

## **Donation Requests and New Applicant Portal**

Green Bay Packers Give Back is introducing a new Applicant Portal. The more modern look and feel mirrors online shopping experiences.

The email account used to request donations prior to July 2026 is no longer valid and application history from that email account will start over. If an application submitted prior to July 2026 is needed, contact us at [donations@packers.com](mailto:donations@packers.com).

Blackbaud software manages our grant/giving programs and donation requests. To begin the application process, click the donations link in the Community/Donations section on [packers.com](http://packers.com).

A new GrantsConnect account must be created to request donations. Account authentication is managed through Blackbaud ID.

If you have a GrantsConnect/Blackbaud ID that you use with another funder or used for the 2025 or 2026 Packers Foundation grant process, sign in with that login. The new applicant portal uses a single account to manage grant and similar applications submitted to funders using Blackbaud to manage their grant/giving programs.

Email communications from our donations system will be sent from:

[noreply@yourcause.com](mailto:noreply@yourcause.com) or [mail@grantapplication.com](mailto:mail@grantapplication.com)

Please add these emails to your safe sender list.

## Creating an Account in the new Applicant Portal

Start by clicking the donations link in the Community/Donations section on packers.com. On the Applicant Portal page, click Create account.

The screenshot shows the 'Applicant Portal' sign-in page. On the left is a blue vertical banner with the 'blackbaud' logo. The main content area has the title 'Applicant Portal' and the instruction 'Enter your email address to sign in'. Below this is a text input field labeled 'Email address\*'. There is a checkbox for 'Remember me' and two buttons: 'Create account' and 'Sign in'. At the bottom left, it says 'Powered by YourCause'.

Select an option to Sign in or sign up (create an account) and follow the instructions on the remaining screens.

The screenshot shows the 'YourCause® from Blackbaud' sign-in or sign up page. The title is 'Sign in or sign up'. There are four buttons for different sign-in methods: 'Continue with SSO' (with a lock icon), 'Continue with Google' (with the Google logo), 'Continue with Apple' (with the Apple logo), and 'Continue with Email' (with an envelope icon). Below these buttons is a link 'More sign-in options' with a downward arrow. At the bottom, there is a disclaimer: 'By continuing, you are agreeing to the Blackbaud Terms of Use and Privacy Policy.' and a link 'Need help? Have questions?'. The page is powered by 'blackbaud'.
