COACHING-STAFF CHANGES

Throughout the offseason, Head Coach **Matt LaFleur** saw some departures from the coaching staff and used a combination of promotions and new hires to fill those roles.

- ▶ **Rich Bisaccia** was promoted to assistant head coach/special teams coordinator. This will be the 12th season that he has held the title of associate head coach or assistant head coach in the NFL. Bisaccia has 40 years of coaching experience, including 21 seasons in the NFL as a special teams coordinator with the Packers (2022), Oakland/Las Vegas Raiders (2018-21), Dallas Cowboys (2013-17), San Diego Chargers (2011-12) and Tampa Bay Buccaneers (2002-10). Last year he helped Keisean Nixon earn first-team All-Pro honors from *The Associated Press*. Nixon was the first Packer kick returner to earn a spot on the AP All-Pro team since it added the position in 1976. Nixon (1,009) was the third player in team history to lead the NFL in kickoff return yards (A1 Carmichael in 1956 and 1957, Dave Hampton in 1971).
- ▶ **Greg Williams** joins Green Bay as the passing game coordinator (defense). He brings 19 years of coaching experience to the Packers, including 14 seasons in the NFL. He spent the past four seasons as the cornerbacks coach for the Arizona Cardinals. In 2022, Williams guided a cornerback group that helped Arizona rank No. 2 in the league in yards allowed per completion (10.10), the top single-season mark by the Cardinals since the 1970 AFL-NFL merger. Prior to his time in Arizona, Williams was the defensive backs coach for the Denver Broncos (2018) and Indianapolis Colts (2016-17). His first NFL coaching experience was working seven seasons with the San Diego Chargers, first as assistant linebackers coach (2009-12) and then as assistant secondary coach (2013-15). The former wide receiver and defensive back at the University of North Carolina (1994-97) spent time in training camp with the Chicago Bears and New York Giants while also playing two seasons (1999-2000) with the Amsterdam Admirals of NFL Europe, one year with the San Francisco Demons of the XFL (2001) and five years in the Arena Football League with the Indiana Firebirds (2001-03) and Chicago Rush (2004-05). Williams began his coaching career at Arizona State as an intern in 2003 and worked as an assistant coach at the College of DuPage for two seasons (2004-05). He then spent two years (2006-07) as Arkansas Tech's defensive backs coach and recruiting coordinator before working as a graduate assistant for the 2008 season at the University of Pittsburgh.
- ▶ **Ryan Downard** is entering his sixth season in Green Bay and first as defensive backs coach after serving as the safeties coach last season, as the assistant defensive backs coach from 2019-21 and defensive quality control coach in 2018. In 2022, the Packers ranked No. 6 in the NFL in passing defense (197.0 ypg) and tied for No. 4 in interceptions (17). He came to Green Bay after working at Bowling Green for two seasons, serving as the safeties coach in 2017 and the director of football operations in 2016. From 2014-15, Downard was a defensive coaching assistant with the Cleveland Browns, assisting with the defensive line in 2014 and the defensive backs in 2015. Prior to his two seasons with the Browns, he served as a graduate assistant at Texas Tech and Toledo. Downard played defensive back at Eastern Michigan, where he earned honorable mention Freshman All-American recognition from Scout.com in 2007 after ranking No. 2 in the country among freshmen with six INTs.
- ▶ **Jason Rebrovich** was promoted to pass rush specialist after originally joining the Packers to coach the outside linebackers in 2022. He was part of a coaching staff that helped Green Bay finish No. 6 in passing defense (197.0 ypg) and No. 8 in opponent third-down

percentage (37.63) last season. Rebrovich has 21 years of coaching experience, including nine seasons in the NFL (Jacksonville Jaguars, 2017-20 / Buffalo Bills, 2013-16). In 2019, Rebrovich oversaw the development of DE Josh Allen, who led all NFL rookies and broke the single-season franchise record for rookies with 10.5 sacks on his way to earning All-Rookie honors from the PFWA. In 2017, the Jaguars ranked No. 2 in the league with 55 sacks, the second most in a season in team history, as three defensive linemen earned Pro Bowl honors (Calais Campbell, Yannick Ngakoue, Malik Jackson). Prior to entering the NFL coaching ranks, Rebrovich spent 12 seasons coaching at the collegiate level at Syracuse (2011-12), SUNY Cortland (2008-10, 2001-03), Ferris State (2005-07) and Concord (2004).

