

A new Grant and Applicant Experience was introduced with the 2025 annual grant cycle application period.

What does this mean?

- You will have a single account to manage all applications submitted to funders using Blackbaud Grantmaking in one consolidated portal.
- Application history will start over in the new portal.
- If you have not created a Blackbaud ID with another funder, you will need to create an account.
- If you have a Blackbaud ID, sign in with that login.

Log in to view your “My Applications” page:

<https://bbgmapply.yourcausegrants.com/apply/applications>

To receive email communications from our grantmaking system, please add the following to your safe sender list:

noreply@yourcause.com and mail@grantapplication.com

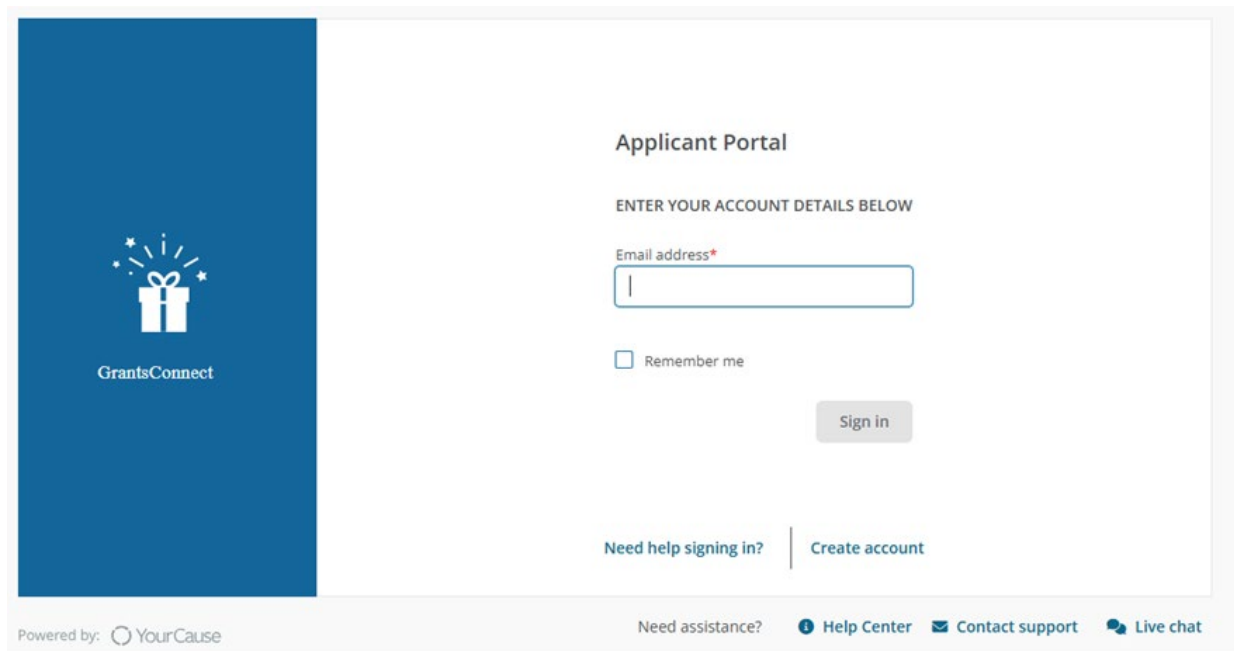

If you applied to the Packers Foundation prior to 2025:

- The email account used prior to 2025 will **not** give you access to the 2026 grant application.
- Application history will start over in the new portal. Log into the “legacy” portal to view applications submitted to the Packers Foundation prior to 2025.
- Log into the “legacy” portal here: https://us.grantrequest.com/sid_910?sa=am

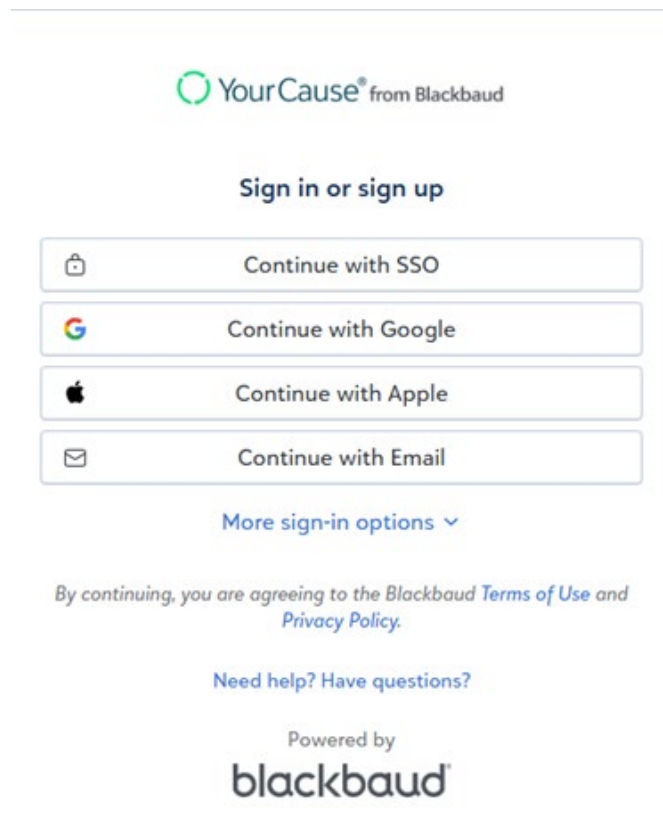

Questions? Please contact foundation@packers.com

Creating an Account in the new Grant and Applicant Experience

From the [Begin 2026 Packers Foundation Application](#) link on the website, click Create account from the Applicant Portal page.

The screenshot shows the GrantsConnect Applicant Portal. On the left is a blue sidebar with the GrantsConnect logo (a gift box with stars) and the text "GrantsConnect". The main area is white and titled "Applicant Portal". Below the title is the instruction "ENTER YOUR ACCOUNT DETAILS BELOW". There is a text input field for "Email address*" with a red asterisk. Below the field is a checkbox labeled "Remember me". To the right of the checkbox is a "Sign in" button. At the bottom of the main area are two links: "Need help signing in?" and "Create account". The footer contains the text "Powered by: YourCause" on the left and "Need assistance? Help Center Contact support Live chat" on the right.

The screenshot shows the YourCause sign-in/sign-up page. At the top is the "YourCause® from Blackbaud" logo. Below the logo is the heading "Sign in or sign up". There are four buttons for different sign-in methods: "Continue with SSO" (with a lock icon), "Continue with Google" (with the Google logo), "Continue with Apple" (with the Apple logo), and "Continue with Email" (with an email icon). Below these buttons is a link "More sign-in options" with a downward arrow. At the bottom, there is a line of text: "By continuing, you are agreeing to the Blackbaud Terms of Use and Privacy Policy." Below that is a link "Need help? Have questions?". At the very bottom is the text "Powered by blackbaud" with the Blackbaud logo.

After selecting a sign up option, follow instructions on remaining screens to create an account.
