

Tailgating in Tittletown!

Take your tailgating to the next level by experiencing one of the many exclusive tailgating spots in Tittletown. Just steps away from Lambeau Field, these tailgating event spaces provide amazing views of Tittletown and Lambeau Field along with the sounds of the Gameday Live Band.

The Tailgating Experience, in the heart of the action, includes all-you-can-eat local favorites of burgers, brats, pulled pork sandwiches, Pack n' Cheese, potato salad, kettle chips, brownies, along with two drink tickets for beer, wine and soda. Additional drinks and cocktails are available to purchase.

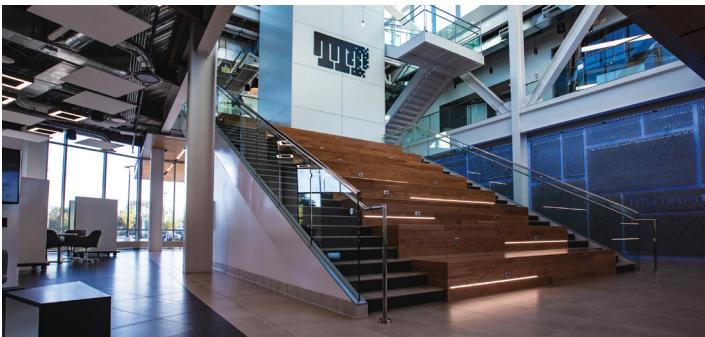

The Tailgate Experience begins 4 hours before kickoff and ends when the game starts. The rental fee for the exclusive experience begins at \$1,200. The cost per person for our Tailgate Experience food and beverage package is \$75 (all inclusive). There are also additional menu options other than the Tailgate Experience selection. The minimum food and beverage spend is \$2,500.