- ▶ **Tim Lester** joins the Packers as a senior analyst. He comes to Green Bay after spending the last six seasons (2017-22) as the head coach at Western Michigan, where he also was a four-year starter at quarterback from 1996-99 and coached quarterbacks in 2005-06. Prior to being the head coach at his alma mater, he coached quarterbacks at Purdue in 2016. From 2013-15, he coached the same position at Syracuse, including doubling as the offensive coordinator during his last two seasons. He went to the Orange after being the head coach at Division III Elmhurst College from 2008-2012, posting a 33-19 record for a .635 winning percentage, the second highest in school history. Lester also served as an assistant at North Central College (2007) and Elmhurst (2002-03). He was the head coach at Division II Saint Joseph's College in 2004, receiving Independent Football Alliance Coach of the Year honors.
- ▶ **Rob Grosso** comes to Green Bay as an offensive quality control assistant after working as a defensive quality control coach for the Arizona Cardinals from 2019-22. Prior to working for the Cardinals, he was the assistant to the head coach under Vance Joseph for the Denver Broncos in 2018. With the Broncos, Grosso also assisted with the team's outside linebackers and special teams. He was elevated to that position after serving as an operations intern with the Broncos during the 2017 season. Grosso worked with the Arizona Rattlers of the Indoor Football League during the 2017 season as a coaching/player personnel intern. He got his start in the NFL with Denver for two years (2015-16) as a training camp operations intern before working as a volunteer assistant scout with the Saskatchewan Rough Riders (2016-17) of the Canadian Football League and as a scout for Sports Info Solutions (2016). The former wide receiver at John Carroll University (2011-13) helped with his alma mater's wide receivers for two seasons as a student coaching/recruiting assistant following his playing days.
- ▶ **Kyle Wilber** joins the Packers as a special teams quality control coach. He played linebacker, defensive end and was a key special-teams contributor in the NFL for 10 seasons (2012-21), appearing in 135 games with 17 starts in the regular season and playing in four post-season contests. He originally was a fourth-round pick (No. 113 overall) by the Dallas Cowboys in the 2012 NFL Draft out of Wake Forest. After six seasons with the Cowboys (2012-17), he played four seasons with the Oakland/Las Vegas Raiders (2018-21). Over his career, Wilber registered 105 tackles (71 solo), six tackles for a loss, 3.5 sacks, seven QB hits, four passes defensed, a forced fumble and four fumble recoveries on defense. On special teams, he recorded 58 tackles, two forced fumbles and two fumble recoveries.

Two years after he co-founded the Packers with Curly Lambeau, George Calhoun began writing a piece called *The Dope Sheet*, which served as the official press release from 1921-24.

OFFSEASON MOVES

Packers General Manager **Brian Gutekunst** and his staff have made numerous moves that have helped Green Bay to a 47-19 record over the last four seasons, three division titles and appearances in two NFC title games. This offseason, Gutekunst and his staff had decisions and moves to make with the roster.

- ▶ The Packers and Jets agreed to a trade that sent QB **Aaron Rodgers**, a first-round selection (No. 15) and a fifth-round choice (No. 170) in 2023 to New York for a first-round selection (No. 13), a second-round pick (No. 42) and a sixth-round selection (No. 207) in 2023 and a conditional second-round choice in 2024.
- ▶ Green Bay signed QB **Jordan Love** to a contract extension. He has appeared in 10 games with one start for the Packers after originally being selected by Green Bay in the first round (No. 26 overall) of the 2020 NFL Draft out of Utah State. Love played in four games last season, completing 14 of 21 passes (66.7 pct.) for 195 yards and a TD and a passer rating of 112.2. According to Stathead.com, Jenkins was the 11th Packers offensive linemen to be named to multiple Pro Bowls. Jenkins was part of a line that helped the Packers rank No. 7 in the NFL in sacks allowed (32), including just 17 in Weeks 7-18, tied for the third fewest in the league over that span.
- ▶ CB **Keisean Nixon** re-signed after his first season with Green Bay that saw him be named first-team All-Pro by *The Associated Press*. He was the first Packer kick returner to earn a spot on the AP All-Pro team since it added the position in 1976. He was also named to the All-NFL and All-NFC teams by the Pro Football Writers of America as a kick returner, becoming just the second kick returner in franchise history to be selected to the All-NFL teams by the PFWA (KR Roell Preston in 1998). Nixon finished the 2022 season leading the NFL with 1,009 kickoff return yards and a kickoff return average of 28.8 (min. 25 att.). His kickoff return average ranks No. 1 in team history for a single season (min. 30 returns). In those six contests for the Packers, he posted nine tackles (four solo), 2.5 sacks, four QB hits and three tackles for a loss. Leavitt joined the Packers just before the 2022 training camp and went on to play in all 17 games for Green Bay. He tied for No. 1 on the team with a career-high 13 special teams tackles. Wilson, a seventh-year player out of the University of Cincinnati, was signed by the Packers off the New Orleans Saints' practice squad on Oct. 4, 2022. He went on to play in 13 games for the Packers and tied for the team lead with 13 special teams tackles. He played in 61 regular-season games with 13 starts during the regular season and appeared in six postseason contests. Orzech, a fourth-year player, saw action in 34

He is from Anambra State in Nigeria and was converted to football via Educational Basketball. Odumegwu attended Osi Unemiorya's NFL Africa Touchdown Camp in Accra, Ghana, where he was named defensive Most Valuable Player.

