 31-24, to give the franchise its first Super Bowl victory.

► Green Bay has won four of the last seven regular-season contests, allowing fewer than 20 points in four of those seven meetings.

LAST MEETING, REGULAR SEASON

Dec. 14, 2025, Empower Field at Mile High, Broncos won, 34-26

► Packers QB Jordan Love connected on 24 of 40 passes for 276 yards and a TD with two INTs.

► Broncos QB Bo Nix completed 23 of 34 passes for 302 yards and four TDs.

OFFSEASON MOVES

Packers General Manager **Brian Gutekunst** and his staff have made numerous moves that have helped Green Bay to a 82-49-2 record over the last eight seasons, three division titles, six playoff berths and appearances in two NFC title games. Even with a roster that is one of six NFL teams to make the playoffs in each of the past three seasons, Gutekunst and his staff still had decisions and moves to make.

► This offseason, the Packers gave numerous players contract extensions: C/G **Sean Rhyan**, who was one of only two Green Bay offensive linemen to appear in all 34 regular-season games over the last two seasons and was part of an offensive line that helped the Packers rank in the top five in the NFL in 2024-25 in sacks allowed (No. 2, 51), sack percentage (No. 4, 5.0), yards per passing attempt (No. 3, 8.0) and rushing yards (No. 5, 133.3 ypg); WR **Jayden Reed**, who ranks No. 1 in the NFL in passer rating when targeted (126.8) among wide receivers with 100 receptions from 2023-25 (TruMedia); WR **Christian Watson**, who is one of only three players in team history to post 125-plus catches and average 17.0-plus yards per catch in his first four NFL seasons (WRs Billy Howton and James Lofton); LB **Isaiah McDuffie**, who is one of only two players in the league (Texans LB E.J. Speed) to appear in 80-plus games and register 275-plus tackles on defense (286) and 30-plus tackles on special teams (34) since 2021, and DT **Devonte Wyatt**, who was one of two Packers (DL Rashan Gary) to post four-plus sacks in each of the last three seasons (2023-25).

► Green Bay acquired LB **Zaire Franklin** via trade with the Indianapolis Colts. He played in 132 games with 82 starts for Indianapolis from 2018-25 and was a six-time team captain (2020-25). Franklin led the league with 173 tackles (93 solo) and ranked No. 2 in the NFL with a career-high five forced fumbles in 2024, earning second-team All-Pro honors from *The Associated Press* as well as his first career Pro Bowl selection. From 2022-25, he led the NFL in tackles (643) and ranked No. 2 in solo tackles (364). Dating back to 2000 (per TruMedia), he is the only NFL player to register 600-plus tackles (643), 10-plus sacks (10) and 10-plus forced fumbles (11) over a four-season span (2022-25).

► The Packers made a few veteran free-agent signings, including WR **Sky Moore**, CB **Benjamin St-Juste** and QB **Tyrod Taylor**. Moore has appeared in 53 games with 11 starts during his NFL career (2022-24 with the Kansas City Chiefs, 2025 with the San Francisco 49ers) and has registered 48 receptions for 581 yards (12.1 avg.) and a TD, eight carries for 58 yards (7.3 avg.), 39 punt returns for 377 yards (9.7 avg.) and 38 kickoff returns for 1,000 yards (26.3 avg.). He ranked No. 6 in the NFL last season with a career-high 27.5-yard average on kickoff returns (33 returns for 907 yards), highlighted by a 98-yard return at Arizona in Week 11. It was the third-best average by a San Francisco player since the 1970 AFL-NFL merger (RB Vic Washington, 28.6 in 1972; WR Ted Ginn, 27.6 in 2011). St-Juste