A LOOK AT THE SCHEDULE

The Green Bay Packers' 2023 NFL schedule will feature 17 regular-season games and three preseason games. It is highlighted by five prime-time contests (subject to flexible scheduling) on the original schedule for the 10th straight year (2014-23).

- ▶ With the three-game preseason schedule implemented for the 2021 season, the Packers will alternate between hosting one and two preseason games each year. This year, Green Bay opens at the Cincinnati Bengals before returning home to face the New England Patriots and then the Seattle Seahawks. Both home games will have a charitable aspect to them, with the first contest designated as the Play Football Game and the second game as the Packers Give Back Game.
- ▶ The Packers will open the regular season at the Chicago Bears, marking the fifth straight year and the ninth time in the last 11 seasons that Green Bay has started the season on the road. Green Bay is the only team in the NFL to open the season on the road each of the last five years (2019-23). It is also the fourth time in the last five years that the Packers have opened the season on the road against a division opponent.
- ▶ Week 2 sees Green Bay traveling to take on the Atlanta Falcons, marking the first time since 2016 that the Packers have opened the season with back-to-back road contests.
- ▶ Green Bay will have its home opener at Lambeau Field in Week 3 against the New Orleans Saints.
- ▶ The Packers stay at home for a short week to host the Detroit Lions on a Thursday for the first time.
- ▶ Week 5 has the Packers visiting Las Vegas for the first time to play the Raiders on *Monday Night Football*. It marks the 31st straight season (1992-2023) that Green Bay will play on *MNF*.
- ▶ The Packers will be on the bye in Week 6, marking the first Week 6 bye for Green Bay since 2006.
- ▶ After the bye week, the Packers travel back out west to face the Denver Broncos. It is the first time since 2011 that Green Bay will play road games on each side of the bye week.
- ▶ In Week 8, the Packers will host Minnesota in the first of four scheduled noon (CT) games in a row, with three of them at home.
- ▶ In Week 9, Lambeau Field will welcome the Los Angeles Rams, marking the first time the Rams have played in Green Bay in three consecutive seasons.
- ▶ After a trip to play the Pittsburgh Steelers in Week 10, the Packers return home to take on the Los Angeles Chargers in Week 11. Including Super Bowl XLV, six of the last eight games between the Packers and Steelers have been decided by seven points or less. Green Bay holds a 10-2 (.833) record against the Chargers, including a 4-1 mark at home
- ▶ Week 12 will be another short week for the Packers as they will play at the Lions on Thanksgiving. It is the first time Green Bay has played on the holiday since they hosted the Bears in 2015 and the first time at Detroit since 2013. According to the Elias Sports Bureau, the two Thursday games against Detroit mark just the second time that two teams have squared off multiple times on a Thursday in the same season (1926 Chicago Bears/Chicago Cardinals).
- ▶ The month of December starts with the first of three prime-time matchups for Green Bay, which would be the most played by the Packers in a single season in the month of December. After the Packers host the Kansas City Chiefs on Sunday night in Week 13, they will travel to take on the New York Giants on *MNF* in Week 14. It is just the second time (2019) that Green Bay has multiple Thursday games and multiple Monday games.
- ▶ In Week 15, the Packers return to Lambeau to play Tampa Bay in what is the second-latest visit by the Buccaneers (Week 17 in 2000).
- ▶ After two straight seasons of playing on Christmas,

Green Bay visits the Carolina Panthers in Week 16 on Christmas Eve. Each of the last four games and six of the last seven games between the two have been decided by eight points or less.

- ▶ For the third straight season and the fourth time in the last five, the Packers will finish the regular season with back-to-back NFC North contests. They will travel a state over to take on the Vikings in a prime-time matchup on New Year's Eve in Week 17 and then return home to face the Bears in the season finale on either Jan. 6 or 7.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- ▶ All public practices are open in their entirety to credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- ▶ Video of practice and interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.
- ▶ No live-streaming or live broadcast of practice, interviews or press conferences is permitted by an individual or media outlet at any time on any platform.
- ▶ Tripods are not allowed to be used while filming from the sideline.

INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ No shooting/filming injured players that are rehabbing on and around the practice fields.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

BLOGGING/TWITTER POLICY

- ▶ During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it. Once again, acknowledging that an injury occurred and providing general details (i.e., 'Right leg...' or 'Left wrist...') is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs

and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY

- ▶ Accredited Organizations may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content) purposes; (ii) any use of film or video or digital still images is not used to create Simulated Video of game action; (iii) no video of game action is used (except that, if the Accredited Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credentialed card access (e.g., press conferences, training camp, practice and/or interviews at NFL venues or events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