has played in 70 games with 47 starts during his NFL career (2021-24 with the Washington Commanders, 2025 with the L.A. Chargers) and has posted 235 tackles (181 solo), four tackles for a loss, three sacks, two interceptions, 41 passes defended, four forced fumbles and a fumble recovery. In 2023, he started a career-high 16 contests and register 67 tackles (52 solo), a sack, an INT, two forced fumbles and a career-best 17 passes defended (No. 4 in the NFL). In its first year, the program donated more than 1,300 pairs of cleats to 26 Wisconsin teams, and it is now expanding to include his hometown of Bakersfield, Calif. Hands of 10ve also hosts annual impact events including the Green Bay Charity Softball Game, youth football camps in Bakersfield and Milwaukee, winter coat drives and holiday shopping sprees for local children. Throughout his career, Love has participated in fundraising initiatives for the Salvation Army of Greater Green Bay, Rawhide Youth Services and the Vince Lombardi Cancer Foundation, using his platform to advance their missions and make a tangible difference. A steadfast advocate for mental health awareness, Love has sponsored community walks in Brown County and Kern County to raise visibility for organizations dedicated to suicide prevention and supporting those affected by loss. In April, Love visited the Kern County Youth Detention Center in Bakersfield to share a message about resilience and the importance of making positive choices, ultimately surprising each at-risk youth attendee with a \$20,000 scholarship toward trade school or college. Within the law enforcement community, Love has raised awareness and funds for the Bakersfield Police Activities League (PAL) through the NFL's My Cause My Cleats initiative and has served as a keynote speaker at conferences, encouraging open dialogue around mental health while actively working to build stronger, more compassionate relationships between officers and the communities they serve.

NFL SALUTE TO SERVICE AWARD

The Green Bay Packers nominated T/G **Darian Kinnard** as their **2025 Salute to Service Award** nominee. Each year, the award recognizes NFL players, coaches, staff and alumni who have demonstrated a commitment to honoring and supporting military and veteran communities. Growing up in a family with strong military ties – including his great-grandfather who served as a paratrooper and his mother who worked as a registered nurse at a VA hospital – Kinnard learned from an early age the importance of honoring and thanking servicemembers. In his first season with Green Bay, Kinnard spent time with children whose parents deployed in May with the Army National Guard's 2-127th unit.

ART ROONEY SPORTSMANSHIP AWARD

The Green Bay Packers nominated QB **Jordan Love** for the **twelfth annual Art Rooney Sportsmanship Award**. The award is presented each year to an NFL player who best demonstrates the qualities of on-field sportsmanship, including fair play, respect for the game and opponents and integrity in competition. Created in 2014, the award honors the late founding owner of the Pittsburgh Steelers and Pro Football Hall of Famer Art Rooney Sr. A panel of former players from the NFL Legends Community will select eight finalists (four in the AFC and four in the NFC) from the 32 nominees. The eight finalists will be listed on the Pro Bowl ballot under the NFL Sportsmanship Award category when players vote in December.

ED BLOCK COURAGE AWARD

WR **Christian Watson** was named the Packers' 2025 winner of the Ed Block Courage Award, which is voted on by the players and recognizes a teammate who best exemplifies commitments to the principles of sportsmanship and courage. Each team recognizes an annual recipient for his professionalism, strength and dedication, and for being a role model in the community.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- ▶ All public practices are open in their entirety to credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- ▶ Video of practice and interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
- ▶ No live-streaming or live broadcast of practice, interviews or press conferences is permitted by an individual or media outlet at any time on any platform.
- ▶ Tripods are not allowed to be used while filming from the sideline.

INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ No shooting/filming injured players that are rehabbing on and around the practice fields.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

BLOGGING/SOCIAL MEDIA POLICY

- ▶ During training camp, "X/Twitter, Instagram, Threads, BlueSky, blogging, etc." is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it. Once again, acknowledging that an injury occurred and providing general details (i.e., "Right leg..." or "Left wrist...") is permitted, but anything beyond that would be purely speculative and possibly inaccurate.

- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or X/Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY

- ▶ The Accredited Media Organization may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content)); (ii) any use of film or video or digital still images is not used to create Simulated Video (as defined below) of game action; (iii) no video of game action is used (except that, if the Accredited Media Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Media Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credential card access (e.g., press conferences, training camp, practice and/or interviews at NFL or Member Club Facilities or Events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
